PROXY STATEMENT FOR THE
ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD JUNE 23, 2005

Pizza Inn, Inc., a Missouri corporation (the "Company"), is soliciting proxies to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the Company's corporate offices, 3551 Plano Parkway, The Colony, Texas 75056, on Thursday, June 23, 2005, at 10:00 a.m., Dallas time, and at any postponements or adjournments thereof. This Proxy Statement and the enclosed form of proxy are first being sent or made available to the Company's shareholders on or about June 6, 2005.

If the proxy is signed and returned before the Annual Meeting, it will be voted in accordance with the directions on the proxy or, if no directions are made, by the proxies named therein in their discretion. A shareholder may revoke a proxy at any time before it is voted by execution of a subsequent proxy, voting the shares in person at the Annual Meeting or by giving written notice to Pizza Inn, Inc., c/o Securities Transfer Corporation, Transfer Agent, 2591 Dallas Parkway, Suite 102, Frisco, Texas 75034 at any time prior to the close of the polls at the Annual Meeting stating that the proxy has been revoked. If you hold shares through a bank or brokerage firm, you must contact that firm to revoke any prior voting instructions. The Company must receive the notice or a new proxy card before the vote is taken at the Annual Meeting.

OUTSTANDING CAPITAL STOCK

The record date for shareholders entitled to notice of, and to vote at, the Annual Meeting is May 1, 2005. At the close of business on that date, there were 10,091,294 outstanding shares of common stock, \$.01 par value ("Common Stock"). No other class of securities of the Company is entitled to notice of, or to vote at, the Annual Meeting.

ACTION TO BE TAKEN AT THE MEETING

The accompanying proxy, unless the shareholder otherwise specifies in the proxy, will be voted:

1. FOR the election of the four Class I director nominees named herein, to serve for a term of two years each (or one year if the proposal to amend the Company's Restated Articles of Incorporation is adopted) or until their respective successors are elected and qualified;

2. FOR the approval of the adoption of a stock award plan for non-employee directors as a successor plan to the 1993 Outside Directors Stock Award Plan that expired in 2003;

3. FOR the approval of the adoption of an incentive stock award plan for employees as a successor plan to the 1993 Employee Stock Award Plan that expired in 2003;

4. FOR the amendment of the Company's Restated Articles of Incorporation to declassify the board of directors; and

5. In the discretion of the proxy holders, as to the transaction of such other business as may properly come before the meeting or any postponements or adjournments thereof.

The Board of Directors is not presently aware of any other business to be brought before the Annual Meeting.

QUORUM AND VOTING

A majority of the outstanding shares entitled to vote at the Annual Meeting, represented in person or by proxy, shall constitute a quorum at the Annual Meeting. If a quorum is not present, in person or by proxy, the meeting may be postponed or adjourned from time to time until a quorum is obtained. Each outstanding share entitled to vote under the provisions of the Company's Restated Articles of Incorporation shall be entitled to one vote on each matter submitted to a vote at the Annual Meeting. Cumulative voting for the election of directors is not permitted. Thus, a shareholder is not entitled to cumulate his votes and cast them all for any single nominee or to spread his votes, so cumulated, among more than one nominee. The election of each nominee as a director requires the affirmative vote of the holders of record of a majority of the outstanding shares entitled to vote on the election of directors and represented in person or by proxy at the Annual Meeting at which a quorum is present.

Shares represented by a shareholder who, or a proxy that, directs that the shares abstain from voting or that a vote be withheld on the election of directors or any other matter, shall be deemed to be represented at the meeting for quorum purposes as to such manner, but shall be treated, and have the same effect, as a vote against the nominees for election as directors or against such other matter, as applicable. Broker non-votes shall be deemed to be represented at the meeting for quorum purposes, but shall be treated, and have the same effect, as a vote against the nominees for election as directors and shall be treated as shares that are not entitled to vote on, and have the effect of neither a vote for nor a vote against, each other matter. Shares as to which voting instructions are given as to at least one of the matters to be voted on shall also be deemed to be so represented. If the proxy states how shares will be voted in the absence of instructions by the shareholder, such shares shall be deemed to be represented at the meeting.

The enclosed proxy, if properly executed and returned, will be voted as directed or stated on the proxy or, in the absence of such direction, for the election of the nominees as directors and each other matter on the proxy. If any other matters properly come before the meeting, the enclosed proxy will be voted by the proxy holders in accordance with their best judgment in their discretion. The Board believes that all the nominees will be available to serve as directors. If any nominee is unable to serve or for good cause will not serve, the Board may recommend a substitute nominee, or the Board may fill the vacancy later. The shares represented by all valid proxies may be voted for the election of a substitute if one is nominated.

PROPOSAL ONE:

ELECTION OF DIRECTORS

The Company's Restated Articles of Incorporation and Bylaws provide that the Board of Directors shall be divided into two Classes. The terms of the four incumbent Class I directors expire at the Annual Meeting. The Board has nominated four candidates for election at the Annual Meeting, two of whom are incumbent Class I directors. If elected, each director nominee shall hold office for a two-year term, subject to the proposed amendment to the Company's Restated Articles of Incorporation, which would change the term as described herein, or until his successor shall have been elected and qualified. Each nominee of the Board has expressed his intention to serve the entire term for which election is sought and has agreed to serve for a term of one year only if the shareholders approve Proposal Four, to declassify the Board. If any nominee is unable or unwilling to serve at the time the election occurs, the proxies may be voted for the election of another nominee to be designated by the Board. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE FOUR NOMINEE DIRECTORS.

On October 20, 2004, the Board of Directors approved a proposal to amend the Company's Restated Articles of Incorporation to delete Section 8.2, the provision that divides the Board into two classes of directors. The amended and substituted Section 8.2 would provide for one class of directors. Under the

amendment, if approved by the shareholders, the four director nominees proposed in this proxy, if elected, will hold office until the 2005 annual meeting of shareholders (expected to be held in December 2005), at which time they, or their successors, would be subject to election as members of a single class of seven directors. Those directors currently referred to as Class II directors, who were elected at the 2003 annual meeting of shareholders to hold office until the 2005 annual meeting of shareholders, will complete their terms at the 2005 annual meeting of shareholders, at which time they, or their successors, would be subject to election as members of a single class of seven directors. Members of the single class, or their successors, would be subject to re-election every year. The proposal to amend the Restated Articles of Incorporation requires the approval of holders of a majority of the shares present in person or represented by proxy and entitled to vote.

If the proposed amendment is not approved by the shareholders, the two classes of directors will continue, and the four Class I nominees, if elected, will serve two-year terms.

Following is the biographical information, as of April 1, 2005, of the four nominee directors, and the three directors whose terms of office will continue after the Annual Meeting, the class to which each director has been or will be elected, and the year in which each director was first elected.

Each director is expected to make reasonable efforts to attend board meetings, meetings of committees of which such director is a member and the Annual Meeting of Shareholders. The Board of Directors intends to comply with the corporate governance guidelines set forth by The Nasdaq Stock Market ("Nasdaq") listing standards and Securities and Exchange Commission ("SEC") rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"). The Board has six committees: an Executive Committee, an Audit Committee, a Compensation Committee, a Finance Committee, a Nominating and Governance Committee and a Strategic Planning Committee. Independent directors meet at least twice annually apart from other Board members and management representatives. Each of the Company's current directors, other than Mr. Clairday, Mr. Page and Mr. Parker, qualify as "independent" in accordance with published Nasdaq listing requirements. On January 4, 2005 the Board appointed Mr. Page as Acting Chief Executive Officer of the Company. Mr. Page served in that capacity until the appointment of Mr. Taft as President and CEO on March 31, 2005. According to published Nasdaq listing requirements during his term as Acting CEO and for a period of three years thereafter, Mr. Page will not qualify as an independent director.

Below is a description of each committee of the Board. Each of the committees has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable laws and regulations regarding "independence" when applicable and that each member is free of any relationship that would interfere with his individual exercise of

independent judgment.

Executive Committee. This committee will consider issues as directed by

the Chairman of the Board. It also may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee or to other persons, and except as otherwise limited by Missouri law.

Audit Committee. The Company has a separately designated standing audit

committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The responsibilities of this committee include reviewing the financial reports and other financial information provided by the Company to any governmental body or the public; the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; the Company's auditing, accounting and financial reporting processes generally; and such other functions as the Board may from time to time assign to the committee. In performing its duties, the committee seeks to maintain an effective working relationship with the Board, the independent accountant and management of the Company. The specific duties and functions of the Audit Committee are set forth in the Audit Committee Charter. The Charter is reviewed annually and updated as necessary to reflect changes in regulatory requirements, authoritative guidelines, and evolving practices.

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent auditor, BDO Seidman LLP, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

Compensation Committee. The primary responsibilities of this committee are

to (a) review and recommend to the Board the compensation of the Chief Executive Officer and other officers of the Company, (b) review executive bonus plan allocations, (c) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, (d) oversee the Company's administration of its equity-based compensation and other benefit plans, and (e) approve grants of stock options to officers and employees of the Company under its stock plans. The Compensation Committee's role includes producing the report on executive compensation required by SEC rules and regulations. The specific duties and functions of the Compensation Committee are set forth in its charter. This charter is reviewed annually and updated as necessary to reflect changes in regulatory requirements, authoritative guidelines and evolving practices.

Finance Committee. The primary responsibilities of this committee are to

(a) monitor present and future capital requirements and opportunities pertaining to the Company's business and (b) review and provide guidance to the Board and management about all proposals concerning major financial policies of the Company. The Finance Committee's role includes designating officers and employees who can execute documents and act on behalf of the Company in the ordinary course of business under previously approved banking, borrowing, and other financing arrangements.

Nominating and Governance Committee. The primary responsibilities of this

committee are to (a) recommend the slate of director nominees for election to the Board, (b) identify and recommend candidates to fill vacancies occurring between annual shareholder meetings and (c) review, evaluate, and recommend changes to the Company's corporate governance practices. The Nominating and Governance Committee's role includes periodic review of the compensation paid to non-employee directors for annual retainers and meeting fees and making recommendations to the Board for any adjustments. The specific responsibilities and functions of the Nominating and Governance Committee are set forth in its Charter.

From time to time the Nominating and Governance Committee reviews the Board to assess the skills and characteristics required of Board members in the context of the current composition of the Board. This assessment includes issues of diversity in numerous factors, understanding of and achievements in the restaurant industry, board service, business, finance, marketing and community involvement. These factors, and any other qualifications considered useful by the Nominating and Governance Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point. As a result, the priorities and emphasis of the Nominating and Governance Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Nominating and Governance Committee has not established

specific minimum criteria or qualifications that a nominee must possess.

Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. In general, candidates for nomination to the Board are suggested by Board members or by employees. In determining the slate of nominees for the 2004 annual meeting, the Nominating and Governance Committee considered a number of candidates recommended by shareholders, directors and others. Mr. Harkey and Mr. Taft were both recommended to the Nominating and Governance Committee for nomination to the Board by non-management directors who are also shareholders, and were nominated as candidates for election to the Board by the Nominating and Governance Committee. In 2004 the Company did not employ a search firm or pay fees to other third parties in connection with seeking or evaluating Board nominee candidates. The Nominating and Governance Committee will consider director candidates recommended by shareholders. The Nominating and Governance Committee evaluates candidates proposed by shareholders using the same criteria as for other candidates. The name of any recommended candidate for director, together with a brief biographical sketch, a document indicating the candidate's willingness to serve if elected and evidence of the nominating person's ownership of Company stock should be sent to the Corporate Secretary of the Company using one of the methods set forth in "Communications from Shareholders to the Board," below.

Strategic Planning Committee. This committee was constituted on April 21,

2004 specifically to work with the Company's senior management to create and implement a strategic plan for the Company. The Strategic Planning Committee and Company management assembled and analyzed data pertaining to the Company's business plan, competitive environment and objectives and other factors relevant to the Company's concepts, products and services, ultimately preparing and recommending plans, timetables, strategies, options and procedures for the Company's long-term growth and success. The Strategic Planning Committee is currently inactive; however, it is subject to reformation from time to time as the Board may deem necessary.

Communications from Shareholders to the Board

The Board recommends that shareholders initiate any communications with the Board in writing and send them in care of the Corporate Secretary. Shareholders can send communications by e-mail to corporate_secretary@pizzainn.com, by fax to

(469) 384-5061 or by mail to Corporate Secretary, Pizza Inn, Inc., 3551 Plano Parkway, The Colony, TX 75056. This centralized process assists the Board in reviewing and responding appropriately to shareholder communications. The names of specific intended Board members should be noted in the communication. The Board has instructed the Corporate Secretary to forward such correspondence only to the intended recipients; however, the Board has also instructed the Corporate Secretary, prior to forwarding any correspondence, to review such correspondence and, in his discretion, not to forward certain items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, that correspondence may be forwarded elsewhere in the Company for review and possible response.

Director Compensation

During fiscal year 2004, each non-employee director received as compensation for serving on the Board and committees of the Board:

An annual retainer of \$17,000;

An annual retainer of \$6,000 for the Chairman of the Board; and

A per meeting fee of \$1,000 for Board meetings and \$250 fee for committee meetings.

While Acting CEO of the Company, Mr. Page received no compensation for serving as a director, except that he, like all directors of the Company, was eligible to receive reimbursement of any expenses incurred in attending Board and committee meetings. Mr. Parker has received the standard director's compensation effective as of December 14, 2004, the day after his last day of employment by the Company. Previously Mr. Parker was not paid for serving as a member of the Board.

Members of the Strategic Planning Committee received a per diem fee of \$500 for each day they were directly engaged in the discharge of committee responsibilities. As of the date of this proxy statement, the Company is withholding Board fees otherwise due to Mr. Clairday and offsetting those amounts against the Advance Foods Debt (defined below), and the Company is actively pursuing with Mr. Clairday alternative methods to pay the Company in full.

In addition to annual and meeting fees, each non-employee director was eligible to receive stock option awards under the 1993 Outside Directors Stock

Award Plan (the "1993 Plan") until the 1993 Plan's expiration on October 13, 2003. Under the 1993 Plan, eligible directors would receive, as of the first day of the Company's fiscal year, options for Common Stock equal to twice the number of shares of Common Stock purchased during the preceding fiscal year or purchased by exercise of previously granted options during the first ten days of the current fiscal year. On the first day of the first fiscal year immediately following the day on which a non-employee director first became eligible to participate in the 1993 Plan, that director would receive options to acquire two shares of Common Stock for each share of Common Stock owned by such director on the first day of the fiscal year. Stock options granted under the 1993 Plan have an exercise price equal to the market price of the Common Stock on the date of grant and are first exercisable one year after grant. For shares of Common Stock purchased during fiscal 2004 or thereafter, each eligible director will be entitled to options for no more than 40,000 shares per fiscal year if the Directors Plan (defined below) is approved.

Since the beginning of fiscal year 2004, stock options for 5,000 shares were granted to Mr. Schwarz pursuant to the 1993 Plan at an exercise price of \$2.15 per share.

Expiration of the 1993 Plan does not affect vesting, exercise or expiration of options previously granted pursuant to such Plan; however, no further options may be granted.

The Board expects to grant stock option awards to non-employee directors beginning in calendar year 2005 if the shareholders approve Proposal Two, "Adoption of a Non-Employee Directors Stock Option Award Plan."

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is currently composed of two independent directors and acts under a written charter adopted and approved by the Board on April 15, 2003. The Audit Committee reviews its Charter on an annual basis. Each of the members is independent as defined by Nasdaq's listing standards and as required by the Sarbanes-Oxley Act. After a full review and analysis, the Board positively reaffirmed that each member is independent within the meaning of Rule 4200(a)(14) of the listing standards of the Nasdaq and the rules and regulations of the SEC, as such requirements are defined as of the mailing date of this proxy statement. The Board annually reviews the Nasdaq listing standards' definition of independence for audit committee members and makes an annual determination of the independence of Audit Committee members.

On January 18, 2005, the Company notified Nasdaq that, due to one vacancy on the Audit Committee that resulted from the resignation of Robert B. Page as a member, the Company failed to comply with the audit committee composition requirements under Marketplace Rule 4350(d)(2)(A), and would be relying on the cure period provided under Marketplace Rule 4350(d)(4). As previously disclosed, Mr. Page resigned in connection with and effective as of his appointment on January 4, 2004 as the Acting Chief Executive Officer of the Company.

On January 18, 2005, the Company received notice from Nasdaq that, consistent with Marketplace Rule 4350(d)(4), the Company will be provided a cure period until the earlier of the Company's next annual shareholders meeting or January 4, 2006 in order to regain compliance with the audit committee requirements and that the Company would be included in a list of non-compliant Nasdaq companies at www.nasdaq.com on or after January 25, 2005. The Company proposes to appoint Mr. Harkey to the Audit Committee, assuming his election as a director at the Annual Meeting, to regain compliance with Nasdaq audit committee requirements. The Company believes that Mr. Harkey will be independent within the meaning of Rule 4200(a)(14) of the Nasdaq listing standards and the rules and regulations of the SEC.

The Board of Directors has determined that at least one member of the Audit Committee, Mr. Phillips, is an "audit committee financial expert," as defined by SEC rules and regulations. This designation results from a disclosure requirement of the SEC related to Mr. Phillips' experience and understanding with respect to certain accounting and auditing matters. The SEC believes this designation does not impose upon Mr. Phillips any duty, obligation or liability that is greater than is generally imposed on him as a member of the Audit Committee and the Board, and that his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duty, obligation or liability of any other member of the Audit Committee or the Board. For an overview of Mr. Phillips' relevant experience, see the section entitled "Continuing Directors" above.

The Audit Committee reviewed and discussed the Company's audited financial statements with management. It also discussed with BDO Seidman LLP the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees", as amended by Statement on Auditing Standards No. 90. In addition, BDO Seidman LLP also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Committee discussed with BDO Seidman LLP that firm's independence.

The Audit Committee is responsible for recommending to the Board that the Company's financial statements be included in the Company's annual report. Based on the discussions with BDO Seidman LLP concerning the audit, the financial statement review, and other such matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that the June 27, 2004 audited financial statements be included in the Company's

In accordance with the rules of the SEC, the foregoing information, which is required by paragraphs (a) and (b) of Regulation S-K Item 306, shall not be deemed to be "soliciting material", or to be "filed" with the SEC or subject to the SEC's Regulation 14A, other than as provided in that Item, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Submitted by the Audit Committee: Ramon D. Phillips, Chairman
Butler E. Powell

FEES PAID TO INDEPENDENT AUDITORS

The Audit Committee has selected BDO Seidman LLP certified public accountants as the independent auditors of the Company for fiscal year 2005. A representative of BDO Seidman LLP will be present at the Annual Meeting, will be available to respond to appropriate questions and will have an opportunity to make a statement.

For fiscal 2004, the Audit Committee selected BDO Seidman LLP to replace PricewaterhouseCoopers LLP, which was the Company's independent auditor for the fiscal year ending June 29, 2003. The decision to change accountants was made by vote of the Audit Committee, and the dismissal of PricewaterhouseCoopers LLP became effective on October 8, 2003. During fiscal years 2002 and 2003, there were no disagreements between the Company's senior management and PricewaterhouseCoopers LLP's senior audit personnel on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure such that would have caused PricewaterhouseCoopers LLP to have made reference to the subject matter of such disagreements in connection with its audit report. The Company does not anticipate that a representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting, nor does it anticipate that any such representative will be available to make a statement or to answer questions.

The following table shows the fees the Company paid or accrued for audit and other services provided by PricewaterhouseCoopers LLP in fiscal 2003 and 2004 and BDO Seidman LLP in fiscal 2004.

	PRICEWATERHOUSECOOPERS		BDO SEIDMAN
	2003	2004	2004
Audit Fees	\$ 129,540	--	\$ 74,718
Audit-Related Fees	\$ 13,656	--	\$ --
Tax Fees	\$ 13,345	\$ 9,300	\$ 950
All Other Fees	\$ 35,579	\$ 12,500	\$ 3,050
Total	\$ 192,120	\$ 21,800	\$ 78,718

Audit Fees. This category represents aggregate fees billed by PricewaterhouseCoopers LLP and BDO Seidman LLP for professional services rendered for the audit of the Company's annual financial statements for the years ended June 29, 2003 and June 27, 2004, respectively, and the reviews of the financial statements included in the Company's Forms 10-Q for those years.

Audit-Related Fees. These fees consist of assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. This category includes fees related to the performance of audits and attest services not required by statute or regulations, audits of the Company's benefits plans and accounting consultations regarding the application of generally accepted accounting principles to proposed transactions.

Tax Fees. These fees consist of fees billed by PricewaterhouseCoopers LLP for fiscal years 2003 and 2004 for tax return preparation and foreign tax analysis, and for a change in tax accounting method, and fees billed by BDO Seidman LLP for tax services during fiscal 2004.

All Other Fees. Fees paid to PricewaterhouseCoopers LLP and BDO Seidman LLP in 2003 and 2004 generally include services pertaining to the question of change of control of the Board and the Company following the election of directors at the Company's 2003 Annual Meeting of Shareholders, consultation on a potential business opportunity and for review by PricewaterhouseCoopers, LLP of the Company's franchise offering circular. Fees paid to PricewaterhouseCoopers LLP in fiscal 2004 also include services related to the transfer of audit-related materials from PricewaterhouseCoopers LLP to BDO Seidman LLP.

In considering and authorizing these payments to the independent auditors

for services unrelated to performance of the audit of the Company's financial statements, the Committee has determined that the cost segregation analysis services, tax return preparation, foreign tax analysis and calculation, review of the Company's franchise offering circular and transfer of materials related to the audit engagement undertaken by the independent auditors are not inconsistent with the independent auditor's performance of the audit and financial statement review functions and are compatible with maintaining the independent auditor's independence.

Policy of the Audit Committee for Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Auditor

The Audit Committee is responsible for appointing, setting compensation for, and overseeing the work of, the independent auditor. In accordance with Audit Committee policy and the requirements of law, all services to be provided by BDO Seidman LLP are pre-approved by the Audit Committee. Pre-approval applies to audit services, audit-related services, tax services and other services. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular defined task or scope of work and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the Audit Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors has been historically comprised of three independent, non-employee directors. On January 4, 2004, Robert B. Page submitted his resignation as a member effective as of and in connection with his appointment as the Company's Acting Chief Executive Officer, leaving the Compensation Committee currently comprised of two members. The Compensation Committee is responsible for establishing the level of compensation of the executive officers of the Company and will be responsible for administering the 2005 Non-Employee Director Stock Option Award Plan and the 2005 Employee Stock Award Plan if approved by the shareholders.

The Compensation Committee and the Board have adopted a charter to conform to the Compensation Committee's responsibilities under the revised Nasdaq standards, new rules adopted by the SEC and the provisions of the Sarbanes-Oxley Act.

Compensation Philosophy and Practice

In its administration and periodic review of executive compensation, the Compensation Committee believes in aligning the interests of the executive officers with those of the Company's shareholders. To accomplish this, the Compensation Committee seeks to structure and maintain a compensation program that is directly and materially linked to operating performance and enhancement of shareholder value.

Tax Deductibility under Section 162(m)

As noted, the Company's compensation policy is primarily based upon the practice of pay-for-performance. Section 162(m) of the Internal Revenue Code imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to the Chief Executive Officer and the other most highly compensated executive officers of the Company. The Compensation Committee currently believes that the Company should be able to continue to manage its executive compensation program for these officers so as to preserve the related federal income tax deductions.

CHIEF EXECUTIVE OFFICER

The compensation of Ronald W. Parker as Chief Executive Officer of the Company was based on his employment agreement, which was entered into on December 16, 2002. Mr. Parker's employment with the Company was terminated for cause on December 13, 2004.

Mr. Parker's employment agreement had been approved by the then members of the Board of Directors of the Company and the Compensation Committee as constituted on December 16, 2002. The employment agreement provided for a term through December 31, 2007. Under his employment agreement, Mr. Parker's compensation was to be determined by the Compensation Committee, the Board or the Stock Award Plan Committee (whose function has been assumed by the Compensation Committee), based on the recommendations of the Compensation Committee. The Compensation Committee's recommendations with respect to Mr. Parker's compensation, however, were subject to other provisions in his employment agreement, including the provisions that provided that Mr. Parker's total annual compensation could not be reduced to less than an annual salary of \$550,000 and a mandatory minimum annual bonus equal to \$275,000. Additionally, Mr. Parker was entitled to receive under his employment agreement certain defined benefits, which, in fiscal 2004, totaled approximately \$176,084. The bonus program established in Mr. Parker's employment agreement was based on the Company's performance in the areas of revenue growth, net income, new store openings, store sales, Company stock price, store closings and Company expenses, subject to payment of the minimum bonus described above.

The Compensation Committee that was comprised of Messrs. Pully (Chairman), Page and Phillips reviewed the compensation of Mr. Parker and evaluated Mr. Parker's compensation by comparing it to the compensation of chief executive officers in the restaurant industry and by considering the Company's current structure and performance, among other things. As a result of this review, the Compensation Committee believes that the total amount of Mr. Parker's compensation was well in excess of the compensation of chief executive officers

at comparable companies and also excessive based upon the Company's performance for the last completed fiscal year. The Compensation Committee also believes that the compensation of the Chief Executive Officer, as well as other officers and employees of the Company, should be more directly tied to individual performance and the performance of the Company.

The Executive Committee and the Compensation Committee authorized payment to Mr. Page of an annualized salary of \$250,000 for his services as Acting Chief Executive Officer. Mr. Page was the Acting Chief Executive Officer from January 4, 2005 through March 31, 2005. Mr. Page did not have an employment contract. In establishing Mr. Page's compensation, the Compensation Committee and Executive Committee considered Mr. Page's qualifications and experience, compensation of chief executives at similar companies in the quick serve and casual dining restaurant segments and the nature and complexity of the issues to be encountered by Mr. Page during his term as Acting Chief Executive Officer. Mr. Page was not paid a bonus.

On March 31, 2005, the Company and Timothy P. Taft entered into an Executive Compensation Agreement approved by the Executive Committee and the Compensation Committee. The agreement provides for a term through March 31, 2007, with a salary in the first 12 months of \$1.00. Mr. Taft's bonuses, benefits and salary in the second 12 months of the agreement are established by the Compensation Committee or the Board, subject to certain minimum amounts. Mr. Taft was also granted 500,000 options to acquire shares of Common Stock. See "Executive Employment Contracts" below for more detail.

In structuring Mr. Taft's employment agreement, the Compensation Committee and Executive Committee sought to offer a competitive and fair compensation package tied to Mr. Taft's experience and qualifications while also aligning his interests with those of the Company's shareholders. A significant portion of Mr. Taft's compensation is materially and directly linked to Company performance as a result of the granting of options to him. The options vest in increments from 2005 through 2008. The Compensation Committee believes that Mr. Taft's salary in the second 12 months, bonus amounts and benefits are comparable to those offered to chief executive officers at similar companies in the quick serve and casual dining restaurant segments.

OTHER EXECUTIVE OFFICERS

Subject to existing employment agreements, salaries of the other executive officers are reviewed annually and adjusted based on competitive practices, changes in level of responsibilities and individual performance measured against goals.

STOCK OPTIONS

The Company established the 1993 Employee Stock Award Plan ("Employee Option Plan") for the purpose of aligning employee and shareholder interests. Under the Employee Option Plan, stock options were granted from time to time to certain executive officers, as well as other employees, based upon their relative positions and responsibilities, as well as historical and expected contributions to Company growth. During fiscal years 2003 and 2004, the Company did not grant stock options to employees.

The term of the Employee Option Plan expired on October 13, 2003. Expiration does not affect vesting, exercise or expiration of options previously granted pursuant to the Plan. Upon expiration of the Employee Option Plan no further option grants can be made.

On March 31, 2005, the Company and Mr. Taft entered into a Non-Qualified Stock Option Award Agreement as a part of Mr. Taft's employment agreement, pursuant to which Mr. Taft was awarded options for 500,000 shares of Common Stock at an exercise price of \$2.50 per share.

The Board expects to grant additional stock option awards to eligible employees beginning in calendar year 2005 if the shareholders approve Proposal Three "Adoption of an Employee Stock Option Award Plan."

EXECUTIVE EMPLOYMENT CONTRACTS

Ronald W. Parker, Ward T. Olgreen and Shawn M. Preator each entered into an employment agreement with the Company on December 16, 2002. The agreements provided for terms extending through December 31, 2007 for Mr. Parker and December 31, 2005 for Mr. Olgreen and Mr. Preator, and provided that the respective executive's compensation be determined each year by the Compensation Committee subject to certain minimum amounts. The agreements also provided that each executive may be terminated with or without cause.

Mr. Parker's agreement provided that his compensation would be determined each year by the Compensation Committee, the Board or the Stock Award Plan Committee, provided that he would receive an annual salary of not less than his then current salary of \$550,000 and a bonus of not less than \$275,000, based

upon certain criteria defined in the agreement. The agreement also provided that Mr. Parker could terminate the agreement within 12 months of a "change of control" of the Company, as defined in the agreement, and that he could be terminated with or without cause. Mr. Parker's employment was terminated for cause by the Board on December 13, 2004.

On April 22, 2005, Mr. Preator and Mr. Olgreen each entered into an Executive Compensation Agreement with the Company, replacing the employment agreements executed on December 16, 2002. The agreements executed on April 22, 2005 each provided for a term through December 31, 2005. Mr. Preator's agreement provides for salary of not less than his current salary of \$150,000 and a bonus of not less than \$30,000. Mr. Olgreen's agreement provides for salary of not less than his current salary of \$168,000 and a bonus of not less than \$33,600. Under the agreements each executive may be terminated with or without cause and each executive may terminate his employment for any reason or no reason at all.

Under the agreements executed on April 22, 2005, if the Company terminates Mr. Olgreen's or Mr. Preator's employment without cause, he will be entitled to a lump sum payment equal to six months of the executive's then current annual salary plus a lump sum payment equal to any unpaid bonus the respective executive would have been entitled to receive had he worked through December 31, 2005. Upon such a termination each would receive for a period of six months following the date of termination of employment, all of the medical, life insurance and other benefits then currently provided to the respective executive, and a lump sum payment of the value of any accrued vacation days and any unpaid "extra days" as defined in the Company's employee policy manual, that the executive would have been entitled to receive if the executive had worked through December 31, 2005. If the Company terminates Mr. Olgreen or Mr. Preator for cause the Company shall pay the respective executive salary plus accrued bonus, accrued vacation days and any unpaid "extra days" due to the executive through the date of termination. If Mr. Preator or Mr. Olgreen terminates his employment with or without any reason through December 31, 2005, the Company will pay to the executive a lump sum payment equal to six months of the executive's then current annual salary plus a lump sum payment equal to any unpaid bonus the executive would have been entitled to receive had he worked through December 31, 2005. Upon such a termination each would also receive a lump sum payment of the value of any accrued vacation days and any unpaid "extra days" as defined in the Company's employee policy manual, that the executive would have been entitled to receive if the executive had worked through December 31, 2005.

Timothy P. Taft entered into an employment agreement with the Company on March 31, 2005. The agreement is for a term that currently extends through March 31, 2007, and provides for a salary in the first 12 months of \$1.00. Salary in the second 12 months is determined by the Board, subject to a minimum amount of \$300,000, and bonuses are determined by the Board, subject in the second 12 months to a minimum amount of \$200,000. The agreement also provides for a grant of 500,000 non-qualified stock options, with 50,000 of such options vesting immediately and the remainder vesting over three years. Mr. Taft may be terminated with or without cause, with the definition of cause including, but not limited to, breach of a monetary obligation to the Company, violation of the compensation agreement, fraud against the Company and failure to substantially perform required duties, each as described in the agreement.

If the Company terminates Mr. Taft's employment for cause, or if Mr. Taft terminates his employment voluntarily, he will be entitled to a payment in the amount of any unpaid salary accrued through the date of termination, any unreimbursed expenses properly incurred prior to the date of termination and rights granted to him under any executive benefit plan. If the Company terminates Mr. Taft's employment without cause, he will be entitled to payment of the amounts described above, and, either (a) during the first 12 months of the agreement an amount equal to \$25,000 for each full month he has been employed or (b) commencing on the first anniversary of his employment, an amount equal to 12 months of his then base salary. If the Company terminates Mr. Taft's employment within six months of a change of control he will be entitled to receive payment of all amounts payable under the agreement for termination or resignation with or without cause, plus all then unvested stock options will become immediately exercisable and remain exercisable for 90 days following the date of termination of employment. Mr. Taft may terminate his agreement at any time within six months after a "change of control" of the Company occurs or following a change of control for "good reason", as those terms are defined in the agreement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On October 6, 1999, the Company loaned Ronald W. Parker, the Company's then President and Chief Operating Officer, approximately \$560,000 to acquire 200,000 shares of Common Stock through the exercise of vested stock options previously granted to him by the Company. On July 7, 2000, the Company loaned Mr. Parker approximately \$302,000 to acquire an additional 200,000 shares of Common Stock through the exercise of vested stock options previously granted to him by the Company. The interest rate on the loans was the same floating interest rate the Company was paying on its credit facility with Wells Fargo. As collateral for the loans, Mr. Parker granted the Company (i) a first lien on 100,000 previously

purchased shares of Common Stock and certain real property, and (ii) a second lien on certain additional real property. After the July 7, 2000 loan, the principal amount outstanding was approximately \$862,000. The Board of Directors approved each loan, with the specific terms and collateral being approved by the Compensation Committee.

On October 30, 2000, Mr. Parker paid the Company approximately \$165,000 of the principal amount of the loans, and on June 10, 2004 Mr. Parker paid the remaining principal balance and accrued interest in full. The Company has released all liens on the shares of common stock and the real property pledged by Mr. Parker as collateral for the loans. The Company currently has no outstanding loans to its officers or directors.

Bobby L. Clairday is President and sole shareholder of Clairday Food Services, Inc. and is sole shareholder of Advance Food Services, Inc., both of which are franchisees of the Company. Mr. Clairday also holds area development rights in his own name. Mr. Clairday currently operates 11 restaurants in Arkansas, either individually or through the corporations noted above. As franchisees, the two corporations purchase a majority of their food and other supplies from the Company's distribution division. In fiscal year 2004, purchases by these franchisees made up 4.4% of the Company's food and supply sales. Royalty payments by Mr. Clairday and such franchisees were 3.2% of the Company's royalty revenues, and license fees and area development fees from Mr. Clairday and such franchisees made up 6.3% of the Company's franchise revenues.

As of October 1, 2004 Advance Food Services, Inc. and Clairday Food Services, Inc. collectively owed the Company approximately \$946,329, primarily for royalties and purchases of products from the Company's distribution division ("Clairday Debt"). Of the total amount of the Clairday Debt outstanding on that date, approximately \$556,434 represents normal and customary 30-day purchase and payment cycles for these franchisees. The balance of the Clairday Debt, approximately \$335,318, represents amounts incurred by Advance Foods, Inc. during a period in 1996 and 1997 following Mr. Clairday's sale of that company to unrelated third parties and prior to his reacquisition of the company in 1997 ("Advance Foods Debt"). The Company carries the Advance Foods Debt on its books as past due trade receivables, with no interest accrual. Mr. Clairday has made limited payments toward reduction of the Advance Foods Debt, and the Company has on occasion set off certain payments due Mr. Clairday or Advance Foods, Inc. against the Advance Foods Debt, reducing the balance owed. The last payment made by Mr. Clairday toward the Advance Foods Debt was \$5,232 in June 2000, and the last set-off applied by the Company against the Advance Foods Debt was \$1,167 in April 2001. No payment or set off was applied during fiscal 2004. At June 27, 2004, the amount of the Advance Foods Debt was \$335,318. As of the date of this proxy statement, the Company is withholding Board fees otherwise due to Mr. Clairday and offsetting those amounts against the Advance Foods Debt, and the Company is actively pursuing with Mr. Clairday alternative methods to pay the Company in full.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 ("Act") requires the Company's executive officers and directors and the persons who own more than ten percent of the Common Stock to file initial reports of ownership of Common Stock and reports of changes of ownership with the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. and to furnish the Company with copies of such reports. The Company believes that, during the preceding fiscal year and prior fiscal years, all of the Company's executive officers, directors and holders of more than 10% of Common Stock timely filed all reports required by Section 16(a) of the Act, except as previously disclosed and except for the following filings made on behalf of the following directors: For Mr. Schwarz, a Form 4 Statement of Changes in Beneficial Ownership of Securities reflecting the purchase of 7,500 shares of Common Stock on June 30, 2003 was not timely filed. A filing was made on July 14, 2003. For Mr. Phillips, a Form 4 Statement of Changes in Beneficial Ownership of Securities reflecting the sale of 5,290 shares of Common Stock on April 2, 2004 was not timely filed. A filing was made on April 13, 2004.

PROPOSAL TWO:

ADOPTION OF NON-EMPLOYEE DIRECTORS STOCK OPTION AWARD PLAN

There will be presented to the meeting a proposal to adopt the 2005 Non-Employee Directors Stock Option Award Plan (the "Directors Plan"). The Directors Plan will replace the 1993 Outside Directors Stock Award Plan, which expired by its terms on October 13, 2003. The Board believes that an equity-based incentive plan is an integral component of an attractive compensation program that will attract, retain and reward qualified non-employee directors, to the benefit of the Company and its shareholders. The Board has approved the Directors Plan and directed that it be submitted to the shareholders for approval. The proposal to approve the Directors Plan requires the approval of holders of a majority of the shares present in person or represented by proxy and entitled to vote.

Description of the Proposed Directors Plan

Administration. The Directors Plan is administered by the Compensation Committee, which is comprised of two directors who are not employed by the Company and who satisfy the "independence" requirements under rules issued by Nasdaq.

Eligibility. All non-employee directors of the Company ("Non-Employee Directors") are eligible to participate in the Directors Plan. A Non-Employee Director is a member of the Company's Board of Directors who is not an employee of the Company.

Shares Subject to the Directors Plan. The total number of shares of Common Stock that may be issued to Non-Employee Directors under the Directors Plan shall not exceed 500,000, subject to adjustment as provided in the Directors Plan. Awards granted under the Directors Plan that expire or terminate without being exercised may be regranted.

Awards and Limitations. Under the Directors Plan, unless and until the Compensation Committee determines otherwise and in addition to any other award that may be granted to the Non-Employee Directors, an option to acquire two shares of Common Stock shall be granted to each Non-Employee Director on the first day of each fiscal year for each share of Common Stock purchased by such Non-Employee Director during each preceding fiscal year, with up to a maximum award of 40,000 options.

Exercise Price. The exercise price for any option granted under the Directors Plan may not be less than the fair market value of the Common Stock on the date of grant. Fair market value is defined in the Directors Plan as the closing price for the Common Stock on Nasdaq on the date of the option award. The fair market value of the Common Stock was \$2.75 on April 1, 2005.

Terms of Option Awards. For all awards under the Directors Plan, the minimum vesting period is six months after grant and the maximum exercise period is ten years after grant. Payment for shares purchased pursuant to exercise of an option award must be made at the time of exercise in cash or other payment method approved by the Compensation Committee.

Term of the Directors Plan. The Directors Plan terminates ten years from the date of approval by the Company's shareholders, or such earlier date as the Board may determine and no awards may be granted thereafter.

Option Exercise and Transfer. Awards granted pursuant to the Directors Plan may not be transferred other than as provided in the Directors Plan and may only be exercised by the participant, or, in the event of his death, by his heirs or estate. Upon the death (or permanent disability) of a participant while serving as a Non-Employee Director, any outstanding unvested award (other than any unvested award that the participant would have been able to exercise within the following 12 months if no termination of service had occurred) is immediately forfeited and any outstanding unvested award that the participant would have been able to exercise within the following 12 months if no termination of service had occurred and any outstanding unexercised vested award may be exercised by the participant's heirs, estate or guardian within 12 months following the participant's death (or commencement of such disability), after which any unexercised option award terminates. If a Non-Employee Director's service as a member of the Board terminates for any reason other than death or disability, all unvested and all unexercised vested option awards terminate; however, the Compensation Committee may allow 30 days within which to exercise vested options. In the event of a "change of control" of the Company, as defined in the Directors Plan, all outstanding option awards will become immediately vested and exercisable.

Plan Amendment and Modification. The Board may amend or terminate the Directors Plan, subject to certain restrictions in the Directors Plan. For example, shareholder approval is required for any amendment that would increase the total number of shares as to which awards may be granted under the Directors Plan or modify the class of persons eligible to receive awards or otherwise require shareholder approval under applicable law or regulation. In addition, neither the Board nor the Compensation Committee may amend the Directors Plan regarding the amount, pricing and timing of awards other than to comply with changes in the Internal Revenue Code, the Employment Retirement Income Security Act of 1974, or the rules thereunder. Modification, or amendment of the Directors Plan may not, without the consent of a participant, affect his or her rights under a previously granted award. The Directors Plan provides for automatic adjustments to prevent dilution or enlargement of the participant's rights in the event of a stock split, stock dividend or similar transaction. No adjustments or reduction of the exercise price of any outstanding award may be made in the event of a decline in the price of the Common Stock, either by reducing the exercise price of outstanding awards or by canceling outstanding awards in connection with regranting incentives at a lower price to the same participant.

Federal Income Tax Consequences Under the Directors Plan. The only awards that may be granted under the Directors Plan are nonqualified options. The following is a brief summary of certain federal income tax consequences relating

to the transactions described under the Directors Plan as set forth below. This summary does not purport to address all aspects of federal income taxation and does not describe state, local or foreign tax consequences. This discussion is based upon provisions of the Internal Revenue Code of 1986, as amended (the "Code") and the treasury regulations issued thereunder (the "Treasury Regulations"), and judicial and administrative interpretations under the Code and Treasury Regulations, all as in effect as of the date hereof, and all of which are subject to change (possibly on a retroactive basis) or different interpretation.

Nonqualified Stock Options. Nonqualified stock option awards granted under the Directors Plan do not qualify as "incentive stock options" and will not qualify for any special tax benefits to the participant. A participant generally will not recognize any taxable income at the time the nonqualified option award is granted. However, upon its exercise, the participant will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the Common Stock over the exercise price.

A participant's basis for determination of gain or loss upon the subsequent disposition of Common Stock acquired upon the exercise of a nonqualified option award will be the amount paid for such Common Stock plus any ordinary income recognized as a result of the exercise of such option award. Upon disposition of any Common Stock acquired pursuant to the exercise of a nonqualified option award, the difference between the sale price and the participant's basis in the Common Stock will be treated as short-term or long-term capital gain or loss, depending on how long the participant has held the Common Stock.

In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of a nonqualified option award or a sale of disposition of the Common Stock acquired upon the exercise of a nonqualified option award. However, upon the exercise of a nonqualified option award, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that a participant is required to recognize as a result of the exercise, provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an "excess parachute payment" within the meaning of Section 280G of the Code and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Code.

Withholding. Any ordinary income realized by the participant upon the exercise of a nonqualified option award is subject to withholding of federal, state and local income tax and to withholding of the Participant's share of tax under the Federal Insurance Contribution Act ("FICA") and the Federal Unemployment Tax Act ("FUTA").

To satisfy federal, state and local income tax withholding requirements, the Company will require that the participant remit to the Company an amount sufficient to satisfy the withholding requirements.

Withholding does not represent an increase in the participant's total income tax obligation, since it is fully credited toward his or her tax liability for the year. Additionally, withholding does not affect the participant's basis in any Common Stock. Compensation income realized and tax withheld will be reflected on Forms W-2 supplied by the Company to employees by January 31 of the succeeding year.

New Plan Benefits. The following table sets forth information, as of April 1, 2005, concerning the benefits or amounts that will be received by or allocated to the non-employee directors and all non-employee directors as a group under the Directors Plan, to the extent such benefits or amounts are determinable as of April 1, 2005:

NAME AND POSITION	NUMBER OF UNITS(1)	DOLLAR VALUE(4)
-----	-----	-----
Mark E. Schwarz, Director	25,000(2)	0
Steven J. Pully, Director	17,858(3)	0

(1) The awards under the Directors Plan and the shares underlying any such award may be subject to certain vesting, exercise, acceleration and/or other rights, restrictions and conditions, at various exercise prices, in each case, as determined by the Compensation Committee.

(2) On November 3, 2004, the Compensation Committee awarded Mark E. Schwarz an option to purchase 25,000 shares of Common Stock at an exercise price of \$2.85 per share under the terms of the 2005 Directors Plan as a result of Mr. Schwarz's purchase of 12,500 shares of Common Stock in the open market in the fiscal year ended June 27, 2004. The option will vest on November 3, 2005 and will expire on November 3, 2010. The fair market value of the Common Stock was \$2.75 on April 1, 2005.

(3) On November 3, 2004, the Compensation Committee awarded Steven J. Pully an option to purchase 17,858 shares of Common Stock at an exercise price of \$2.85 under the terms of the 2005 Directors Plan as a result of Mr. Pully's

purchase of 8,929 shares of Common Stock in the open market in the fiscal year ended June 27, 2004. The option will vest on November 3, 2005 and will expire on November 3, 2010. The fair market value of the Common Stock was \$2.75 on April 1, 2005.

(4) For purposes of determining values for this proxy statement for the proposed option grants, the dollar value is calculated as of April 1, 2005, a date selected only as being a recent reasonably practicable date. The dollar values shown reflect the differences between the value of the options at the exercise price of \$2.85 and the \$2.75 market value of the options at the closing price for the Common Stock on April 1, 2005.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE THE DIRECTORS PLAN.

PROPOSAL THREE:

APPROVAL OF AN EMPLOYEE STOCK OPTION AWARD PLAN

There will be presented to the meeting a proposal to adopt the 2005 Employee Stock Option Award Plan (the "Employee Plan"). The Employee Plan will replace the 1993 Employee Stock Award Plan, which expired by its terms on October 13, 2003. The Board believes that an equity-based incentive plan can be an integral component of an attractive compensation program that will attract, retain and reward qualified employees to the benefit of the Company and its shareholders. The Board has approved the Employee Plan and directed that it be submitted to the shareholders for approval. The proposal to approve the Employee Plan requires the approval of holders of a majority of the shares present in person or represented by proxy and entitled to vote.

Description of the Proposed Employee Plan

Administration. The Employee Plan is administered by the Compensation Committee, which is comprised of two directors who are not employed by the Company, who are not eligible to receive awards under the Employee Plan and who satisfy the "independence" requirements under rules issued by Nasdaq.

Eligibility. All full-time employees of the Company or any subsidiary or affiliate of the Company who are not on probationary status ("Employees" or "Participants") are eligible to participate in the Employee Plan. As of May 1, 2005, there were approximately 150 individuals eligible to participate in the Employee Plan.

Shares Subject to the Employee Plan. The total number of shares of Common Stock that may be issued or transferred to Employees under the Employee Plan shall not exceed 1,000,000, subject to adjustment as provided in the Employee Plan. Awards granted under the Employee Plan that expire or terminate without being exercised may be regranted.

Exercise Price. The exercise price for any option granted under the Employee Plan may not be less than the fair market value of the Common Stock on the date of grant. Fair market value is defined in the Employee Plan as the closing price for the Common Stock on Nasdaq on the date of the option award. The fair market value of the Common Stock was \$2.75 on April 1, 2005.

Terms of Option Awards. For all awards under the Employee Plan, the minimum vesting period and the maximum exercise period will be determined for each option grant by the Compensation Committee. Payment for shares purchased pursuant to exercise of an option award must be made at the time of exercise in cash or other payment method approved by the Compensation Committee.

Term of the Employee Plan. The Employee Plan terminates ten years from the date of approval by the Company's shareholders or such other date as the Board may determine, and no awards may be granted thereafter.

Option Exercise and Transfer. Awards granted pursuant to the Employee Plan may not be transferred other than as provided in the Employee Plan and may only be exercised by the participant, or, in the event of his death, by his heirs or estate. Upon the death (or permanent disability) of an Employee, any unvested award (other than any unvested award that the participant would have been able to exercise within the following 12 months if no termination of service had occurred) is immediately forfeited and any unvested award that the participant would have been able to exercise within the following 12 months if no termination of service had occurred and any outstanding unexercised vested award may be exercised by the participant's heirs, estate or guardian within 12 months following the participant's death (or commencement of such disability), after which any unexercised option award terminates. If an Employee's employment terminates for any reason other than death or disability, all unvested and all exercised vested option awards terminate, but under certain circumstances the Employee may have thirty (30) days within which to exercise vested options. In the event of a "change of control" of the Company, as defined in the Employee Plan, all outstanding option awards will become immediately vested and exercisable.

Plan Amendment and Modification. The Board may amend or terminate the Employee Plan, subject to certain restrictions in the Employee Plan. For example, shareholder approval is required for any amendment that would: (i) increase the total number of shares as to which awards may be granted under the Employee Plan, (ii) modify the class of persons eligible to receive awards, or (iii) otherwise require shareholder approval under applicable law or regulation. In addition, neither the Board nor the Committee may amend the Employee Plan regarding the amount, pricing and timing of awards other than to comply with changes in the Internal Revenue Code, the Employment Retirement Income Security Act of 1974, or the rules thereunder. Modification, or amendment of the Employee Plan may not, without the consent of a participant, affect his or her rights under a previously granted award. The Employee Plan provides for automatic adjustments to prevent dilution or enlargement of the Participant's rights in the event of a stock split, stock dividend, or similar transaction. No adjustments or reduction of the exercise price of any outstanding award may be made in the event of a decline in the price of the Common Stock, either by reducing the exercise price of outstanding awards or by canceling outstanding awards in connection with regranting incentives at a lower price to the same Participant.

Federal Income Tax Consequences Under the Employee Plan. Option awards under the Employee Plan are treated as incentive options ("ISO") or nonqualified options. The following is a brief summary of certain federal income tax consequences relating to the transactions described under the Employee Plan as set forth below. This summary does not purport to address all aspects of federal income taxation and does not describe state, local or foreign tax consequences. This discussion is based upon provisions of the Code and the Treasury Regulations, and judicial and administrative interpretations under the Code and Treasury Regulations, all as in effect as of the date hereof, and all of which are subject to change (possibly on a retroactive basis) or different interpretation.

Incentive Stock Options. The grant of an ISO does not result in recognizable income for the grantee. The exercise of an ISO would not result in recognizable income for the grantee if the grantee (i) does not dispose of the Common Stock within two (2) years after the date of grant or one (1) year after the transfer of Common Stock upon exercise (the "holding periods"), and (ii) is an employee of the Company from the date of grant and through and until three (3) months before the exercise date. If these requirements are met, the basis of the Common Stock upon later disposition would be the option price. Any gain will be taxed to the Participant as long-term capital gain. However, to the extent that the fair market value (determined as of the date of grant) of the Common Stock with respect to which the Participant's ISOs are exercisable for the first time during any year exceeds \$100,000, the ISOs for the Common Stock over \$100,000 will be treated as nonqualified options, and not ISOs, for federal tax purposes, and the Participant will recognize income as if the ISOs were nonqualified options.

The excess of the market value on the exercise date over the option price may be deemed as a tax preference for purposes of the alternative minimum tax, which may produce significant tax repercussions depending upon the Participant's particular tax status.

If the Participant disposes of the Common Stock prior to the expiration of either of the holding periods, and the amount received for the Common Stock is greater than the fair market value of the Common Stock on the exercise date, then the difference between the ISO's exercise price and the fair market value of the Common Stock at the time of exercise will be treated as ordinary income for the tax year in which the disposition occurs. The Participant's basis in the Common Stock will be increased by an amount equal to the amount treated as ordinary income as a result of the disposition. Any gain in excess of the increased basis in the Common Stock would be taxable as long-term or short-term capital gain. However, if the price received for Common Stock acquired by exercise of an ISO is less than the fair market value of the Common Stock on the exercise date and the disposition is a transaction in which the Participant sustains a loss which otherwise would be recognizable under the Code, then the amount of ordinary income that the Participant will recognize is the excess, if any, of the amount realized on the disposition of the Common Stock over the basis of the Common Stock.

In general, there will be no federal income tax deduction allowed to the Company upon the grant of an ISO, and the Company will be entitled to a deduction to the extent a Participant recognizes ordinary income in the circumstances described above, provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an "excess parachute payment" within the meaning of Section 280G of the Code and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Code.

Nonqualified Stock Options. Nonqualified stock option awards granted under the Employee Plan do not qualify as "incentive stock options" and will not qualify for any special tax benefits to the Participant. A Participant generally will not recognize any taxable income at the time the nonqualified option award is granted. However, upon its exercise, the Participant will recognize ordinary income for federal tax purposes measured by the excess of the

then fair market value of the Common Stock over the exercise price.

A Participant's basis for determination of gain or loss upon the subsequent disposition of Common Stock acquired upon the exercise of a nonqualified option award will be the amount paid for such Common Stock plus any ordinary income recognized as a result of the exercise of such option award. Upon disposition of any Common Stock acquired pursuant to the exercise of a nonqualified option award, the difference between the sale price and the Participant's basis in the Common Stock will be treated as short-term or long-term capital gain or loss, depending on how long the Participant has held the Common Stock.

In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of a nonqualified option award or a sale of disposition of the Common Stock acquired upon the exercise of a nonqualified option award. However, upon the exercise of a nonqualified option award, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that a Participant is required to recognize as a result of the exercise, provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an "excess parachute payment" within the meaning of Section 280G of the Code and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Code.

Withholding. Any ordinary income realized by the Participant upon the exercise of an ISO or nonqualified option award is subject to withholding of federal, state and local income tax and to withholding of the Participant's share of tax under FICA and FUTA.

To satisfy federal, state and local income tax withholding requirements, the Company will require that the Participant remit to the Company an amount sufficient to satisfy the withholding requirements.

Withholding does not represent an increase in the Participant's total income tax obligation, since it is fully credited toward his or her tax liability for the year. Additionally, withholding does not affect the Participant's basis in any Common Stock. Compensation income realized and tax withheld will be reflected on Forms W-2 supplied by the Company to employees by January 31 of the succeeding year.

Special Withholding Rules for Incentive Options Exercised During the Holding Period. According to Internal Revenue Service ("IRS") Notice 2002-47, 2002-28 I.R.B. 97, the IRS' current position is that it will not (1) assess FICA or FUTA taxes upon the exercise of an ISO or the disposition of stock acquired by an employee pursuant to the exercise of an ISO, and (2) will not treat the exercise of an ISO, or the disposition of stock acquired by an employee pursuant to the exercise of an ISO, as subject to federal income tax withholding. However, to the extent that a Participant recognizes ordinary income due to the sale of Common Stock acquired by the exercise of an ISO, the Participant still must include compensation in income relating to the disposition of Common Stock acquired by the exercise of an ISO. In addition, we must report on Form W-2 any payment to an employee (or former employee) that is at least \$600 in a calendar year, even if the payment is not subject to federal income tax withholding.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE THE EMPLOYEE PLAN.

PROPOSAL FOUR:

APPROVAL OF AN AMENDMENT TO THE COMPANY'S RESTATED ARTICLES OF INCORPORATION TO DECLASSIFY THE BOARD OF DIRECTORS

On October 20, 2004, the Board of Directors approved a proposal to amend the Company's Restated Articles of Incorporation to delete Section 8.2, which currently provides that the Board be divided into two classes of Directors, Class I and Class II, with each class elected for a term expiring at the annual meeting of the Company's shareholders held in the second year following their election. The amended and substituted Section 8.2 would provide for one class of Directors beginning with the slate of Directors proposed to the shareholders at the annual meeting of the Company's shareholders in 2005. Members of the single class would be subject to re-election every year. The proposal to amend the Restated Articles of Incorporation requires the approval of holders of a majority of the shares present in person or represented by proxy and entitled to vote. The text of the existing and proposed versions of Section 8.2 is set forth below.

Current Section 8.2 of the Company's Restated Articles of Incorporation.

8.2 The directors shall be divided into two (2) classes with respect to the time for which they severally hold office, designated Class I and Class II. Class I shall be composed of four (4) directors who shall hold office until the 1994 Annual meeting and until their respective successors shall be elected and shall qualify. Class II shall be composed of three (3) directors (the initial

members of this class being designated in the Plan), who shall hold office until the annual meeting of the shareholders in 1993 and until their respective successors shall be elected and shall qualify. Upon expiration of the initial terms of the office of directors as classified above, their successors shall be elected for a term expiring at the annual meeting of the Corporation's shareholders held in the second year following the year of their election. Any director elected to fill any vacancy on the Board of Directors shall hold office for the remainder of the full term of the class of directors in which such vacancy occurs.

Section 8.2 as amended to reflect the changes discussed above in Proposal

Four.

8.2 Beginning with the Company's 2004 annual meeting of shareholders, if the shareholders vote to amend the Restated Articles to so provide, there shall be one (1) class of directors, who shall be elected annually. Those directors currently referred to as Class I Directors, who are nominated for election at the 2004 annual meeting of shareholders, if elected, will hold office until the 2005 annual meeting of shareholders, at which time they, or their successors, must be nominated for election as members of a single class of directors. Those directors currently referred to as Class II Directors, who were elected at the 2003 annual meeting of shareholders to hold office until the 2005 annual meeting of shareholders, will complete their terms at the 2005 annual meeting of shareholders, at which time they, or their successors, must be nominated for election as members of a single class of directors. Any director elected to fill any vacancy on the Board of Directors shall hold office for the remainder of the full term of the director whose position such newly elected director fills.

If Proposal Four is not approved by the shareholders, directors will continue to be elected by class, with the members of each class holding office for a term to expire at the annual meeting of the Company's shareholders held in the second year following the year of their election.

Background. Classified boards of directors have been widely adopted by companies and have a long history in corporate law. Proponents of classified boards assert that they promote the independence of directors in that directors elected for multi-year terms are less subject to outside influence. Proponents of classified boards also believe that they provide continuity and stability in the management of the business and affairs of a company since a majority of the directors will have prior experience as directors of the company. Proponents further assert that classified boards may enhance stockholder value by motivating an entity seeking control of a target company with a classified board to initiate arms-length discussions with the board of the target company because the entity would be unable to replace the entire board in a single election.

Some investors have, however, come to view classified boards as having the effect of insulating directors from accountability to a company's shareholders. A classified board, for example, limits the ability of stockholders to elect all directors on an annual basis and thereby exercise influence over a company, and may discourage proxy contests in which shareholders have an opportunity to vote for a competing slate of director nominees. The election of directors is the primary means for shareholders to influence the business and affairs of a company and to hold directors accountable for implementation of policies.

Management and the Board of Directors agree that one class of directors to be annually elected is consistent with good governance practices and provides greater accountability of the Board to the Company's shareholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE THIS AMENDMENT TO THE RESTATED ARTICLES OF INCORPORATION.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Our non-employee directors may benefit from the Directors Plan as non-employee directors may be eligible to participate in the Directors Plan and may receive benefits and awards under the Directors Plan. Certain non-employee directors have already received awards under the Directors Plan that are subject to shareholder approval of the Directors Plan. These awards are described in this Proxy Statement under the caption "New Plan Benefits" in Proposal Two. Our employees, including our employee directors, our executive officers and their associates, may have a substantial interest in, and may benefit from, the Employee Plan as such persons may be eligible to participate in the Employee Plan and may receive benefits and awards under the Employee Plan.

The Board of Directors, in approving the Directors Plan and the Employee Plan, may have different and/or conflicting interests than or with the shareholders of the Company. In addition, the Board of Directors, management and employees of the Company, and shareholders affiliated with the Company may have different and/or conflicting interests than or with the shareholders of the Company that are not affiliated with the Company in any capacity other than in their capacity as a shareholder of the Company, including interests arising from ownership of securities of the Company under the Directors Plan or the Employee

Plan that are not shared on a pro rata basis by all shareholders of the Company.

SHAREHOLDER PROPOSALS
FOR THE 2005 ANNUAL MEETING

If a shareholder wishes to present a proposal at the Annual Meeting of Shareholders tentatively scheduled for December 14, 2005, the shareholder must deliver his or her proposal to the Company at its principal executive offices a reasonable time before the Company begins to print and mail its proxy materials for such Annual Meeting in order to have that proposal included in the proxy materials of the Company for such Annual Meeting of Shareholders. If a shareholder wishes to present a proposal at the 2005 Annual Meeting of Shareholders outside the processes of Rule 14a-8 of the Securities Exchange Act of 1934, as amended, the shareholder must notify the Company in writing of his or her intent to make such presentation no later than 50 calendar days nor more than 75 calendar days prior to the 2005 Annual Meeting (provided, however, that in the event that less than 65 calendar days notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be so received no later than the close of business on the 15th calendar day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever first occurs) and otherwise in accordance with the advance notice provisions in the Company's bylaws or the Company may have the right to determine and declare to the meeting that such proposal was not properly brought before the meeting in accordance with the bylaws of the Company and/or exercise its discretionary voting authority when such proposal is presented at the Annual Meeting of Shareholders, without including any discussion of that proposal in the proxy materials for the Annual Meeting.

To be in proper form, a shareholder's notice must include the specified information concerning the proposal or nominee as described in the Company's Bylaws. A shareholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel with regard to the Company's Bylaws and SEC requirements. The Company may not consider any proposal or nomination that does not meet its Bylaw requirements and the SEC's requirements for submitting a proposal or nomination. Notices of intention to present proposals at the Company's 2005 Annual Meeting of Shareholders should be addressed to the Corporate Secretary, Pizza Inn, Inc., 3551 Plano Parkway, The Colony, TX 75056, or by fax to (469) 384-5061, or by e-mail to corporate_secretary@pizzainn.com.

The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

STOCK PERFORMANCE GRAPH

The following graph compares the cumulative annual total shareholder return (change in share price plus reinvestment of any dividends) on the Common Stock versus two indexes for the past five fiscal years. The graph assumes \$100 was invested on the last trading day of the fiscal year ending June 28, 1998. Prior to the first quarter of fiscal year 1998 and subsequent to the second quarter of fiscal year 2001, the Company did not pay cash dividends on its Common Stock during the applicable period. The Dow Jones Equity Market Index is a published broad equity market index. The Dow Jones Entertainment and Leisure Restaurant Index is compiled by Dow Jones and Company, Inc., and is comprised of seven public companies, weighted for the market capitalization of each company, engaged in restaurant or related businesses (CKE Restaurants, Inc., Brinker International, Inc., Cracker Barrel Old Country Store, Inc., Darden Restaurants, Inc., McDonald's Corporation, Tricon Global Restaurants, Inc., and Wendy's International, Inc.).

PIZZA INN, INC
2005 NONEMPLOYEE DIRECTORS
STOCK OPTION AWARD PLAN

The name of the plan is the PIZZA INN, INC. 2005 NONEMPLOYEE DIRECTORS STOCK OPTION AWARD PLAN ("Plan").

1. Purpose. The purpose of the Plan is to advance the interests of Pizza Inn, Inc., a Missouri corporation ("Company") by attracting and retaining

the services of experienced and knowledgeable non-employee directors ("Directors" or "Participants") for the benefit of the Company and its

shareholders and to provide additional incentive for such directors to continue to work for the best interests of the Company and its shareholders through continuing ownership of the Company's stock.

Schwarz, Newcastle Partners L.P. or any of their respective affiliates becomes the beneficial owner of securities representing more than 50% of the combined voting power of the Company's outstanding securities entitled to vote on the election of directors (for which purpose the terms "person," "group" and "beneficial owner" have the same meaning as used in Section 13(d) of the Securities Exchange Act of 1934 and the rules promulgated thereunder, and the term "affiliate" has the same meaning as defined in Rule 405 promulgated under the Securities Act of 1933).

2.8 "Director" means a member of the Board.

Except as may be necessary or desirable to comply with applicable federal or state law, a "Termination of Service" shall not be deemed to have occurred when a Participant who is an Outside Director becomes an Employee.

3. Effective Date. This Plan was approved by the Board of the Company on October 20, 2004 and will become effective on June 23, 2005 ("Effective Date"),

subject to approval by the affirmative vote of the holders of a majority of the votes cast at the 2004 Annual Meeting of Shareholders; however, the Committee may grant Awards under the Plan prior to the time of shareholder approval. Any such Award granted prior to such shareholder approval shall be made subject to such shareholder approval.

4. Administration. Subject to the terms of this Section 4, this Plan

shall be administered by the Committee. The Committee has the authority to grant Awards to Directors and is responsible for the general administration and interpretation of this Plan. At any time there is no Committee to administer the Plan, any references in this Plan to the Committee shall be deemed to refer to the Board.

4.1 Delegation. The Committee may delegate to one or more of its

members such administrative duties as it may deem advisable and the Committee, or any person to whom it has delegated duties, may employ one or more qualified persons to render advice with respect to any responsibility the Committee or such person may have under this Plan. The Committee may employ attorneys, consultants, accountants, or other persons and the Committee, the Company, and its officers and directors shall be entitled to rely upon the advice, opinions, or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding upon all persons who have received grants under the Plan, the Company, and all other interested persons. No member or agent of the Committee shall be personally liable for any action, determination, or interpretation made in good faith with respect to the Plan and all members and agents of the Committee shall be fully protected by the Company in respect of any such action, determination, or interpretation.

The Committee may delegate the administration of the Plan to an officer or officers of the Company, and such administrator(s) may have the authority to execute and distribute agreements or other documents evidencing or relating to Awards; to maintain records relating to the grant, vesting, exercise, forfeiture, or expiration of Awards; to process or oversee the issuance of Shares upon the exercise, vesting and/or settlement of an Award; to interpret the terms of Awards; and to take such other actions as the Committee may specify, provided that in no instance shall any such administrator be authorized to grant Awards under the Plan.

4.2 Committee Powers. Subject to the express provisions and

limitations set forth in this Plan, the Committee shall be authorized and empowered to do all things necessary or desirable, in its sole discretion, in connection with the administration of this Plan, including, without limitation, the following:

(a) to prescribe, amend, and rescind rules and regulations relating to this Plan and to define terms not otherwise defined herein;

(b) to determine which persons are Participants, to which Participants, if any, Awards shall be granted hereunder and the timing of any such Awards, and to grant Awards;

(c) to grant Awards to Participants and determine the terms and conditions thereof, including the number of Shares subject to Awards and the exercise or purchase price of such Shares (subject to limitations provided herein) and the circumstances under which Awards become exercisable or vested or are forfeited or expire;

(d) to prescribe and amend the terms of the agreements or other documents evidencing Awards made under this Plan (which may not be identical);

(e) to interpret and construe this Plan, any rules and regulations under this Plan, and the terms and conditions of any Award granted hereunder, and to make exceptions to any such provisions in good faith and for the benefit of the Company; and

(f) to make all other determinations deemed necessary or advisable for the administration of this Plan.

4.3 Limitations on the Committee. The Committee may not (i) grant

Awards at a price below Fair Market Value, (ii) reprice or reduce the exercise price of an Option without shareholder approval, or (iii) offer reload grants or grant Awards conditional upon delivery of shares to satisfy the exercise price and/or tax withholding obligation under another Award.

5. Eligibility. Each Director who is not an Employee is an Outside Director and is eligible to participate in the Plan. The Board has reserved discretion to determine that one or more Directors will not be eligible for a specified Plan Year or for an indefinite period.

6. Shares Subject to the Plan. Subject to adjustment as provided in Section 13, the maximum number of Shares that may be awarded and delivered under

the Plan pursuant to Awards is 500,000 subject to legal availability. Shares to be issued may be made available from authorized but unissued Shares, Shares held by the Company in its treasury, or Shares purchased by the Company on the open market or otherwise. During the term of this Plan, the Company will at all times reserve and keep available the number of Shares that shall be sufficient to satisfy the requirements of this Plan. To the extent that any Award under this Plan shall be forfeited, shall expire, or be canceled, in whole or in part, then the number of Shares covered by the Award so forfeited, expired, or canceled may again be awarded pursuant to the provisions of this Plan.

7. Limitations on Awards. Unless and until the Committee determines otherwise and in addition to any other Option granted to Outside Directors, an Option to acquire two (2) Shares shall be granted to each Outside Director on the first day of each Plan Year for every one (1) Share purchased by such Outside Director during the preceding Plan Year, up to a maximum award of 40,000. Purchases shall include, without limitation, purchases on the open market as well as purchases by exercise of Awards granted under this Plan or the 1993 Plan. In addition, purchases in the preceding Plan Year shall include exercises of previously granted Awards during the first ten (10) days of the new Plan Year if such Outside Director's Options first become exercisable during that period. Awards shall be the sole benefit available to Outside Directors under this Plan.

8. Vesting, Forfeiture and Restrictions. All Awards shall be subject to a minimum six (6) month vesting period; provided, however, that the Committee may impose a longer vesting period or other restrictions on any Award, subject in any case to the terms of the Plan. An Award vesting period shall lapse in accordance with a schedule established by the Committee and set forth in the Award Agreement for the Award, except as otherwise provided below. Each such schedule may provide for pro rata vesting over several periods or full vesting at the end of a single period, and may include any other conditions upon the vesting of the Awards as the Committee shall determine. Any unvested Options shall become 100% vested upon a Change of Control. Except as otherwise expressly provided in the Participant's Award Agreement or this Plan, all unvested Options shall be forfeited on the date of a Participant's Termination of Service and all vested Options will be subject to forfeiture in accordance with the following terms:

(a) Death. If a Participant suffers a Termination of Service as a result of

his or her death, then all Awards that were vested and unexercised on the date of death, or that the Participant would have been able to exercise within the following twelve (12) months if no Termination of Service had occurred (regardless of whether such Awards were vested as of the date of death), may be exercised within the twelve (12) month period following the Participant's death by his or her estate or by the person who acquires the exercise right by bequest or inheritance. If a Participant suffers a Termination of Service prior to the date of death, and the Awards were both vested and exercisable at the time of the Participant's death, the Award may be exercised at any time within twelve

(12) months following the date of death by the Participant's estate or by a person who acquires the right to exercise the Award by bequest or inheritance, but only to the extent of that the Award was vested and exercisable as of the date of the Termination of Service.

(b) Disability. If a Participant suffers a Termination of Service as a

result of the Participant's Disability, then the Participant may, within twelve (12) months after the Termination of Service, exercise all vested Awards he or she could have exercised at the date of such Termination of Service, or would have been able to exercise within the twelve (12) month period following the Termination of Service had the Termination of Service not occurred (regardless of whether such Awards were vested as of the date of Termination of Service due to Disability), provided, however, that no such Award may be exercised after expiration of the term specified in the Award Agreement.

(c) Termination of the Relationship for Other Reasons. Termination of

Service for any other reason other than as set forth in paragraph 8(a) and 8(b) above, including not being nominated for re-election, not being re-elected, retirement, resignation, or discharge, will result in forfeiture of all unexercised vested Awards as of 5 p.m. on the date of the Termination of Service, unless otherwise specified in the Award Agreement. The Committee may waive the forfeiture in whole or in part. Where forfeiture is waived, the Participant may, within thirty (30) days after the date of such Termination of Service, exercise all Awards he or she could have exercised at the date of the Termination of Service, or would have been able to exercise within the thirty (30) day period following the Termination of Service had the Termination of Service not occurred (regardless if such Awards were vested as of the date of Termination of Service).

9. Terms and Conditions of Option Awards. Each grant of an Award shall be authorized by the Committee and shall be evidenced by an Award Agreement between the Company and the Participant setting forth the Award being granted, the total number of Shares subject to the Award (determined in accordance with the terms of Section 7 of the Plan), the Exercise Price, the Date of Grant, and such other

terms, provisions, limitations, and performance objectives as are approved by the Committee, provided that such terms and conditions are not inconsistent with the Plan and do not cause the Award to be subject to the requirements of Section 409A of the Code and the regulations and other guidance issued thereunder. The minimum vesting period is six (6) months, and the term of an Award may be no more than ten (10) years from the date of grant. No Award may be exercised after expiration of its term.

10. Exercise Price. The Committee will determine the exercise price for the Shares underlying each Award at the time the Award is granted. The exercise price for Shares under an Award may not be less than 100% of the Fair Market Value of the common stock of the Company on the Date of Grant. No Award may be repriced, replaced, regranted through cancellation, or modified without shareholder approval (except in connection with a change in the Company's capitalization), if the effect would be to reduce the exercise price for the Shares subject to an Award.

11. Exercise of Award; Form of Consideration. Subject to the other provisions of this Plan, the Committee may, in its sole discretion, provide that an Award may not be exercised in whole or in part for any period or periods of time or beyond any date specified in the Award Agreement. Payment may be made by cash, check, or by broker assisted same day sale. The Option holder must also pay the Company, at the time of purchase, the amount of federal, state, and local withholding taxes the Company is required to withhold.

12. Nontransferability of Awards. Unless otherwise determined by the Committee, Awards granted under this Plan are not transferable other than by will or the laws of descent and distribution and may be exercised during a Participant's lifetime only by the Participant.

13. Adjustments Upon Changes in Capitalization, Merger, or Sale of Assets. In the event that the Company's stock changes by reason of any stock split, dividend, combination, reclassification, or other similar change in the Company's capital structure effected without the receipt of consideration, appropriate adjustments shall be made in the number and class of Shares subject to this Plan, the number and class of Shares subject to any Award outstanding under this Plan, and the exercise price for Shares subject to any such outstanding Award.

In the event of a liquidation or dissolution, any unexercised Awards shall terminate. In the event of a Change of Control, the Board or the Committee, in its discretion, may provide for the assumption, substitution, or adjustment of each outstanding Award.

14. No Condition of Service. The granting of Awards under this Plan shall impose no obligation on the Company, or any of its officers, directors, or employees, to continue the service of a Participant and shall not waive or modify the right to terminate services of any such Participant.

15. Securities Laws. The Company has no obligation to register Options granted under the Plan. If Awards granted have not been registered, upon issuance of Awards to an Outside Director and upon issuance of Shares upon exercise of an Award, the Participant shall represent and warrant to the Company that the Shares are being acquired for investment purposes and shall acknowledge transfer restrictions under applicable securities laws.

16. Federal Income Tax Consequences. The only Options that may be granted under the Plan are Nonqualified Stock Options.

Non-Qualified Options. A Participant generally will not recognize any taxable income at the time the Award is granted. However, upon its exercise, the Participant will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the Shares over the exercise price. The income realized by the Participant will be subject to income and other employee withholding taxes.

The Participant's basis for determination of gain or loss upon the subsequent disposition of Shares acquired upon the exercise of an Award will be the amount paid for such Shares plus any ordinary income recognized as a result of the exercise of such Award. Upon disposition of any Shares acquired pursuant to the exercise of an Award, the difference between the sale price and the Participant's basis in the Shares will be treated as a capital gain or loss and generally will be characterized as long-term gain or loss if the Shares have been held for more than one year at disposition.

In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of an Award or a sale or disposition of Shares acquired upon the exercise of an Award. However, upon the exercise of an Award the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that a Participant is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

17. Expiration. Unless it is terminated sooner, the Plan will terminate ten (10) years from the Effective Date, or such earlier date as the Board may determine. The expiration of the Committee's authority to grant Awards under the Plan will not affect the operation of the terms of the Plan or the Company's and Participant's rights and obligations with respect to Awards granted on or prior to the expiration date of the Plan.

18. Amendment. The Board may at any time terminate the Plan or make any modification that it deems advisable; provided, however, that shareholder approval will be required for any amendment that will (i) increase the total number of Shares as to which Awards may be granted under the Plan, (ii) modify the class of persons eligible to receive Awards, or (iii) otherwise require shareholder approval under applicable law or regulation. In addition, neither the Board nor the Committee will amend the Plan regarding the amount, pricing, and timing of Awards other than to comply with changes in the Code, the Employment Retirement Income Security Act of 1974, or the rules thereunder. Modification, or amendment of the Plan will not, without the consent of the Participant, affect his or her rights under a previously granted Award.

19. Miscellaneous.

19.1 Impact on Other Benefits. At no time shall the value of any Award

be includable as compensation or earnings for purposes of any other benefit plan, if any, offered to Directors by the Company.

19.2 Funding of Plan. Insofar as it provides for Awards the Plan shall be

unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Company or the Committee be deemed to be a trustee of Shares to be awarded under this Plan.

19.3 Governing Law. This Plan and any agreements or other documents

hereunder shall be interpreted and construed in accordance with the laws of the State of Missouri and applicable federal law. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Any reference in this Plan or in the agreement or other document evidencing any Award to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule, or regulation of similar effect or applicability.

19.4 Liability of Company. The Company shall not be liable to a Participant

or other persons as to (a) the non-issuance of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the

authority deemed by the Company's counsel to be necessary to the lawful issuance of any Shares hereunder; and (b) any tax consequence expected, but not realized, by any Participant or other person due to the receipt, exercise, or settlement of any Award granted pursuant to this Plan.

19.5 Compliance with Laws and Regulations. This Plan, the grant and

exercise of Awards hereunder, and the obligation of the Company to issue or deliver Shares under such Awards, shall be subject to all applicable federal, state, and local laws, rules, and regulations, and to such approvals by any governmental or regulatory agency as may be required. To the extent the Company is unable, or the Committee deems it infeasible, to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares under this Plan, the Company shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained. No Option shall be exercisable and no Shares shall be issued and/or transferable under any other Award unless a registration statement with respect to the Shares underlying such Options is effective and current or the Company or its counsel has determined that such registration is unnecessary.

3. Effective Date. This Plan was approved by the Board of the Company on October 20, 2004 and will become effective on June 23, 2005 ("Effective Date"),

subject to approval by the affirmative vote of the holders of a majority of the votes cast at the 2004 Annual Meeting of Shareholders; however, the Committee may grant Awards under the Plan prior to the time of shareholder approval. Any such Award granted prior to such shareholder approval shall be made subject to such shareholder approval.

4. Administration. Subject to the terms of this Section 4, this Plan

shall be administered by the Committee. The Committee has the authority to grant Awards to Employees and is responsible for the general administration and interpretation of this Plan. At any time there is no Committee to administer the Plan, any references in this Plan to the Committee shall be deemed to refer to the Board.

4.1 Delegation. The Committee may delegate to one or more of its

members such administrative duties as it may deem advisable and the Committee, or any person to whom it has delegated duties, may employ one or more qualified persons to render advice with respect to any responsibility the Committee or such person may have under this Plan. The Committee may employ attorneys, consultants, accountants, or other persons and the Committee, the Company, and its officers and Employees shall be entitled to rely upon the advice, opinions, or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding upon all persons who have received grants under the Plan, the Company, and all other interested persons. No member or agent of the Committee shall be personally liable for any action, determination, or interpretation made in good faith with respect to the Plan and all members and agents of the Committee shall be fully protected by the Company in respect of any such action, determination, or interpretation.

The Committee may delegate the administration of the Plan to an officer or officers of the Company, and such administrator(s) may have the authority to execute and distribute agreements or other documents evidencing or relating to Awards; to maintain records relating to the grant, vesting, exercise, forfeiture, or expiration of Awards; to process or oversee the issuance of Shares upon the exercise, vesting and/or settlement of an Award; to interpret the terms of Awards; and to take such other actions as the Committee may specify, provided that in no instance shall any such administrator be authorized to grant Awards under the Plan.

4.2 Committee Powers. Subject to the express provisions and

limitations set forth in this Plan, the Committee shall be authorized and empowered to do all things necessary or desirable, in its sole discretion, in connection with the administration of this Plan, including, without limitation, the following:

(a) to prescribe, amend, and rescind rules and regulations relating to this Plan and to define terms not otherwise defined herein;

(b) to determine which persons are Participants, to which Participants, if any, Awards shall be granted hereunder and the timing of any such Awards, and to grant Awards;

(c) to grant Awards to Participants and determine the terms and conditions thereof, including the number of Shares subject to Awards and the exercise or purchase price of such Shares (subject to limitations provided herein) and the circumstances under which Awards become exercisable or vested or are forfeited or expire;

(d) to prescribe and amend the terms of the agreements or other documents evidencing Awards made under this Plan (which may not be identical);

(e) to interpret and construe this Plan, any rules and regulations under this Plan, and the terms and conditions of any Award granted hereunder, and to make exceptions to any such provisions in good faith and for the benefit of the Company; and

(f) to make all other determinations deemed necessary or advisable for the administration of this Plan.

4.3 Limitations on the Committee. The Committee may not (i) grant

Awards at a price below Fair Market Value, (ii) reprice or reduce the exercise price of an Option without shareholder approval, or (iii) offer reload grants or grant Awards conditional upon delivery of shares to satisfy the exercise price and/or tax withholding obligation under another Award.

5. Eligibility. Each Employee who is employed full time and is not on probationary status, as defined from time to time in the Company's employee handbook, at the time of the Award Grant is eligible to participate in the Plan. The Board has reserved discretion to determine that one or more Employees will not be eligible for a specified Plan Year or for an indefinite period.

6. Shares Subject to the Plan. Subject to adjustment as provided in Section 13, the maximum number of Shares that may be awarded and delivered under

the Plan pursuant to Awards is 1,000,000 subject to legal availability, of which 100% may be awarded and delivered under the Plan as Incentive Stock Options. Shares to be issued may be made available from authorized but unissued Shares, Shares held by the Company in its treasury, or Shares purchased by the Company on the open market or otherwise. During the term of this Plan, the Company will at all times reserve and keep available the number of Shares that shall be sufficient to satisfy the requirements of this Plan. To the extent that any Award under this Plan shall be forfeited, shall expire, or be canceled, in whole or in part, then the number of Shares covered by the Award so forfeited, expired, or canceled may again be awarded pursuant to the provisions of this Plan; provided, however, that such forfeited, expired or cancelled shares shall not increase the maximum number of Shares described in this Section 6 as the maximum number of Shares that may be delivered pursuant to Incentive Stock Options.

7. Limitations on Awards. Each Participant will be eligible to receive Awards, singly or in the aggregate, in any amount determined by the Committee, subject to the requirements of this Plan. Awards shall be the sole benefit available to Employees under this Plan.

8. Vesting, Forfeiture, and Restrictions. All Awards shall be subject to minimum vesting periods and maximum exercise periods as the Committee may determine from time to time, subject in any case to the terms of the Plan. An Award vesting period shall lapse in accordance with a schedule established by the Committee and set forth in the Award Agreement for the Award, except as otherwise provided below. Each such schedule may provide for pro rata vesting over several periods or full vesting at the end of a single period, and may include any other conditions upon the vesting of the Awards, as the Committee shall determine. Any unvested Options shall become 100% vested upon a Change of Control. Except as otherwise expressly provided in the Participant's Award Agreement or this Plan, all unvested Options shall be forfeited on the date of a Participant's Termination of Service and all vested Options will be subject to forfeiture in accordance with the following terms:

(a) Death. If a Participant suffers a Termination of Service as a result of

his or her death, then all Awards that were vested and unexercised on the date of death, or that the Participant would have been able to exercise within the following twelve (12) months if no Termination of Service had occurred (regardless of whether such Awards were vested as of the date of death), may be exercised within the twelve (12) month period following the Participant's death by his or her estate or by the person who acquires the exercise right by bequest or inheritance. If a Participant suffers a Termination of Service prior to the date of death, and the Awards were both vested and exercisable at the time of the Participant's death, the Award may be exercised at any time within twelve (12) months following the date of death by the Participant's estate or by a person who acquires the right to exercise the Award by bequest or inheritance, but only to the extent of that the Award was vested and exercisable as of the

date of the Termination of Service.

(b) Disability. If a Participant suffers a Termination of Service as a

result of the Participant's Disability, then the Participant may, within twelve (12) months after the Termination of Service, exercise all vested Awards he or she could have exercised at the date of such Termination of Service, or would have been able to exercise within the twelve (12) month period following the Termination of Service had the Termination of Service not occurred (regardless of whether such Awards were vested as of the date of Termination of Service due to Disability), provided, however, that no such Award may be exercised after expiration of the term specified in the Award Agreement.

(c) Termination of the Relationship for Other Reasons. Termination of

Service for any reason other than as set forth in paragraph 8(a) and 8(b) above, including, but not limited to, retirement, resignation, or discharge, will result in forfeiture of all unexercised vested Awards as of 5 p.m. on the date of the Termination of Service, unless otherwise specified in the Award Agreement. The Committee may waive the forfeiture in whole or in part. Where forfeiture is waived, the Participant may, within thirty (30) days after the date of such Termination of Service, exercise all Awards he or she could have exercised at the date of the Termination of Service, or would have been able to exercise within the thirty (30) day period following the Termination of Service had the Termination of Service not occurred (regardless if such Awards were vested as of the date of Termination of Service).

9. Terms and Conditions of Option Awards. Each grant of an Award shall be authorized by the Committee and shall be evidenced by an Award Agreement between the Company and the Participant setting forth the Award being granted, the total number of Shares subject to the Award (determined in accordance with the terms of Section 7 of the Plan), the Exercise Price, the Date of Grant, and such other

terms, provisions, limitations, and performance objectives as are approved by the Committee, provided that such terms and conditions are not inconsistent with the Plan and do not cause the Award to be subject to the requirements of Section 409A of the Code and regulations and other guidance issued thereunder. Any Award granted pursuant to this Plan must be granted within ten (10) years of the date of the adoption of this Plan.

10. Exercise Price. The Committee will determine the exercise price for the Shares underlying each Award at the time the Award is granted. The exercise price for Shares under an Award may not be less than 100% of the Fair Market Value of the common stock of the Company on the Date of Grant; provided, however, if an Incentive Stock Option is granted to an Employee who owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of the Company (or any parent or subsidiary), the exercise price shall be at least 110% of the Fair Market Value of the Shares of stock on the Date of Grant. No Award may be repriced, replaced, regranted through cancellation, or modified without shareholder approval (except in connection with a change in the Company's capitalization), if the effect would be to reduce the exercise price for the Shares subject to an Award.

11. Exercise of Award; Form of Consideration. Subject to the other provisions of this Plan, the Committee may, in its sole discretion, provide that an Award may not be exercised in whole or in part for any period or periods of time or beyond any date specified in the Award Agreement. Payment may be made by cash, check, or by broker assisted same day sale. The Option holder must also pay the Company, at the time of purchase, the amount of federal, state, and local withholding taxes the Company is required to withhold.

12. Maximum ISO Grants. The Committee may not grant Incentive Stock Options ("ISO") under the Plan to any Employee which would permit the aggregate Fair Market Value (determined on the Date of Grant) of the Shares of stock with respect to which Incentive Stock Options (under this and any other plan of the Company and its subsidiaries) are exercisable for the first time by such Employee during any calendar year to exceed \$100,000. To the extent any Option granted under this Plan that is designated as an Incentive Stock Option exceeds this limit or otherwise fails to qualify as an Incentive Stock Option, such Option (or any such portion thereof) shall no longer be treated as an Incentive Stock Option and shall, instead, be treated as a nonqualified stock option. In such case, the Committee shall designate which stock will be treated as Incentive Stock Option stock by causing the issuance of a separate stock certificate and identifying such stock as Incentive Stock Option stock on the Company's stock transfer records.

13. Nontransferability of Awards. Unless otherwise determined by the Committee, Awards granted under this Plan are not transferable other than by will or the laws of descent and distribution and may be exercised during a Participant's lifetime only by the Participant.

14. Disqualifying Disposition of Incentive Stock Option. If Shares of stock acquired upon exercise of an Incentive Option are disposed of by a Participant prior to the expiration of either two (2) years from the Date of

Grant of such Option or one (1) year from the transfer of Shares of stock to the Participant pursuant to the exercise of such Option, or in any other disqualifying disposition within the meaning of Section 422 of the Code, such Participant shall notify the Company in writing of the date and terms of such disposition. A disqualifying disposition by a Participant shall not affect the status of any other Option granted under the Plan as an Incentive Stock Option within the meaning of Section 422 of the Code.

15. Adjustments Upon Changes in Capitalization, Merger, or Sale of Assets. In the event that the Company's stock changes by reason of any stock split, dividend, combination, reclassification, or other similar change in the Company's capital structure effected without the receipt of consideration, appropriate adjustments shall be made in the number and class of Shares subject to this Plan, the number and class of Shares subject to any Award outstanding under this Plan, and the exercise price for Shares subject to any such outstanding Award.

In the event of a liquidation or dissolution, any unexercised Awards shall terminate. In the event of a Change of Control, the Board or the Committee, in its discretion, may provide for the assumption, substitution, or adjustment of each outstanding Award.

16. No Condition of Service. The granting of Awards under this Plan shall impose no obligation on the Company, or any of its officers, Employees, or employees, to continue the service of a Participant and shall not waive or modify the right to terminate services of any such Participant.

17. Securities Laws. The Company has no obligation to register Options granted under the Plan. If Awards granted have not been registered, upon issuance of Awards to an Employee and upon issuance of Shares upon exercise of an Award, the Employee shall represent and warrant to the Company that the Shares are being acquired for investment purposes and shall acknowledge transfer restrictions under applicable securities laws.

18. Federal Income Tax Consequences. Options that may be granted under the Plan include Incentive Stock Options and Non-Qualified Options.

(a) Incentive Stock Options. The grant of an ISO does not result in income for the grantee or a deduction for the Company. The exercise of an ISO would not result in income for the grantee if the grantee (i) does not dispose of the shares within two (2) years after the date of grant or one (1) year after the transfer of shares upon exercise, and (ii) is an employee of the Company from the date of grant and through and until three (3) months before the exercise date. If these requirements are met, the basis of the shares upon later disposition would be the option price. Any gain will be taxed to the Employee as long-term capital gain and the Company would not be entitled to a deduction. The excess of the market value on the exercise date over the option price is an item of tax preference, potentially subject to the alternative minimum tax.

If the Employee disposes of the shares prior to the expiration of either of the holding periods, and the amount received for the shares is greater than the fair market value of the shares on the exercise date, then the difference between the ISO's exercise price and the fair market value of the shares at the time of exercise will be treated as ordinary income for the tax year in which the disposition occurs. Any gain in excess of the ordinary income portion would be taxable as long-term or short-term capital gain.

(b) Non-Qualified Stock Options. A Participant generally will not recognize any taxable income at the time the Award is granted. However, upon its exercise, the Participant will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the Shares over the exercise price. The income realized by the Participant will be subject to income and other employee withholding taxes.

The Participant's basis for determination of gain or loss upon the subsequent disposition of Shares acquired upon the exercise of an Award will be the amount paid for such Shares plus any ordinary income recognized as a result of the exercise of such Award. Upon disposition of any Shares acquired pursuant to the exercise of an Award, the difference between the sale price and the Participant's basis in the Shares will be treated as a capital gain or loss and generally will be characterized as long-term gain or loss if the Shares have been held for more than one year at disposition.

In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of an Award or a sale or disposition of Shares acquired upon the exercise of an Award. However, upon the exercise of an Award the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that a Participant is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

19. Expiration. Unless it is terminated sooner, the Plan will terminate ten (10) years from the Effective Date, or such earlier date as the Board may determine. The expiration of the Committee's authority to grant Awards under the Plan will not affect the operation of the terms of the Plan or the

Company's and Participant's rights and obligations with respect to Awards granted on or prior to the expiration date of the Plan.

20. Amendment. The Board may at any time terminate the Plan or make any modification that it deems advisable; provided, however, that shareholder approval will be required for any amendment that will (i) increase the total number of Shares as to which Awards may be granted under the Plan, (ii) modify the class of persons eligible to receive Awards, or (iii) otherwise require shareholder approval under applicable law or regulation. In addition, neither the Board nor the Committee will amend the Plan regarding the amount, pricing, and timing of Awards other than to comply with changes in the Code, the Employment Retirement Income Security Act of 1974, or the rules thereunder. Modification, or amendment of the Plan will not, without the consent of the Participant, affect his or her rights under a previously granted Award.

21. Miscellaneous.

21.1 Impact on Other Benefits. At no time shall the value of any Award

be includable as compensation or earnings for purposes of any other benefit plan, if any, offered to Employees by the Company.

21.2 Funding of Plan. Insofar as it provides for Awards the Plan shall be

unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Company or the Committee be deemed to be a trustee of Shares to be awarded under this Plan.

21.3 Governing Law. This Plan and any agreements or other documents

hereunder shall be interpreted and construed in accordance with the laws of the State of Missouri and applicable federal law. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Any reference in this Plan or in the agreement or other document evidencing any Award to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule, or regulation of similar effect or applicability.

21.4 Liability of Company. The Company shall not be liable to a Participant
