**ITEM 1.01. Entry into a Material Definitive Agreement**

On October 26, 2011, Pizza Inn Holdings, Inc. (the “Company”) and Amegy Bank National Association (“Amegy”) entered into an Amended and Restated Loan Agreement (the “Agreement”) amending and restating certain provisions of the Loan Agreement originally dated January 11, 2010 and amended January 10, 2011. Among other things, the Agreement increases the Company’s term loan facility, extends the advance period on the term loan facility, and revises certain financial ratios and other covenants. As amended, the Amegy credit facility provides a \$2.0 million revolving credit facility (with a \$250 thousand letter of credit subfacility) and a \$4.0 million term loan facility, in addition to \$0.7 million in existing term loans. The Company currently has no borrowings outstanding on the revolving credit facility.

The Company may borrow, repay and reborrow under the Amegy revolving credit facility through January 11, 2013, at which time all amounts outstanding under the revolving credit facility mature. Availability under the revolving credit facility is limited by advance rates on eligible inventory and accounts receivable. Interest on indebtedness from time to time outstanding under the revolving credit facility is computed at Amegy’s prime rate and is payable monthly. A commitment fee of 0.25% per annum is payable quarterly on the average unused portion of the revolving credit facility.

Amegy has agreed to make term loans under the term facility through October 31, 2012. Advances for such term loans are limited by a percentage of the costs of equipment and leasehold improvements for new restaurant locations of the Company and may not be reborrowed after repayment. Interest only is payable monthly on each term loan for up to 120 days after the initial advance. Thereafter, each term loan is payable in 36 equal monthly installments of principal plus accrued interest. Interest on each term loan accrues at Amegy’s prime rate plus 1% or, at the Company’s option, a fixed rate determined by Amegy. A fee of 0.5% of the increased term loan facility was paid at closing.

The obligations of the Company under the Agreement are guaranteed by each of its direct and indirect subsidiaries and are secured by a pledge of all of the outstanding stock of such such subsidiaries, as well as security interests in substantially all of the assets of the Company and its subsidiaries including, but not limited to, accounts receivable, inventory and equipment. The Agreement contains various affirmative covenants which, among other things, require the Company to provide Amegy with certain financial statements, compliance statements, reports and other information. The Agreement also contains various negative covenants which, among other things, require the Company to maintain certain financial ratios and restrict the ability of the Company to engage in certain activities. If an event of default occurs under the Agreement, Amegy may terminate all commitments under the credit facilities and declare all unpaid principal, interest and other amounts owing under the credit facilities to be immediately due and payable.

The description of the Amended and Restated Loan Agreement set forth above is qualified in its entirety by reference to the Amended and Restated Loan Agreement filed as an exhibit to this Current Report on Form 8-K and incorporated herein by this reference.

The Reimbursement Obligation of Borrower as provided in Section 2.2(d) shall be absolute, unconditional and irrevocable, and shall be paid and performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein; (ii) any draft or other document presented under a Letter of Credit being proved to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; (iii) payment by the Lender under a Letter of Credit against presentation of a draft or other document that fails to comply with the terms of such Letter of Credit; (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.2, constitute a legal or equitable discharge of, or provide a right of setoff against, the obligations of Borrower hereunder; (v) the fact that a Default shall have occurred and be continuing; (vi) any material adverse change in the condition (financial or otherwise), results of operations, assets, liabilities (contingent or otherwise), material agreements, properties, solvency, business, management, prospects or value of the Borrower; or (vii) any other fact, circumstance or event whatsoever. The Lender shall not have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Lender; provided that the foregoing shall not be construed to excuse the Lender from liability to Borrower to the extent of any direct damages (as opposed to consequential, special, punitive or other indirect damages, claims in respect of which are hereby waived by Borrower to the extent permitted by applicable law) suffered by Borrower that are caused by the Lender's (i) failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof or (ii) gross negligence

or willful misconduct as finally determined in a judgment of a court of competent jurisdiction. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Lender (as finally determined by a court of competent jurisdiction), the Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(f) Disbursement Procedures. The Lender shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Lender shall promptly give written notice to the Borrower of such demand for payment and whether the Lender has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve Borrower of its Reimbursement Obligation to the Lender with respect to any such LC Disbursement (other than with respect to the timing of such Reimbursement Obligation set forth in Section 2.2(d)).

(g) Interim Interest. If the Lender shall make any LC Disbursement, then, unless Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest payable on demand, for each day from and including the date such LC Disbursement is made to but excluding the date that Borrower reimburses such LC Disbursement, at the Default Rate.

(h) Other. The Lender shall be under no obligation to issue any Letter of Credit if:

(i) any order of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Lender from issuing such Letter of Credit, or any legal requirement applicable to the Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Lender shall prohibit, or request that the Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Lender is not otherwise compensated hereunder) not in effect on the date hereof, or shall impose upon the Lender any unreimbursed loss, cost or expense which was not applicable on the date hereof and which the Lender deems material to it; or

(ii) the issuance of such Letter of Credit would violate one or more policies of general application of the Lender.

(i) The Lender shall be under no obligation to amend any Letter of Credit if (A) the Lender would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

Section 2.3 General Provisions Regarding Interest; Etc.

(a) Notification of Rate. The Lender shall notify the Borrower of any change in the Lender's Base Rate used in determining the Applicable Rate promptly following the public announcement of such change.

(b) Applicable Rate. Subject to the provisions of subsection (c) below, each Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the lesser of (A) the Maximum Lawful Rate and (B) the Applicable Rate.

(c) Default Rate. If any amount payable by the Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter, upon the giving of prior written notice by Lender to Borrower, bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Furthermore, while any default or event of default exists, the Borrower shall pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(d) Maximum Rate Limitations. If at any time the rate of interest applicable to any portion of the Loans would exceed the Maximum Lawful Rate but for the provisions thereof limiting interest to the Maximum Lawful Rate, then any subsequent reduction shall not reduce the rate of interest on the Loans below the Maximum Lawful Rate until the aggregate amount of interest accrued on the Loans equals the aggregate amount of interest which would have accrued on the Loans if the interest rate had not been limited by the Maximum Lawful Rate.

(e) Computations of Rate. All computations of fees and interest for Advances when the Applicable Rate is determined by the Lender's Base Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), unless such computation would cause the fees and interest to exceed the Maximum Lawful Rate, in which event, such computation shall be on the basis of a 365 or 366 day year, as applicable. Interest shall accrue on each Loan for the day on which the Loan is made, or any portion thereof, but not for the day on which the Loan or such portion is paid.

(f) Capital Adequacy. If after the date hereof, the Lender shall have determined that any central bank or other Governmental Authority properly authorized to do so has adopted or implemented (and has taken all necessary action to legally adopt or

implement) any applicable law, rule, or regulation regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof, compliance with which by the Lender would have the effect of reducing the rate of return on the Lender's capital as a consequence of its obligations hereunder or the transactions contemplated hereby to a level below that which the Lender could have achieved but for such adoption, implementation, change, or compliance (taking into consideration the Lender's policies with respect to capital adequacy) by an amount deemed by the Lender to be material, then from time to time, within ten Business Days after demand by the Lender, the Borrower shall pay to the Lender (or its parent) such additional amount or amounts as will compensate the Lender for such reduction. The Lender will give the Borrower notice of any event occurring after the date of this Agreement which will entitle the Lender to compensation pursuant to this Section promptly after it obtains knowledge thereof and determines to request such compensation, and no claim by the Lender for compensation under this Section shall in any case be made until such time as the Lender determines that it is legally required to comply with such law, rule, regulations or change thereto giving rise to such claim. A certificate of the Lender claiming compensation under this Section and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive, provided that the determination thereof is made on a reasonable basis. In determining such amount or amounts, the Lender may use any reasonable averaging and attribution methods.

(g) Increased Costs.

(i) Increased Costs Generally. If any Change in Law shall:

(A) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Lender (except any reserve requirement contemplated by this Article II);

and the result of any of the foregoing shall be to increase the cost to the Lender, or to reduce the amount of any sum received or receivable by the Lender, (whether of principal, interest or any other amount) then, upon request of the Lender, the Borrower will pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered, but only to the extent Lender is assessing and collecting such additional amounts from other borrowers under substantially all other similar credit facilities.

(ii) Capital Requirements. If the Lender determines that any Change in Law affecting the Lender or any Principal Office of the Lender or the Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on the Lender's capital or on the capital of the Lender's holding company, if any, as a consequence of this Agreement, the commitments of the Lender or the. Loans made by the Lender to a level below that which the Lender or the Lender's holding company could have achieved but for such change in law (taking into consideration the Lender's policies and the

policies of the Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to the Lender such additional amount or amounts as will compensate the Lender or the Lender's holding company for any such reduction suffered.

(iii) Certificates for Reimbursement. A certificate of the Lender setting forth, in detail, with explanations for the additional amounts, the amount or amounts necessary to compensate the Lender or its holding company, as the case may be, as specified in this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay the Lender the amount shown as due on any such certificate within 10 days after receipt thereof

(iv) Delay in Requests. Failure or delay on the part of the Lender to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of the Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate the Lender pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrower of the change in law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor (except that, if the change in law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(h) Survival. All of the Borrower's obligations under Sections 2.2 and 2.3 hereof shall survive termination of the commitments under this Agreement and repayment of all other Obligations hereunder.

Section 2.4 Use of Proceeds. The proceeds of the Revolving Credit Advances shall be used by the Borrower for working capital and general corporate purposes in the ordinary course of business. The proceeds of the Term Advances shall be used by Borrower to finance the purchase of equipment and for the construction of leasehold improvements at each Location.

Section 2.5 Evidence of Debt. The Loans made by the Lender shall be evidenced by one or more accounts or records maintained by the Lender in the ordinary course of business. The accounts or records maintained by the Lender shall be presumed to be correct absent manifest error of the amount of the Loans made by the Lender to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations.

### ARTICLE III

#### Payments and Fees

Section 3.1 Method of Payment. All payments of principal, interest, and other amounts to be made by the Borrower under this Agreement and the other Loan Documents shall be made to the Lender at the Principal Office in Dollars and immediately available funds, without setoff, deduction, or counterclaim, and free and clear of all taxes at the time and in the manner provided in the Notes.

Section 3.2 Prepayments.

(a) Voluntary Prepayments.

(i) Prepayments of Revolving Credit Advances. The Borrower may, upon notice to the Lender, at any time or from time to time voluntarily prepay any Revolving Credit Advance in whole or in part without premium or penalty; provided that, and notwithstanding anything to the contrary contained in this Agreement, such notice must be received by the Lender not later than 2:00 p.m. on the date of prepayment of a Loan. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(ii) Prepayments of Guidance Loans. The Borrower may, upon notice to the Lender, at any time or from time to time voluntarily prepay any Guidance Loan in whole or in part; provided that, and notwithstanding anything to the contrary contained in this Agreement, such notice must be received by the Lender not later than 2:00 p.m. on the date of prepayment of a Loan. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Prepayments of any Guidance Loan bearing interest based on the Base Rate may be made without premium or penalty. Prepayments of any Guidance Loans bearing interest at a fixed rate pursuant to Section 2.3(b) shall include a prepayment premium (the "Prepayment Premium") as follows:

(A) The Prepayment Premium with respect to each scheduled payment of principal of any Guidance Loan being prepaid shall be in an amount equal to the present value, applying the Discount Rate over the number of Interest Payment Dates until the scheduled principal payment date, of:

(1) (a) the stated interest rate on the Guidance Term Note, minus (b) the sum of (i) the interest rate on current issue United States Treasury obligations with a maturity date equal to the number of years (or fraction thereof) between the prepayment date and the scheduled principal payment date; such rate, where necessary, will be determined by interpolating between the current issue United States Treasury obligations, and (ii) a spread of 2.00%, multiplied by (c) the amount of the scheduled principal payment, or portion thereof being paid, divided by (d) 12.

(2) For purposes of calculating the Prepayment Premium, "Discount Rate" means a rate equal to (a) the sum of (i) the interest rate on

current issue United States Treasury obligations with a maturity date equal to the number of years (or fraction thereof) between the prepayment date and the scheduled principal payment date; such rate, where necessary, will be determined by interpolating between the current issue United States Treasury obligations, plus (ii) a spread to be determined at the time of prepayment, which spread will be based upon the LIBOR swap market, divided by (b) 12.

(B) If the Prepayment Premium so calculated is a positive amount, then Borrower shall pay such amount to the Lender. If the calculation results in a negative amount, then no Prepayment Premium is due from the Borrower.

(iii) Prepayments of Existing Term Loans. The Borrower may, upon notice to the Lender, at any time or from time to time voluntarily prepay any Existing Term Loan in whole or in part; provided that, and notwithstanding anything to the contrary contained in this Agreement, such notice must be received by the Lender not later than 2:00 p.m. on the date of prepayment of a Loan. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(b) Mandatory Prepayments.

(i) The Borrower must pay on DEMAND the amount by which at any time the aggregate amount of all Revolving Credit Advances plus the outstanding LC Exposure at any time outstanding exceeds the lesser of (i) the Revolving Credit Commitment and (ii) the Borrowing Base.

(ii) If, at any time after the Closing Date, the Borrower or the Lender receives any net insurance proceeds or net condemnation proceeds from any Collateral, the Borrower shall promptly prepay the Advances by an amount equal to such net insurance proceeds or net condemnation proceeds. Any such mandatory prepayments shall be applied first to the Existing Term Loans pro rata based on the principal amount outstanding and applied in inverse order of maturity, then to the Guidance Loans pro rata based on the principal amount outstanding and applied in inverse order of maturity, then to LC Disbursements for which the Lender has not been reimbursed by the Borrower, then to the Revolving Credit Advances, and then to the Lender as cash collateral up to an amount equal to the aggregate undrawn amount of all outstanding Letters of Credit. Notwithstanding the foregoing, the Borrower shall not be required to make a prepayment pursuant to this clause (ii) with respect to any such casualty or condemnation event if the Borrower may use such proceeds to repair, restore or replace such Collateral so long as the Borrower shall have provided to the Lender within 60 days after such casualty or condemnation event a plan to restore, repair or replace such Collateral to its value immediately preceding such condemnation or casualty event, which plan is reasonably satisfactory to the Lender. Any prepayments hereunder shall be accompanied with accrued and unpaid interest on the amount prepaid to the date of prepayment.

(iii) Upon the disposition of any assets (other than dispositions of equity interests or dispositions of assets permitted under Sections 8.6 and 8.8), the Borrower shall promptly prepay the Advances by an amount equal to the net cash proceeds of such sale, transfer or other disposition. Any such mandatory prepayments shall be applied first to the Existing Term Loans pro rata based on the principal amount outstanding and applied in inverse order of maturity, then to the Guidance Loans pro rata based on the principal amount outstanding and applied in inverse order of maturity, then to LC Disbursements for which the Lender has not been reimbursed by the Borrower, then to the Revolving Credit Advances, and then to the Lender as cash collateral up to an amount equal to the aggregate undrawn amount of all outstanding Letters of Credit. Any prepayments hereunder shall be accompanied with accrued and unpaid interest on the amount prepaid to the date of prepayment.

### Section 3.3 Taxes.

(a) Any and all payments by the Borrower hereunder or under the Notes shall be made, in accordance with Section 3.1, free and clear of and without deduction for any and all present or future Taxes, excluding, in the case of Lender, taxes imposed on its income, and franchise taxes imposed on Lender, by the jurisdiction under the laws of which Lender is organized or is or should be qualified to do business or any political subdivision thereof and Taxes imposed on its income by the jurisdiction of Lender's lending office or any political subdivision thereof. If Borrower shall be required by law to deduct any Taxes (i.e., Taxes for which Borrower is responsible under the preceding sentence) from or in respect of any sum payable hereunder or under the Note to Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.3) Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions and (iii) Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, the Borrower agrees to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies which arise from any payment made hereunder or under the Loan Documents from the execution, delivery, or registration of, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "Other Taxes").

(c) Borrower will indemnify Lender for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 3.3) for which Borrower is liable pursuant to this Section 3.3 paid by Lender (as the case may be) or any liability (including penalties and interest) arising therefrom or with respect thereto. Upon written notice from Lender of a statement setting forth the amounts to be owed hereunder, this

indemnification shall be made 30 days from the date Lender makes written demand therefor. This indemnity shall survive the termination of this Agreement.

(d) Within 30 days after the date of any payment of Taxes, Borrower will furnish to Lender, upon Lender's request, the original or a certified copy of a receipt evidencing payment thereof.

(e) Without prejudice to the survival of any other agreement of Borrower hereunder, the agreements and obligations of Borrower contained in this Section 3.3 shall survive the payment in full of the Obligations.

Section 3.4 Unused Fees. An unused fee ("Unused Fee") shall be due and payable in arrears on the last day of each fiscal quarter and on the date on which the Revolving Credit Commitment terminates. The Unused Fee shall be equal to 0.25% times the actual average daily amount by which the Revolving Credit Commitment exceeds the total outstanding amount of Revolving Credit Advances plus the outstanding LC Exposure for the applicable period, prorated for the number of days during such quarter divided by 365 days.

#### ARTICLE IV

##### Security

Section 4.1 Collateral. To secure full and complete payment and performance of the Obligations, the Borrower and each of its Subsidiaries shall execute and deliver or cause to be executed and delivered all of the Security Documents required by the Lender covering Collateral described in such Security Documents (which, together with any other collateral described in each Security Agreement, and any other Property which may now or hereafter secure the Obligations or any part thereof, is sometimes herein called the "Collateral"). The Borrower and each of its Subsidiaries shall execute, or cause to be executed and authorize the execution and/or filing thereof by the Lender, such further documents and instruments, including without limitation, Uniform Commercial Code financing statements, as the Lender deems reasonably necessary or desirable to create, evidence, preserve, and perfect its Liens in the Collateral.

Section 4.2 Setoff. If an Event of Default shall have occurred and be continuing, the Lender shall have the right to set off and apply against the Obligations in such manner as the Lender may determine, at any time and without notice to the Borrower or any other Loan Party, any and all deposits (general or special, time or demand, provisional or final) or other sums at any time credited by or owing from the Lender to the Borrower whether or not the Obligations are then due. As further security for the Obligations, the Borrower hereby grants to the Lender a Lien in all money, instruments, and other Property of the Borrower now or hereafter held by the Lender, including, without limitation, Property held in safekeeping. In addition to the Lender's right of setoff and as further security for the Obligations, the Borrower hereby grants to the Lender a Lien in all deposits (general or special, time or demand, provisional or final) and other accounts of the Borrower now or hereafter on deposit with or held by the Lender and all other sums at any time credited by or owing from the Lender to the Borrower. The rights and remedies of the Lender hereunder are in addition to other rights and remedies (including, without limitation, other rights of setoff) which the Lender may have.

## ARTICLE VI

### Representations and Warranties

To induce the Lender to enter into this Agreement, the Borrower represents and warrants to the Lender that:

Section 6.1 Organizational Existence. Each Loan Party (a) is a corporation, limited partnership and/or limited liability company duly organized, validly existing, and in good standing under the laws of the jurisdiction of its organization; (b) has all requisite power and authority to own its assets and carry on its business as now being or as proposed to be conducted; and (c) is qualified to do business in all jurisdictions in which the nature of its business makes such qualification necessary and where failure to so qualify would have a Material Adverse Effect. Each Loan Party has the power and authority to execute, deliver, and perform its obligations under this Agreement and the other Loan Documents to which it is or may become a party.

Section 6.2 Financial Statements; Etc. The Borrower has delivered to the Lender consolidated balance sheets and related statements of income of Borrower as at and for the fiscal year ended June 26, 2011. Such financial statements are true and correct, have been prepared in accordance with GAAP, and fairly present the financial condition of the Borrower as of the respective dates indicated therein and the results of operations for the respective periods indicated therein. Neither the Borrower nor any of its Subsidiaries have any material contingent liabilities, liabilities for taxes, unusual forward or long-term commitments, or unrealized or anticipated losses from any unfavorable commitments except as referred to or reflected in such financial statements or arising in the ordinary course of business. There has been no Material Adverse Effect on the Borrower or any of its Subsidiaries since the effective date of the most recent financial statements referred to in this Section. All projections delivered by the Borrower to the Lender have been prepared in good faith, with care and diligence and use assumptions that are reasonable under the circumstances at the time such projections were prepared and delivered to the Lender, and all such assumptions are disclosed in the projections.

Section 6.3 Action; No Breach. The execution, delivery, and performance by the Borrower and any other Loan Party of this Agreement and the other Loan Documents to which the Borrower or such other Loan Party is or may become a party and compliance with the terms

and provisions hereof and thereof have been duly authorized by all requisite action on the part of the Borrower or such Loan Party and do not and will not (a) violate or conflict with, or result in a breach of, or require any consent under (i) Constituent Documents of the Borrower or any of its Subsidiaries, (ii) any applicable law, rule, or regulation or any order, writ, injunction, or decree of any Governmental Authority or arbitrator where the failure to comply is reasonably likely to result in a Material Adverse Effect, or (iii) any material agreement or instrument to which the Borrower or any of its Subsidiaries is a party or by which any of them or any of their Property is bound or subject, or (b) result in the creation or imposition of any Lien upon any of the revenues or assets of the Borrower or any Subsidiary, other than Permitted Liens.

Section 6.4 Operation of Business. The Borrower and each of its Subsidiaries possess all licenses, permits, franchises, patents, copyrights, trademarks, and trade names, or rights thereto, necessary to conduct their respective businesses substantially as now conducted and as presently proposed to be conducted, except where the failure to so possess would not have a Material Adverse Effect, and the Borrower and each of its Subsidiaries are not in violation of any valid rights of others with respect to any of the foregoing.

Section 6.5 Litigation and Judgments. There is no action, suit, investigation, or proceeding before or by any Governmental Authority or arbitrator pending, or to the knowledge of the Borrower, threatened against or affecting Borrower or any of its Subsidiaries, that would, if adversely determined, have a Material Adverse Effect on Borrower or its Subsidiaries. Except as set forth on Schedule 6.5, there are no outstanding judgments against Borrower or any Subsidiary of the Borrower.

Section 6.6 Rights in Property; Liens. The Borrower and each of its Subsidiaries have good title to or valid leasehold interests in their respective Property, including the Property reflected in the financial statements described in Section 6.2, and none of the Property of Borrower or any Subsidiary is subject to any Lien, except Permitted Liens.

Section 6.7 Enforceability. This Agreement constitutes, and the other Loan Documents to which Borrower or any other Loan Party is party, when delivered, shall constitute legal, valid, and binding obligations of Borrower and such Loan Party, enforceable against Borrower and such Loan Party in accordance with their respective terms, except as limited by bankruptcy, insolvency, or other laws of general application relating to the enforcement of creditors' rights.

Section 6.8 Approvals. No authorization, approval, or consent of, and no filing or registration with, any Governmental Authority or third party is or will be necessary for the execution, delivery, or performance by the Borrower or any other Loan Party of this Agreement and the other Loan Documents to which Borrower or such Loan Party is or may become a party or the validity or enforceability thereof.

Section 6.9 Debt. The Borrower and its Subsidiaries have no Debt, except as permitted in Section 8.1.

Section 6.10 Taxes. Except as set forth on Schedule 6.10, the Borrower and each Subsidiary have filed all tax returns (federal, state, and local) required to be filed, including all

income, franchise, employment, Property, and sales tax returns, and have paid all of their respective liabilities for taxes, assessments, governmental charges, and other levies that are due and payable. (j) An involuntary proceeding shall be commenced against the Borrower, any Subsidiary, or any Obligated Party seeking liquidation, reorganization, or other relief with respect to it or its debts under any bankruptcy, insolvency, or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian, or other similar official for it or a substantial part of its Property, and such involuntary proceeding shall remain undismissed and unstayed for a period of 60 days.

(k) The Borrower, any Subsidiary or any Obligated Party shall fail to discharge within a period of 60 days after the commencement thereof any attachment, sequestration, or similar proceeding or proceedings involving an aggregate amount in excess of \$500,000 against any of its assets or Property.

(1) A final judgment or judgments for the payment of money in excess of \$500,000 in the aggregate and not covered by insurance shall be rendered by a court or courts against the Borrower, any Subsidiary, or any Obligated Party and the same shall not be discharged (or provision shall not be made for such discharge), or a stay of execution thereof shall not be procured, within 60 days from the date of entry thereof and the Borrower or the relevant Subsidiary or Obligated Party shall not, within said period of 60 days, or such longer period during which execution of the same shall have been stayed, appeal therefrom and cause the execution thereof to be stayed during such appeal.

Section 10.2 Remedies Upon Default. If any Event of Default shall occur and be continuing, the Lender may without notice terminate the Revolving Credit Commitment and the Guidance Loan Commitment and declare the Obligations or any part thereof to be immediately due and payable, and the same shall thereupon become immediately due and payable, without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest, or other formalities of any kind, all of which are hereby expressly waived by the Borrower; provided, however, that upon the occurrence of an Event of Default under Section 10.1(e) or Section 10.1(j), the Revolving Credit Commitment and the Guidance Loan Commitment shall automatically terminate, and the Obligations shall become immediately due and payable without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest, or other formalities of any kind, all of which are hereby expressly waived by the Borrower. If any Event of Default shall occur and be continuing, the Lender may exercise all rights and remedies available to it in law or in equity, under the Loan Documents, or otherwise.

Section 10.3 Performance by the Lender. If the Borrower shall fail to perform any covenant or agreement contained in any of the Loan Documents, the Lender may perform or attempt to perform such covenant or agreement on behalf of the Borrower. In such event, the Borrower shall, at the request of the Lender, promptly pay any amount expended by the Lender in connection with such performance or attempted performance to the Lender, together with interest thereon at the Default Rate from and including the date of such expenditure to but excluding the date such expenditure is paid in full. Notwithstanding the foregoing, it is expressly agreed that the Lender shall not have any liability or responsibility for the performance of any obligation of the Borrower under this Agreement or any other Loan Document.

## ARTICLE XI

### Miscellaneous

Section 11.1 Expenses. The Borrower hereby agrees to pay on demand: (a) all costs and expenses of the Lender in connection with the preparation, negotiation, execution, and delivery of any and all amendments, modifications, renewals, extensions, and supplements of this Agreement and the other Loan Documents, including, without limitation, the reasonable fees

and expenses of legal counsel, advisors, consultants, and auditors for the Lender, (b) all costs and expenses of the Lender in connection with any Default and the enforcement of this Agreement or any other Loan Document, including, without limitation, the fees and expenses of legal counsel, advisors, consultants, and auditors for the Lender, (c) all transfer, stamp, documentary, or other similar taxes, assessments, or charges levied by any Governmental Authority in respect of this Agreement or any of the other Loan Documents, (d) all costs, expenses, assessments, and other charges incurred in connection with any filing, registration, recording, or perfection of any security interest or Lien contemplated by this Agreement or any other Loan Document, and (e) all other costs and expenses incurred by the Lender after the date hereof in connection with this Agreement or any other Loan Document, any litigation, dispute, suit, proceeding or action; the enforcement of its rights and remedies, protection of its interests in bankruptcy, insolvency or other legal proceedings, including, without limitation, all costs, expenses, and other charges incurred in connection with evaluating, observing, collecting, examining, auditing, appraising, selling, liquidating, or otherwise disposing of the Collateral or other assets of the Borrower.

Section 11.2 INDEMNIFICATION. THE BORROWER SHALL INDEMNIFY THE LENDER AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, ATTORNEYS, AND AGENTS FROM, AND HOLD EACH OF THEM HARMLESS AGAINST, ANY AND ALL LOSSES, LIABILITIES, CLAIMS, DAMAGES, PENALTIES, JUDGMENTS, DISBURSEMENTS, COSTS, AND EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES) TO WHICH ANY OF THEM MAY BECOME SUBJECT WHICH DIRECTLY OR INDIRECTLY ARISE FROM OR RELATE TO (A) THE NEGOTIATION, EXECUTION, DELIVERY, PERFORMANCE, ADMINISTRATION, OR ENFORCEMENT OF ANY OF THE LOAN DOCUMENTS, (B) ANY OF THE TRANSACTIONS CONTEMPLATED BY THE LOAN DOCUMENTS, (C) ANY BREACH BY THE BORROWER OF ANY REPRESENTATION, WARRANTY, COVENANT, OR OTHER AGREEMENT CONTAINED IN ANY OF THE LOAN DOCUMENTS, (D) THE PRESENCE, RELEASE, THREATENED RELEASE, DISPOSAL, REMOVAL, OR CLEANUP OF ANY HAZARDOUS MATERIAL LOCATED ON, ABOUT, WITHIN, OR AFFECTING ANY OF THE PROPERTY OR ASSETS OF THE BORROWER OR ANY SUBSIDIARY, OR (E) ANY INVESTIGATION, LITIGATION, OR OTHER PROCEEDING, INCLUDING, WITHOUT LIMITATION, ANY THREATENED INVESTIGATION, LITIGATION, OR OTHER PROCEEDING, RELATING TO ANY OF THE FOREGOING. WITHOUT LIMITING ANY PROVISION OF THIS AGREEMENT OR OF ANY OTHER LOAN DOCUMENT, IT IS THE EXPRESS INTENTION OF THE PARTIES HERETO THAT EACH PERSON TO BE INDEMNIFIED UNDER THIS SECTION SHALL BE INDEMNIFIED FROM AND HELD HARMLESS AGAINST ANY AND ALL LOSSES, LIABILITIES, CLAIMS, DAMAGES, PENALTIES, JUDGMENTS, DISBURSEMENTS, COSTS, AND EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES) ARISING OUT OF OR RESULTING FROM THE SOLE CONTRIBUTORY OR ORDINARY NEGLIGENCE OF SUCH PERSON; PROVIDED, HOWEVER, NO PERSON SHALL BE INDEMNIFIED HEREUNDER FOR ITS OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

Section 11.3 Limitation of Liability. Neither the Lender nor any Affiliate, officer, director, employee, attorney, or agent of the Lender shall have any liability with respect to, and the Borrower hereby waives, releases, and agrees not to sue any of them upon, any claim for any

special, indirect, incidental, or consequential damages suffered or incurred by the Borrower in connection with, arising out of, or in any way related to, this Agreement or any of the other Loan Documents, or any of the transactions contemplated by this Agreement or any of the other Loan Documents. The Borrower hereby waives, releases, and agrees not to sue the Lender or any of the Lender's Affiliates, officers, directors, employees, attorneys, or agents for punitive damages in respect of any claim in connection with, arising out of, or in any way related to, this Agreement or any of the other Loan Documents, or any of the transactions contemplated by this Agreement or any of the other Loan Documents.

Section 11.4 No Duty. All attorneys, accountants, appraisers, and other professional Persons and consultants retained by the Lender shall have the right to act exclusively in the interest of the Lender and shall have no duty of disclosure, duty of loyalty, duty of care, or other duty or obligation of any type or nature whatsoever to the Borrower, its Subsidiaries, any of their shareholders or any other Person.

Section 11.5 Lender Not Fiduciary. The relationship between the Borrower and the Lender is solely that of debtor and creditor, and the Lender has no fiduciary or other special relationship with the Borrower, and no term or condition of any of the Loan Documents shall be construed so as to deem the relationship between the Borrower and the Lender to be other than that of debtor and creditor.

Section 11.6 Equitable Relief. The Borrower recognizes that in the event the Borrower fails to pay, perform, observe, or discharge any or all of the Obligations, any remedy at law may prove to be inadequate relief to the Lender. The Borrower therefore agrees that the Lender, if the Lender so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

Section 11.7 No Waiver; Cumulative Remedies. No failure on the part of the Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power, or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, power, or privilege. The rights and remedies provided for in this Agreement and the other Loan Documents are cumulative and not exclusive of any rights and remedies provided by law.

Section 11.8 Successors and Assigns. This Agreement is binding upon and shall inure to the benefit of the Lender and the Borrower and their respective successors and assigns, except that the Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the Lender.

Section 11.9 Survival. All representations and warranties made in this Agreement or any other Loan Document or in any document, statement, or certificate furnished in connection with this Agreement shall survive the execution and delivery of this Agreement and the other Loan Documents, and no investigation by the Lender or any closing shall affect the representations and warranties or the right of the Lender to rely upon them. Without prejudice to the survival of any other obligation of the Borrower hereunder, the obligations of the Borrower

under Sections 11.1, 11.2 and 11.3 shall survive repayment of the Obligations and termination of the Revolving Credit Commitment and the Guidance Loan Commitment.

Section 11.10 ENTIRE AGREEMENT; AMENDMENT. THIS AGREEMENT, THE NOTES, AND THE OTHER LOAN DOCUMENTS REFERRED TO HEREIN EMBODY THE FINAL, ENTIRE AGREEMENT AMONG THE PARTIES HERETO AND SUPERSEDE ANY AND ALL PRIOR REVOLVING CREDIT COMMITMENTS, GUIDANCE LOAN COMMITMENTS, AGREEMENTS, REPRESENTATIONS, AND UNDERSTANDINGS, WHETHER WRITTEN OR ORAL, RELATING TO THE SUBJECT MATTER HEREOF AND MAY NOT BE CONTRADICTED OR VARIED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OR DISCUSSIONS OF THE PARTIES HERETO. THERE ARE NO ORAL AGREEMENTS AMONG THE PARTIES HERETO. The provisions of this Agreement and the other Loan Documents to which the Borrower is a party may be amended or waived only by an instrument in writing signed by the Borrower and the Lender.

Section 11.11 Notices. All notices and other communications provided for in this Agreement and the other Loan Documents to which the Borrower or any Subsidiary is a party shall be given or made by telex, telegraph, telecopy, cable, or in writing and telexed, telecopied, telegraphed, cabled, mailed by certified mail return receipt requested, or delivered to the intended recipient at the "Address for Notices" specified below its name on the signature pages hereof; or, as to any party, at such other address as shall be designated by such party in a notice to the other party given in accordance with this Section. Except as otherwise provided in this Agreement, all such communications shall be deemed to have been duly given when transmitted by telex or telecopy, subject to telephone confirmation of receipt, or delivered to the telegraph or cable office, subject to telephone confirmation of receipt, or when personally delivered or, in the case of a mailed notice, when duly deposited in the mails, in each case given or addressed as aforesaid; provided, however, notices to the Lender pursuant to Article II shall not be effective until received by the Lender.

Section 11.12 Governing Law; Venue; Service of Process. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas and the applicable laws of the United States of America. This Agreement has been entered into in Dallas County, Texas, and it shall be performable for all purposes in Dallas County, Texas. Any action or proceeding against the Borrower under or in connection with any of the Loan Documents may be brought in any state or federal court in Dallas County, Texas. The Borrower hereby irrevocably (a) submits to the nonexclusive jurisdiction of such courts, and (b) waives any objection it may now or hereafter have as to the venue of any such action or proceeding brought in any such court or that any such court is an inconvenient forum. The Borrower agrees that service of process upon it may be made by certified or registered mail, return receipt requested, at its address specified or determined in accordance with the provisions of Section 11.11. Nothing herein or in any of the other Loan Documents shall affect the right of the Lender to serve process in any other manner permitted by law or shall limit the right of the Lender to bring any action or proceeding against the Borrower or with respect to any of its Property in courts in other jurisdictions. Any action or proceeding by the Borrower against the Lender shall be brought only in a court located in Dallas County, Texas.

Section 11.13 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original (including facsimile copies), but all of which together shall constitute one and the same instrument.

Section 11.14 Severability. Any provision of this Agreement held by a court of competent jurisdiction to be invalid or unenforceable shall not impair or invalidate the remainder of this Agreement and the effect thereof shall be confined to the provision held to be invalid or illegal.

Section 11.15 Headings. The headings, captions, and arrangements used in this Agreement are for convenience only and shall not affect the interpretation of this Agreement.

Section 11.16 Participations; Etc. The Lender shall have the right at any time and from time to time to grant participations in, and sell and transfer, the Obligations and the Loan Documents. Each actual or proposed participant or assignee, as the case may be, shall be entitled, subject to the provisions of Section 11.21 hereof, to receive all information received by the Lender regarding the Borrower, its Subsidiaries, and any other Obligated Party.

Section 11.17 Construction. The Borrower and the Lender acknowledge that each of them has had the benefit of legal counsel of its own choice and has been afforded an opportunity to review this Agreement and the other Loan Documents with its legal counsel.

Section 11.18 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or such condition exists.

Section 11.19 WAIVER OF JURY TRIAL. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE BORROWER HEREBY IRREVOCABLY AND EXPRESSLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF OR RELATING TO ANY OF THE LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED THEREBY OR THE ACTIONS OF LENDER IN THE NEGOTIATION, ADMINISTRATION, OR ENFORCEMENT THEREOF.

Section 11.20 Maximum Interest Rate. No provision of this Agreement or any other Loan Document shall require the payment or the collection of interest in excess of the Maximum Lawful Rate. If any excess of interest in such respect is hereby provided for, or shall be adjudicated to be so provided, in any Loan Document or otherwise in connection with this loan transaction, the provisions of this Section shall govern and prevail and neither the Borrower nor the sureties, guarantors, successors, or assigns of the Borrower shall be obligated to pay the excess amount of such interest or any other excess sum paid for the use, forbearance, or detention of sums loaned pursuant hereto. In the event the Lender ever receives, collects, or applies as interest any such sum, such amount which would be in excess of the Maximum Lawful Rate shall be applied as a payment and reduction of the principal of the indebtedness

evidenced by the Notes, as determined by the Lender; and, if the principal of the Notes have been paid in full, any remaining excess shall forthwith be paid to the Borrower. In determining whether or not the interest paid or payable exceeds the Maximum Lawful Rate, the Borrower and the Lender shall, to the extent permitted by applicable law, (a) characterize any non-principal payment as an expense, fee, or premium rather than as interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the entire contemplated term of the indebtedness evidenced by the Notes so that interest for the entire term does not exceed the Maximum Lawful Rate.

Section 11.21 Confidentiality. The Lender agrees to keep confidential all non-public information provided to it by or on behalf of the Borrower or any of the Subsidiaries pursuant to this Agreement or any other Loan Document; provided that nothing herein shall prevent any Lender from disclosing any such information (i) to any assignee or participant or prospective transferee, if such transferee has agreed in writing to be bound by this Section 11.21, (ii) to its employees, directors, agents, attorneys, accountants and other professional advisors, (iii) as may be required or appropriate in any report, statement or testimony submitted to any Governmental Authority having or claiming jurisdiction over the Lender (including the Board and the Federal Deposit Insurance Corporation or any similar organization, whether in the United States or elsewhere, and their respective successors), (iv) as may be required or appropriate in response to any summons or subpoena or in connection with any litigation, (v) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any requirement of law, (vi) which has been publicly disclosed other than in breach of this Agreement, or (vii) in connection with the exercise of any remedy hereunder. Subject to the proviso set forth in the immediately preceding sentence, the Lender agrees that such non-public information shall be used and disclosed only in connection with the Lender's administration of the Advances under this Agreement and will not be furnished or otherwise made available to other departments or operations of the Lender.

Section 11.22 USA PATRIOT ACT NOTIFICATION. The following notification is provided to the Borrower and its Subsidiaries pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318.

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each Person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for the Borrower and its Subsidiaries: When the Borrower or any Subsidiary opens an account, if the Borrower or such Subsidiary is an individual, the Lender will ask for the Borrower's or such Subsidiary's name, taxpayer identification number, residential address, date of birth, and other information that will allow the Lender to identify the Borrower or such Subsidiary, and if the Borrower or such Subsidiary is not an individual, the Lender will ask for the Borrower's or such Subsidiary's name, taxpayer identification number, business address, and other information that will allow the Lender to identify such Borrower or such Subsidiary. The Lender may also ask, if the Borrower or such Subsidiary is an individual, to see the Borrower's or such Subsidiary's driver's license or other identifying documents, and if the Borrower or such Subsidiary is not an individual, to see the Borrower's or such Subsidiary's legal organizational documents or other identifying documents.

Section 11.23 Amendment and Restatement. This Agreement amends and restates in its entirety the Existing Loan Agreement. The execution of this Agreement and the other Loan Documents executed in connection herewith does not extinguish the indebtedness outstanding in connection with the Existing Loan Agreement nor does it constitute a novation with respect to such indebtedness.

Section 11.24 Assignment and Assumption.

(a) Assumption of Obligations; Rights of Lender. The Prior Borrower hereby assigns to Borrower, and Borrower covenants, promises and agrees that Borrower unconditionally assumes and is bound by, all terms, conditions, duties, indemnities, obligations, liabilities, provisions, and covenants of the Existing Loan Documents as if Borrower had been the original maker of the Existing Notes and an original party to the other Existing Loan Documents, and Borrower shall pay all sums to be paid and otherwise perform each and every obligation to be performed by the Prior Borrower in accordance with the terms and conditions of the Existing Loan Documents, such terms and conditions to remain as originally written and as subsequently modified.

(b) Affirmation by Borrower. Borrower agrees that the Loan Documents are and shall be and remain in full force and effect, enforceable in accordance with their terms. Borrower shall be wholly personally liable for the payment of all sums and the performance of every obligation required under the Loan Documents.

(c) Acknowledgment by Borrower. Except as otherwise specified herein, the terms and provisions hereof shall in no manner impair, limit, restrict or otherwise affect the obligations of Borrower or any third party to the Lender, as evidenced by the Existing Loan Documents. Prior Borrower and Borrower hereby acknowledge, agree and represent that, from and after the Closing Date, (i) there are no claims or offsets against, or recoupments, adjustments, defenses or counterclaims to, the terms or provisions of the Existing Loan Documents or the Loan Documents, and the other obligations created or evidenced by the Existing Loan Documents or the Loan Documents; and (ii) neither Prior Borrower nor Borrower has any claims, offsets, defenses or counterclaims arising from any of the Lender's acts or omissions with respect to the Collateral, the Existing Loan Documents or the Loan Documents or the Lender's performance under the Existing Loan Documents or the Loan Documents. To the extent Borrower or the Prior Borrower now has, or in the future possesses, any claims, offsets, defenses or counterclaims against Lender or the repayment of all or a portion of the Obligations arising out of acts or omissions occurring on or before the Closing Date, whether known or unknown, fixed or contingent, same are hereby forever irrevocably waived and released in their entirety.
