Voting Information

8. What matters will be acted on at the annual meeting?

The matters scheduled to be acted on at the annual meeting are:

- (1) To elect seven directors to hold office until the next annual meeting of shareholders or until their respective successors have been elected and qualified;
- (2) To ratify the appointment of Montgomery, Coscia and Greulich, LLP as the Company's independent registered public accounting firm for fiscal year 2011; and
- (3) To transact such other business as may properly come before the meeting or any postponement or adjournment thereof. (See question below, "*What happens if additional matters are presented at the meeting?*")

9. How does the Board recommend that I vote?

Our Board recommends that you vote your shares "FOR" each of the scheduled items of business.

10. What shares can I vote?

Each share of the Company's common stock issued and outstanding as of the close of business on October 19, 2010 (the "Record Date"), is entitled to be voted on all items being voted on at the meeting. You may vote all shares you own as of the Record Date, including (1) shares held directly in your name as the shareholder of record, and (2) shares for which you are the beneficial owner through a broker, trustee or nominee such as a bank. On the Record Date, we had 8,010,919 shares of common stock issued and outstanding.

11. How can I vote my shares in person at the meeting?

Shares held in your name as the shareholder of record may be voted in person at the meeting. Shares held beneficially in "street name" may be voted in person at the meeting only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

12. How can I vote my shares without attending the meeting?

Whether you hold shares directly as the shareholder of record or beneficially in “street name,” you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy as described below. If you hold shares beneficially in “street name,” you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card, or the voting instruction card provided by your broker, trustee or nominee, as applicable.

By Mail – Shareholders of record may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. Beneficial holders may vote by mail by completing, signing and dating the voting instruction cards provided by their brokers, trustees or nominees and mailing them in the accompanying pre-addressed envelopes.

By Internet – Shareholders of record with Internet access may submit proxies by following the “Vote by Internet” instructions on their proxy cards. Most shareholders who hold shares beneficially in “street name” may vote by accessing the website specified on the voting instruction cards provided by their brokers, trustees or nominees. Please check the voting instruction card for Internet voting availability.

By Telephone – Shareholders of record who live in the United States may submit proxies by following the “Vote by Telephone” instructions on their proxy cards. Most shareholders who hold shares beneficially in “street name” and live in the United States may vote by telephone by calling the number specified on the voting instruction cards provided by their brokers, trustees or nominees. Please check the voting instruction card for telephone voting availability.

13. What is the deadline for voting my shares?

If you hold the shares as the shareholder of record, your proxy must be received before the polls close at the meeting. If you hold shares beneficially in “street name” with a broker, trustee or nominee, please follow the voting instructions provided by your broker, trustee or nominee.

14. May I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are a shareholder of record, you may change your vote in one of three ways: (1) by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), (2) by providing a written notice of revocation to the Corporate Secretary at the Company's corporate office address prior to your shares being voted, or (3) by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. For shares you hold beneficially in "street name," you may change your vote by submitting new voting instructions to your broker, trustee or nominee or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

15. Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects voting privacy. Your vote will not be disclosed either within the Company or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation.

16. How are votes counted and what is the voting requirement to approve each of the proposals?

A majority of the outstanding shares entitled to vote at the meeting, represented in person or by proxy, constitutes a quorum at the meeting. If a quorum is not present, in person or by proxy, the meeting may be postponed or adjourned from time to time until a quorum is obtained. Each outstanding share of our common stock is entitled to one vote on each matter submitted to a vote at the meeting.

In the election of directors, you may vote "FOR" all or some of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. You may not cumulate your votes. Thus, a shareholder is not entitled to cumulate his votes and cast them all for any single nominee or to spread his votes, so cumulated, among more than one nominee. The election of each nominee as a director requires the affirmative vote of the holders of a majority of the outstanding shares entitled to vote on the election of directors and represented in person or by proxy at the meeting.

For each other item of business, you may vote "FOR," "AGAINST" or "ABSTAIN." The affirmative vote of the holders of a majority of the outstanding shares entitled to vote and represented in person or by proxy at the meeting will decide each question brought before the meeting. Therefore, if you "ABSTAIN," the abstention has the same effect as a vote "AGAINST." For this purpose, shares held by a broker, trustee or nominee who does not have discretionary authority to vote on a particular matter and who has not received voting instructions from the customer will not be deemed to be present or represented for the purpose of determining whether shareholders have approved that matter, but are counted as present for the purpose of determining the existence of a quorum. If a proxy states how the shares are to be voted in the absence of instructions by the shareholder, such shares will be deemed to be represented at the meeting.

17. What happens if additional matters are presented at the meeting?

Other than the two items of business specifically described in this proxy statement, we are not aware of any other matter to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holders will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason one or more of our director nominees becomes unable to serve or for good cause will not serve, the persons named as proxy holders may vote your proxy for such other candidate or candidates as may be nominated.

18. Who will serve as inspector of elections?

The inspector of elections will be a representative from Broadridge Financial Solutions, Inc.

19. Who will bear the cost of soliciting votes for the meeting?

The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities other than reimbursement of reasonable out-of-pocket expenses directly related to such solicitation. Arrangements may also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of stock held of record by such persons, and the Company may reimburse them for reasonable out-of-pocket expenses of such solicitation.

20. Where can I find voting results from the annual meeting?

We intend to publish the final voting results from the annual meeting in a Form 8-K filed with the Securities and Exchange Commission (“SEC”) within four business days after the annual meeting.

Stock Ownership Information

21. What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Company shareholders may hold their shares directly in their own names or in “street name” through a broker or other nominee. As summarized below, there are several distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with the Company’s transfer agent, Securities Transfer Corporation, you are the shareholder of record of such shares. As the shareholder of record, you have the right to vote in person at the meeting or to grant your proxy directly to the Company or to a third party. There is a proxy card enclosed with these materials for your use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you together with a voting instruction card on behalf of your broker, trustee or nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote your shares. You are also invited to attend the meeting. Your broker, trustee or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, trustee or nominee how to vote your shares. Since a beneficial owner is not a shareholder of record, you may not vote these shares in person at the meeting unless you obtain a proxy from the broker, trustee or nominee holding your shares giving you the right to vote the shares.

22. What happens if I have questions for the Company's transfer agent?

You may contact the Company's transfer agent at the telephone number or address listed below with questions concerning stock certificates, transfer of ownership or other matters pertaining to your stock account.

Securities Transfer Corporation
2591 Dallas Parkway, Suite 102
Frisco, TX 75034

Annual Meeting Information

23. How can I attend the meeting?

You are entitled to attend the annual meeting if you were a Company shareholder as of the close of business on the Record Date or hold a valid proxy for the annual meeting. You should be prepared to offer proof of identification for admittance. If you are a shareholder of record or hold your shares through the Pizza Inn, Inc. 401(k) Plan, your ownership as of the Record Date may be verified prior to you being admitted to the meeting. If you are not a shareholder of record but hold your shares through a broker, trustee or nominee (i.e., in "street name"), you should provide proof of beneficial ownership as of the Record Date, such as your most recent account statement prior to October 19, 2010, a copy of the voting instruction card provided by your broker, trustee or nominee, or similar evidence of ownership. The Company may refuse admission to the annual meeting to anyone who does not provide proper identification upon request.

24. How many shares must be present?

A majority of the issued and outstanding shares entitled to vote at the meeting must be represented in person or by proxy to satisfy the quorum requirements for holding the meeting and transacting business. Proxies submitted by brokers who do not vote ("broker non-votes") because they do not have discretionary authority to vote on a particular matter and have not received voting instructions from their customers are counted as present for the purpose of determining the existence of a quorum, but not for any other purpose.

Shareholder Proposals, Director Nominations and Related Bylaw Provisions

25. What is the deadline to propose actions for consideration at next year's annual meeting of shareholders?

If a shareholder wishes to submit a proposal for inclusion in the Company's proxy statement and form of proxy for the Company's 2011 annual meeting, the proposal must be received in proper form at the Company's principal executive offices on or before July 12, 2011 in order to have the proposal included in the proxy materials of the Company for such meeting. If a shareholder wishes to submit a proposal at the 2011 Annual Meeting of Shareholders outside the processes of Rule 14a-8 of the Exchange Act, the shareholder must notify the Company in writing of such proposal on or before September 25, 2011 in order to have that proposal considered at such meeting.

To be in proper form, a shareholder's notice must include information concerning the proposal or nominee. A shareholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel with regard to the SEC requirements. The Company may exclude any proposal or nomination that does not meet the SEC's requirements for submitting a proposal or nomination, and reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Notices of intention to submit proposals for or at the Company's 2011 Annual Meeting of Shareholders should be addressed to:

Corporate Secretary
Pizza Inn, Inc.
3551 Plano Parkway
The Colony, TX 75056
Fax (469) 384-5061
E-mail: corporate_secretary@pihq.com

26. How may I nominate or recommend individuals to serve as directors?

You may propose director candidates for consideration by the Board's Nominating and Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to the Corporate Secretary at the address of our principal executive offices set forth above. To nominate a director, follow the instructions set forth above in the answer to question number 25, plus submit a statement by the nominee acknowledging that he or she is willing to serve and, if elected, will owe a fiduciary obligation to the Company and its shareholders.

PROPOSALS TO BE VOTED ON

PROPOSAL ONE:

ELECTION OF DIRECTORS

The Company's Amended and Restated Articles of Incorporation and its Amended and Restated Bylaws provide that each director serves a one-year term, with all directors subject to annual election. The Board has nominated seven incumbent directors for election at the meeting. If elected, each director nominee will hold office until the next annual meeting, or until his successor has been elected and qualified. Each nominee has expressed his intention to serve the entire term for which election is sought. The Board believes that all the nominees will be available to serve as directors. If any director nominee becomes unable to serve or for good cause will not serve, the Board may recommend a substitute nominee or leave a vacancy and fill the vacancy later. The shares represented by all valid proxies may be voted for the election of a substitute nominee if one is nominated.

The Board of Directors recommends a vote "FOR" each of the nominee directors.

PROPOSAL TWO:

RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

The Audit Committee has selected Montgomery, Coscia and Greilich , LLP, independent registered public accounting firm, as the independent auditors of the Company for fiscal year 2011. As a matter of good corporate governance, the Audit Committee has determined to submit its selection to shareholders for ratification. Shareholder ratification of the appointment is not required by our bylaws or by any other applicable law. In the event our selection of auditors is not ratified by a majority of the shares of Common Stock present or represented by proxy at the annual meeting, the Audit Committee will reconsider whether or not to retain Montgomery, Coscia and Greilich, LLP. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

A representative of Montgomery, Coscia and Greilich, LLP is expected to be present at the annual meeting, to be available to respond to appropriate questions and to have an opportunity to make a statement.

The Board of Directors recommends a vote “FOR” the ratification of the selection of Montgomery, Coscia and Greilich, LLP as the Company’s independent registered public accounting firm for fiscal year 2011.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

The Company is committed to maintaining the highest standards of business conduct and corporate governance, which we believe are essential to running our business efficiently, serving our shareholders well and maintaining the Company’s integrity in the marketplace. The Company has adopted a Code of Business Conduct that applies to all Company employees and directors and a Financial Code of Conduct for financial managers. These codes work in conjunction with the Company’s Amended and Restated Articles of Incorporation, Amended and Restated Bylaws and various Board committee charters, and together form the framework for governance of the Company. These documents are available at the Company’s website at www.pizzainn.com. We will post on this website any amendments to the Code of Business Conduct or waivers of the Code of Business Conduct for directors or executive officers.

The business of the Company is managed under the direction of the Board. Each director is expected to make reasonable efforts to attend board meetings, meetings of committees of which such director is a member and the annual meeting of shareholders. The Board intends to comply with the corporate governance requirements of the SEC and The Nasdaq Stock Market (“Nasdaq”) in order to assure that the Board will have the necessary practices in place to review and evaluate the Company’s business operations as needed and to make decisions that are independent of the Company’s management.

Board Independence and Independence Standards

Each of the Company's current directors qualifies as "independent" in accordance with published Nasdaq listing requirements. An independent director must not have any relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board considers all relevant facts and circumstances in assessing each director's relationship with the Company. Independent directors meet at least twice annually apart from management representatives.

Board Structure and Committee Composition

The Board has seven directors and four standing committees: (1) Executive Committee, (2) Audit Committee, (3) Compensation Committee, and (4) Nominating and Governance Committee. Current copies of the charters for the Audit Committee, Compensation Committee and Nominating and Governance Committee are available on the Company's website at www.pizzainn.com. Below is a description of the functions performed by each committee. Each committee has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable laws and regulations regarding "independence" when applicable and that each member is free of any relationship that would interfere with his individual exercise of independent judgment.

Executive Committee. The Executive Committee considers issues as directed by the Chairman of the Board. It also may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee or to other persons, and except as otherwise limited by Missouri law.

Audit Committee. The responsibilities of the Audit Committee include reviewing: (a) the financial reports and other financial information provided by the Company to any governmental body or the public; (b) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; (c) the Company's auditing, accounting and financial reporting processes generally; and (d) the terms of transactions between the Company and related parties. The Audit Committee also performs such other functions as the Board may from time to time assign to the committee. In performing its duties, the committee seeks to maintain an effective working relationship with the Board, the independent accountants and management of the Company. The specific duties and functions of the Audit Committee are set forth in the Audit Committee Charter. The Charter is reviewed annually and updated as necessary to reflect changes in regulatory requirements, authoritative guidelines, and evolving practices.

The report of the Audit Committee is included in this proxy statement.

Compensation Committee. The primary responsibilities of the Compensation Committee are: (a) to review and recommend to the Board the compensation of the Chief Executive Officer and other officers of the Company; (b) to review executive bonus plan allocations; (c) to oversee and advise the Board on the adoption of policies that govern the Company's compensation programs; (d) to oversee the Company's administration of its equity-based compensation and other benefit plans; and (e) to approve grants of stock options to officers and employees of the Company under its stock option plans. The Board determines whether the Compensation Committee will take action as a committee or will make recommendations to the Board. In fiscal 2010, the Compensation Committee determined the compensation of the Company's executive officers and delegated compensation determinations for other employees to Charles R. Morrison, the Company's President and Chief Executive Officer. It is the Company's practice to have the Chief Executive Officer make recommendations to the Compensation Committee with regard to compensation for its other executive officers. The specific duties and functions of the Compensation Committee are set forth in its charter. This charter is reviewed annually and updated as necessary to reflect changes in regulatory requirements, authoritative guidelines and evolving practices.

Nominating and Governance Committee. The primary responsibilities of the Nominating and Governance Committee are: (a) to recommend the slate of director nominees for election to the Board; (b) to identify and recommend candidates to fill vacancies occurring between annual shareholder meetings; and (c) to review, evaluate and recommend changes to the Company's corporate governance practices. The Nominating and Governance Committee's role includes periodic review of the compensation paid to non-employee directors for annual retainers and meeting fees and making recommendations to the Board for any adjustments. The specific responsibilities and functions of the Nominating and Governance Committee are set forth in its charter.

Review and Evaluation of Director Qualifications

From time to time the Nominating and Governance Committee reviews the Board to assess the skills and characteristics required of Board members in the context of the current composition of the Board. This assessment numerous facets, including: the diversity of background, business experience and other factors; understanding of and achievements in the restaurant industry; board service; business, finance, and marketing expertise; and community involvement. These factors, and any other qualifications considered useful by the Nominating and Governance Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point. As a result, the priorities and emphasis of the Nominating and Governance Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Nominating and Governance Committee has not established specific minimum criteria or qualifications that a nominee must possess.

Identifying and Evaluating Candidates for Director

In the event that Board vacancies are anticipated or otherwise arise, the Nominating and Governance Committee considers various potential candidates for director. The process followed by the Nominating and Corporate Governance Committee to identify and evaluate candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and the Board. In general, candidates for nomination to the Board are suggested by Board members or by employees, and may come from professional search firms or shareholders. In 2010, the Company did not employ a search firm or pay fees to third parties in connection with seeking or evaluating Board nominee candidates. Assuming that appropriate biographical and background material is provided for candidates recommended by shareholders on a timely basis, the Nominating and Corporate Governance Committee will evaluate director candidates recommended by shareholders by following substantially the same process, and applying substantially the same criteria, as it follows for director candidates submitted by Board members.

Criteria and Diversity

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by shareholders, the Nominating and Corporate Governance Committee will apply the criteria set forth in the Company's Corporate Governance Guidelines. These criteria include finding candidate's who bring the background, knowledge, experience, skill sets, and expertise that would strengthen and increase the diversity of the Board. The Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Shareholder Recommendations and Nominations

The policy of the Nominating and Governance Committee is to consider properly submitted shareholder recommendations of candidates for membership on the Board, as described above under *"Identifying and Evaluating Candidates for Director."* Any shareholder recommendations proposed for consideration by the Nominating and Governance Committee should include the candidate's name and qualifications for Board membership and should be addressed to:

Shareholders may nominate directors for consideration at an annual shareholders meeting and solicit proxies in favor of such nominees. The Nominating and Governance Committee evaluates candidates proposed by shareholders using the same criteria as for other candidates. For a description of the process for nominating directors in accordance with the Company's Bylaws, see *"Questions and Answers – Shareholder Proposals, Director Nominations and Related Bylaw Provisions – 26. How may I recommend or nominate individuals to serve as directors?"* The Company has not received any shareholder nominations for director for the 2010 annual meeting.

Board and Committee Meetings

The Board met four times during the last fiscal year. The Company encourages all directors to attend each annual meeting of the shareholders, but has no formal policy requiring attendance. Leadership Structure

We separate the roles of Chief Executive Officer and Chairman of the Board. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company. The Chairman of the Board leads the activities of the Board in providing oversight to management, provides guidance to the Chief Executive Officer and serves as a liaison between management and the Board. The Board believes that separating the roles of the Chairman and Chief Executive Officer enhances the ability of the Board to objectively evaluate the management and operations of the Company for the benefit of shareholders.

Risk Oversight

The Board has an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of financial risks. The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. Through committee reports, the entire Board of Directors is regularly informed regarding the nature and management of the risks overseen by each of its committees.

Communications from Shareholders to the Board

The Board recommends that shareholders initiate any communications with the Board in writing in care of:

Corporate Secretary
Pizza Inn, Inc.
3551 Plano Parkway
The Colony, TX 75056
Fax: (469) 384-5061
E-mail: corporate_secretary@pihq.com

This centralized process assists the Board in reviewing and responding appropriately to shareholder communications. The names of specific intended Board members should be noted in the communication. The Board has instructed the Corporate Secretary to forward such correspondence only to the intended recipients. However, the Board has also instructed the Corporate Secretary to review such correspondence prior to forwarding and in his discretion not to forward certain items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, the correspondence may be forwarded elsewhere in the Company for review and possible response.

Director Compensation

The Chairman of the Board receives an annual retainer of \$23,000 and the other non-employee directors receive an annual retainer of \$17,000. Each non-employee director additionally receives a fee of \$1,000 for each Board meeting attended and a fee of \$250 for each Committee meeting attended. Directors are also reimbursed for their reasonable expenses in connection with attending Board and committee meetings.

In addition to an annual retainer and meeting fees, each non-employee director is eligible to receive stock option awards under the 2005 Non-Employee Directors Stock Option Award Plan (the "2005 Directors Plan"). Under the 2005 Directors Plan, eligible directors automatically receive, as of the first day of the Company's fiscal year, options for Common Stock equal to twice the number of shares of Common Stock purchased during the preceding fiscal year or purchased by exercise of previously granted options during the first ten days of the current fiscal year. Stock options granted under the 2005 Directors Plan have an exercise price equal to the market price of the Common Stock on the date of grant, are first exercisable one year after grant and expire to the extent unexercised after ten years. Each eligible director is entitled to options for no more than 40,000 shares per fiscal year under the terms of the 2005 Directors Plan.

The following table summarizes compensation earned by each of our non-employee directors who served in such capacity during fiscal 2010.

INDEPENDENT AUDITORS

The Company retained BDO Seidman, LLP ("BDO") as its independent registered public accounting firm for the fiscal year ended June 28, 2009. Effective October 6, 2009, the Company dismissed BDO and retained Montgomery Coscia Greulich, LLP ("MCG") as the independent registered public accounting firm to audit the Company's financial statements for the fiscal year ended June 27, 2010. The decision to change accountants was approved by the Audit Committee of the Company's board of directors.

A representative of MCG is expected to be present at the annual meeting, to be available to respond to appropriate questions and to have an opportunity to make a statement.

BDO's report on the Company's financial statements as of and for the fiscal year ended June 28, 2009 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two fiscal years ended June 28, 2009 and the subsequent interim period preceding such dismissal, (i) there was no disagreement with BDO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which disagreement, if not resolved to the satisfaction of BDO, would have caused BDO to make reference to the subject matter of the disagreement in connection with their reports, (ii) there were no "reportable events" within the meaning of Item 304(a)(1)(v) of Regulation S-K, and (iii) the Company did not consult with MCG regarding either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements. A copy of a letter from BDO to the SEC concurring with the foregoing statements is attached as Exhibit 16.1 to the Company's Form 8-K filed on October 8, 2009.

The following table shows the fees the Company paid or accrued for audit and other services provided by BDO for fiscal 2009 and MCG for fiscal 2010.

	2009 (BDO)	2010 (MCG)
Audit Fees	\$180,205	\$95,000
Audit-Related Fees	--	--
Tax Fees	--	\$53,578
All Other Fees	--	--
Total	\$180,205	\$148,578

Audit Fees. This category represents aggregate fees billed by BDO and MCG for professional services rendered for the audit of the Company's annual financial statements for the fiscal years ended June 27, 2010 and June 28, 2009, respectively, and the reviews of the financial statements included in the Company's Forms 10-Q for those fiscal years.

Tax Fees. These fees consist of amounts billed by MCG for work related to tax return preparation and related services.

Pre-Approval of Services of the Independent Auditor

The Audit Committee is responsible for appointing, setting compensation for, and overseeing the work of the independent auditor. Audit Committee policy requires all services provided by MCG to be pre-approved by the Audit Committee. Pre-approval applies to audit services, audit-related services, tax services and other services. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular defined task or scope of work and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the Audit Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee. In fiscal 2010, all audit services and non-audit services performed by MCG were pre-approved by the Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is currently composed of three independent directors and acts under a written charter approved and adopted by the Board. The Audit Committee reviews its charter on an annual basis. Each of the members is independent as defined by all Nasdaq and SEC requirements. The Board annually reviews the relevant definitions of independence for audit committee members and makes an annual determination of the independence of Audit Committee members.

The Board of Directors has determined that at least one member of the Audit Committee, Mr. Phillips, is an "audit committee financial expert," as defined by SEC rules and regulations. This designation does not impose upon Mr. Phillips any duty, obligation or liability that is greater than is generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert does not affect the duty, obligation or liability of any other member of the Audit Committee or the Board. For an overview of Mr. Phillips' relevant experience, see "*Election of Directors*" above.

The Audit Committee reviewed and discussed with management the Company's audited financial statements for the fiscal year ended June 27, 2010. It also discussed with MCG the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees", as amended by Statement on Auditing Standards No. 90. In addition, MCG provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Committee discussed with MCG that firm's independence.

The Audit Committee is responsible for recommending to the Board that the Company's financial statements be included in the Company's annual report. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent auditor, MCG, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements to generally accepted accounting principles.

Based on the discussions with MCG concerning the audit, the financial statement review, and other such matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that the audited financial statements for the fiscal year ended June 27, 2010 be included in the Company's 2010 Annual Report on Form 10-K for filing with the SEC.

Submitted to the Board by the undersigned members of the Audit Committee.
