PROXY STATEMENT FOR THE  
ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD DECEMBER 15, 2004

Pizza Inn, Inc., a Missouri corporation (the "Company"), is soliciting proxies to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the Company's corporate offices, 3551 Plano Parkway, The Colony, Texas 75056, on Wednesday, December 15, 2004, at 10:00 a.m., Dallas time, and at any postponements or adjournments thereof. This Proxy Statement and the enclosed form of proxy were first mailed to the Company's shareholders on or about November 16, 2004.

If the proxy is signed and returned before the Annual Meeting, it will be voted in accordance with the directions on the proxy or, if no directions are made, by the proxies named therein in their discretion. A shareholder may revoke a proxy at any time before it is voted by execution of a subsequent proxy, voting the shares in person at the Annual Meeting, or by giving written notice to Pizza Inn, Inc., c/o Securities Transfer Corporation, Transfer Agent, 2591 Dallas Parkway, Suite 102, Frisco, Texas 75034 at any time prior to the close of the polls at the Annual Meeting stating that the proxy has been revoked. If you hold shares through a bank or brokerage firm, you must contact that firm to revoke any prior voting instructions. The Company must receive the notice or a new proxy card before the vote is taken at the Annual Meeting.

OUTSTANDING CAPITAL STOCK

The record date for shareholders entitled to notice of, and to vote at, the Annual Meeting is October 18, 2004. At the close of business on that date, there were outstanding 10,138,674 shares of Common Stock, \$.01 par value ("Common Stock"). No other class of securities of the Company is entitled to notice of, or to vote at, the Annual Meeting.

ACTION TO BE TAKEN AT THE MEETING

The accompanying proxy, unless the shareholder otherwise specifies in the proxy, will be voted:

1. FOR the election of the four Class I director nominees named herein, to serve for a term of two years each (or one year if the proposal to amend the Company's Restated Articles of Incorporation is adopted) or until their respective successors are elected and qualified;
2. FOR the approval of the adoption of a stock award plan for non-employee directors as a successor plan to the 1993 Outside Directors Stock Award Plan that expired in 2003;
3. FOR the approval of the adoption of an incentive stock award plan for employees as a successor plan to the 1993 Employee Stock Award Plan that expired in 2003;
4. FOR the amendment of the Company's Restated Articles of Incorporation to declassify the board of directors; and
5. In the discretion of the proxy holders, as to the transaction of such other business as may properly come before the meeting or any postponements or adjournments thereof.

The Board of Directors is not presently aware of any other business to be brought before the Annual Meeting.

QUORUM AND VOTING

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting. In deciding all questions, a holder of Common Stock (a "Shareholder") is entitled to one vote, in person or by proxy, for each share held in his name on the record date. Cumulative voting for the election of directors is not permitted. Thus, a Shareholder is not entitled to cumulate his votes and cast them all for any single nominee or to spread his votes, so cumulated, among more than one nominee. Directors will be elected by a plurality of the votes cast. To be elected as a director, a candidate must be one of the four candidates who receive the most votes out of all votes cast at the Annual Meeting.

A Shareholder who is present, in person or by proxy, and who withholds his vote in the election of directors, will be counted for purposes of determining whether a quorum exists, but the withholding of his vote will not affect the election of directors. A Shareholder who is present, in person or by proxy, and who abstains from voting on other proposals, will be counted for purposes of a quorum, and the abstention will have the same effect as a vote against the proposals. Broker non-votes will be considered shares present and counted for

purposes of determining whether a quorum exists; however, the presence of such shares will have no effect on the outcome of the vote. If a quorum is not present, in person or by proxy, the meeting may be postponed or adjourned from time to time until a quorum is obtained.

The enclosed proxy, if executed and returned, will be voted as directed on the proxy or, in the absence of such direction, for the election of the nominees as directors. If any other matters properly come before the meeting, the enclosed proxy will be voted by the proxy holders in accordance with their best judgment. The Board believes that all the nominees will be available to serve as directors. If any nominee is unable to serve, the Board may decide to do one of two things. The Board may recommend a substitute nominee, or the Board may fill the vacancy later. The shares represented by all valid proxies may be voted for the election of a substitute if one is nominated.

#### PROPOSAL ONE:

##### ELECTION OF DIRECTORS

The Company's Restated Articles of Incorporation and Bylaws provide that the Board of Directors shall be divided into two Classes. The terms of the four Class I directors expire at the Annual Meeting. The Board has nominated for election at the Annual Meeting all of the incumbent Class I directors. Each nominated director will serve for a term of two years. Each nominee of the Board has expressed his intention to serve the entire term for which election is sought, but if any of them is unable to serve at the time the election occurs, the proxy will be voted for the election of another nominee to be designated by the Board. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE FOUR NOMINEE DIRECTORS.

On October 20, 2004, the Board of Directors approved a proposal to amend the Company's Restated Articles of Incorporation to delete Section 8.2, the provision that divides the Board into two classes of directors. The amended and substituted Section 8.2 would provide for one class of directors. Under the amendment, if approved by the shareholders, the four director nominees proposed in this proxy, if elected, will hold office until the 2005 annual meeting of shareholders, at which time they, or their successors, would be subject to election as members of a single class of seven directors. Those directors currently referred to as Class II directors, who were elected at the 2003 annual meeting of shareholders to hold office until the 2005 annual meeting of shareholders, will complete their terms at the 2005 annual meeting of shareholders, at which time they, or their successors, would be subject to election as members of a single class of seven directors. Members of the single class, or their successors, would be subject to re-election every year. The proposal to amend the Restated Articles of Incorporation requires the approval of holders of a majority of the shares present in person or represented by proxy and entitled to vote.

If the proposed amendment is not approved by the shareholders, the two classes of directors will continue, and the four Class I nominees, if elected, will serve two year terms.

Following is the biographical information, as of October 1, 2004, of the four nominee directors, the three directors whose terms of office will continue after the Annual Meeting, the class to which each director has been or will be elected, the year in which each director was first elected, and the annual meeting (assuming that it is held in December) at which the term of each director will expire.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

The Board has adopted a set of Corporate Governance Guidelines on governance practices followed by the Company in order to assure that the Board will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's shareholders. The Governance Guidelines set forth the practices the Board will follow with respect to Board composition and selection, Board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and Board committee composition and compensation. The Governance Guidelines are intended to be compliant with changes to The Nasdaq Stock Market ("Nasdaq") listing standards and Securities and Exchange Commission (the "SEC") rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"). The Board has six committees: an Executive Committee, an Audit Committee, a Compensation Committee, a Finance Committee, a Nominating and Governance Committee, and a Strategic Planning Committee. The Governance Guidelines, as well as the charters for certain Board committees, including the Nominating and Governance Committee, may be viewed at <http://www.pizzainn.com>.

The Board met nine times during the last fiscal year. All directors attended 75% of more of the Board meetings and meetings of the committees on which they served. Below is a table that provides membership and meeting information for each of the Board committees:

Independent directors meet twice annually apart from other Board members and management representatives. Each of the Company's directors, other than Mr. Clairday and Mr. Parker, qualify as "independent" in accordance with published Nasdaq listing requirements.

Below is a description of each committee of the Board. Each of the committees has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable laws and regulations regarding "independence" when applicable and that each member is free of any relationship that would interfere with his individual exercise of independent judgment.

Executive Committee. This Committee will consider issues as directed by the

Chairman of the Board. It also may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee or to other persons, and except as otherwise limited by Missouri law.

Audit Committee. The Company has a separately designated standing audit

committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The responsibilities of this Committee include reviewing the financial reports and other financial information provided by the Company to any governmental body or the public; the Company's systems of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board have established; the Company's auditing, accounting, and financial reporting processes generally; and such other functions as the Board may from time to time assign to the Committee. In performing its duties, the Committee seeks to maintain an effective working relationship with the Board, the independent accountant, and management of the Company. The specific duties and functions of the Audit Committee are set forth in the Audit Committee Charter. The Charter is reviewed annually and updated as necessary to reflect changes in regulatory requirements, authoritative guidelines, and evolving practices.

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent auditor, BDO Seidman LLP, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

Compensation Committee. The primary responsibilities of this Committee are

to (a) review and recommend to the Board the compensation of the Chief Executive Officer and other officers of the Company, (b) review executive bonus plan allocations, (c) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, (d) oversee the Company's administration of its equity-based compensation and other benefit plans, and (e) approve grants of stock options to officers and employees of the Company under its stock plans. The Compensation Committee's role includes producing the report on executive compensation required by SEC rules and regulations. The specific duties and functions of the Compensation Committee are set forth in its charter. This charter is reviewed annually and updated as necessary to reflect changes in regulatory requirements, authoritative guidelines, and evolving practices.

Finance Committee. The primary responsibilities of this Committee are to

(a) monitor present and future capital requirements and opportunities pertaining to the Company's business, and (b) review and provide guidance to the Board and management about all proposals concerning major financial policies of the Company. The Finance Committee's role includes designating officers and employees who can execute documents and act on behalf of the Company in the ordinary course of business under previously approved banking, borrowing, and other financing arrangements.

Nominating and Governance Committee. The primary responsibilities of this

Committee are to (a) determine the slate of director nominees for election to the Board, (b) identify and recommend candidates to fill vacancies occurring between annual shareholder meetings, and (c) review, evaluate, and recommend

changes to the Company's Corporate Governance Guidelines. The Committee's role includes periodic review of the compensation paid to non-employee directors for annual retainers and meeting fees and making recommendations to the Board for any adjustments. The specific responsibilities and functions of the Committee are set forth in its Charter.

From time to time the Committee reviews the Board to assess the skills and characteristics required of Board members in the context of the current composition of the Board. This assessment includes issues of diversity in numerous factors, understanding of and achievements in the restaurant industry, board service, business, finance, marketing, and community involvement. These factors, and any other qualifications considered useful by the Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point. As a result, the priorities and emphasis of the Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Committee has not established specific minimum criteria or qualifications that a nominee must possess.

Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates, and interviews with selected candidates. In general, candidates for nomination to the Board are suggested by Board members or by employees. In 2004 the Company did not employ a search firm or pay fees to other third parties in connection with seeking or evaluating Board nominee candidates. The Committee will consider director candidates recommended by shareholders. The Committee evaluates candidates proposed by shareholders using the same criteria as for other candidates. The name of any recommended candidate for director, together with a brief biographical sketch, a document indicating the candidate's willingness to serve if elected, and evidence of the nominating person's ownership of Company stock should be sent to the Corporate Secretary of the Company using one of the methods set forth in "Communications from Shareholders to the Board," below.

Strategic Planning Committee. This Committee was constituted on April 21,

-----  
2004 specifically to work with the Company's senior management to create and implement a strategic plan for the Company. The Committee and Company management assemble and analyze data pertaining to the Company's business plan, competitive environment and objectives, and other factors relevant to the Company's concepts, products, and services, ultimately preparing and recommending plans, timetables, strategies, options, and procedures for the Company's long-term growth and success. Upon completion and presentation of a final strategic plan to be implemented and monitored by management, the Committee will transition into an oversight role, and ultimately may be dissolved, subject to reformation from time to time as the Board may deem necessary.

Communications from Shareholders to the Board

The Board recommends that shareholders initiate any communications with the Board in writing and send them in care of the Corporate Secretary. Shareholders can send communications by e-mail to corporate\_secretary@pizzainn.com, by fax to (469) 384-5061, or by mail to Corporate Secretary, Pizza Inn, Inc., 3551 Plano Parkway, The Colony, TX 75056. This centralized process assists the Board in reviewing and responding appropriately to shareholder communications. The names of specific intended Board members should be noted in the communication. The Board has instructed the Corporate Secretary to forward such correspondence only to the intended recipients; however, the Board has also instructed the Corporate Secretary, prior to forwarding any correspondence, to review such correspondence and, in his discretion, not to forward certain items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, that correspondence may be forwarded elsewhere in the Company for review and possible response.

Director Compensation

As an employee of the Company, Mr. Parker receives no compensation for serving as a director, except that he, like all directors, is eligible to receive reimbursement of any expenses incurred in attending Board and committee meetings. During fiscal year 2004, each other director received as compensation for serving on the Board and committees of the Board:

- - An annual retainer of \$17,000;

An annual retainer of \$6,000 for the Chairman of the Board; and

A per meeting fee of \$1,000 for Board meetings and \$250 fee for committee meetings.

Members of the Strategic Planning Committee receive a per diem fee of \$500 for each day they are directly engaged in the discharge of Committee responsibilities.

In addition to annual and meeting fees, each non-employee director was eligible to receive stock option awards under the 1993 Outside Directors Stock Award Plan (the "1993 Plan") until the 1993 Plan's expiration on October 13, 2003. Under the 1993 Plan, eligible directors would receive, as of the first day of the Company's fiscal year, options for Common Stock equal to twice the

number of shares of Common Stock purchased during the preceding fiscal year or purchased by exercise of previously granted options during the first ten days of the current fiscal year. On the first day of the first fiscal year immediately following the day on which a non-employee director first became eligible to participate in the 1993 Plan, that director would receive options to acquire two shares of Common Stock for each share of Common Stock owned by such director on the first day of the fiscal year. The exercise price of the options is not less than the closing price for the Common Stock on Nasdaq on the date of the option grant. Each eligible director was entitled to options for no more than 20,000 shares per fiscal year. Stock options granted under the 1993 Plan have an exercise price equal to the market price of the Common Stock on the date of grant and are first exercisable one year after grant.

Since the beginning of fiscal year 2004, stock options for 5,000 shares were granted to Mr. Schwarz pursuant to the 1993 Plan at an exercise price of \$2.15 per share.

Expiration of the 1993 Plan does not affect vesting, exercise, or expiration of options previously granted pursuant to such Plan; however, no further options may be granted.

The Board expects to grant stock option awards to non-employee directors beginning in calendar year 2005, with awards retroactive to the 1993 Plan's October 13, 2003 expiration date, if the shareholders approve Proposal Two, "Adoption of a Non-Employee Directors Stock Option Award Plan."

#### AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Committee is composed of three independent directors and acts under a written charter adopted and approved by the Board of Directors on April 15, 2003. The Committee reviews its Charter on an annual basis. Each of the members of the Committee is independent as defined by the National Association of Securities Dealers' listing standards and as required by the Sarbanes-Oxley Act. After a full review and analysis, the Board of Directors positively reaffirmed that each member of the Committee is independent within the meaning of Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards and the rules and regulations of the SEC, as such requirements are defined as of the mailing date of this proxy statement. The Board annually reviews the Nasdaq listing standards' definition of independence for audit committee members and makes an annual determination of the independence of Committee members. The Board of Directors has also determined that at least one member of the

Committee, Mr. Phillips, is an "audit committee financial expert," as defined by SEC rules and regulations. This designation results from a disclosure requirement of the SEC related to Mr. Phillips' experience and understanding with respect to certain accounting and auditing matters. The SEC believes this designation does not impose upon Mr. Phillips any duty, obligation, or liability that is greater than is generally imposed on him as a member of the Audit Committee and the Board, and that his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duty, obligation, or liability of any other member of the Audit Committee or the Board. For an overview of Mr. Phillips' relevant experience, see the section entitled "Continuing Directors" above.

The Committee reviewed and discussed the Company's audited financial statements with management. The Committee also discussed with BDO Seidman LLP the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees." In addition, BDO Seidman LLP also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Committee discussed with BDO Seidman LLP that firm's independence.

The Committee is responsible for recommending to the Board that the Company's financial statements be included in the Company's annual report. Based on the discussions with BDO Seidman LLP concerning the audit, the financial statement review, and other such matters deemed relevant and appropriate by the Committee, the Committee recommended to the Board that the June 27, 2004 audited financial statements be included in the Company's 2004 Annual Report on Form 10-K.

In accordance with the rules of the SEC, the foregoing information, which is required by paragraphs (a) and (b) of Regulation S-K Item 306, shall not be deemed to be "soliciting material", or to be "filed" with the SEC or subject to the SEC's Regulation 14A, other than as provided in that Item, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

FEES PAID TO INDEPENDENT AUDITORS

The Audit Committee has selected BDO Seidman LLP certified public accountants as the independent auditors of the Company for fiscal year 2005. A representative of BDO Seidman LLP will be present at the Annual Meeting, will be available to respond to appropriate questions, and will have an opportunity to make a statement.

For fiscal 2004, the Audit Committee selected BDO Seidman LLP to replace PricewaterhouseCoopers LLP, which was the Company's independent auditor for the fiscal year ending June 29, 2003. The decision to change accountants was made by vote of the Committee, and the dismissal of PricewaterhouseCoopers LLP became effective on October 8, 2003. During fiscal years 2002 and 2003, there were no disagreements between the Company's senior management and PricewaterhouseCoopers LLP's senior audit personnel on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure such that would have caused PricewaterhouseCoopers LLP to have made reference to the subject matter of such disagreements in connection with its audit report. The Company does not anticipate that a representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting, nor does it anticipate that any such representative will be available to make a statement or to answer questions.

The following table shows the fees the Company paid or accrued for the audit and other services provided by PricewaterhouseCoopers LLP in fiscal 2003 and BDO Seidman LLP in fiscal 2004.

	PRICEWATERHOUSECOOPERS		BDO	SEIDMAN
	2003	2004		2004
Audit Fees	\$ 129,540	--	\$	74,000
Audit-Related Fees	\$ 13,656	--	\$	--
Tax Fees	\$ 13,345	\$ 9,300	\$	950
All Other Fees	\$ 35,579	\$ 12,500	\$	3,050
Total	\$ 192,120	\$ 21,800	\$	78,000

**AUDIT FEES** This category represents aggregate fees billed by PricewaterhouseCoopers LLP and BDO Seidman LLP for professional services rendered for the audit of the Company's annual financial statements for the years ended June 29, 2003 and June 27, 2004, respectively, and the reviews of the financial statements included in the Company's Forms 10-Q for those years.

**AUDIT-RELATED FEES** These fees consist of assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. This category includes fees related to the performance of audits and attest services not required by statute or

regulations, audits of the Company's benefits plans, and accounting consultations regarding the application of generally accepted accounting principles to proposed transactions.

**TAX FEES** Fees billed by PricewaterhouseCoopers LLP for fiscal years 2003 and 2004 for tax return preparation and foreign tax analysis, and for a change in tax accounting method, and fees billed by BDO Seidman LLP for tax services during fiscal 2004.

**ALL OTHER FEES** Fees paid to PricewaterhouseCoopers LLP and BDO Seidman LLP in 2003 and 2004 generally include services pertaining to the question of change of control of the Board and the Company following the election of directors at the Company's 2003 Annual Meeting of Shareholders, consultation on a potential business opportunity, and for PricewaterhouseCoopers, LLP, review of the Company's franchise offering circular. Fees paid to PricewaterhouseCoopers LLP in fiscal 2004 also include services related to the transfer of audit-related materials from PricewaterhouseCoopers LLP to BDO Seidman LLP.

In considering and authorizing these payments to the independent auditors for services unrelated to performance of the audit of the Company's financial statements, the Committee has determined that the cost segregation analysis services, tax return preparation, foreign tax analysis and calculation, review of the Company's franchise offering circular, and transfer of materials related to the audit engagement undertaken by the independent auditors are not inconsistent with the independent auditor's performance of the audit and financial statement review functions and are compatible with maintaining the independent auditor's independence.

**Policy of the Audit Committee for Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Auditor**

The Audit Committee is responsible for appointing, setting compensation for, and overseeing the work of, the independent auditor. In accordance with Audit Committee policy and the requirements of law, all services to be provided by BDO Seidman LLP are pre-approved by the Audit Committee. Pre-approval applies to audit services, audit-related services, tax services, and other services. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular defined task or scope of work and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the Audit Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee.

#### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is comprised of three independent, non-employee directors. The Compensation Committee is responsible for establishing the level of compensation of the executive officers of the Company and will be responsible for administering the 2004 Non-Employee Director Stock Option Award Plan and the 2004 Employee Incentive Stock Award Plan if approved by the shareholders.

The Compensation Committee and the Board have adopted a charter for the Compensation Committee to conform to the Committee's responsibilities under the revised Nasdaq standards, new rules adopted by the SEC, and the provisions of the Sarbanes-Oxley Act.

#### Compensation Philosophy and Practice

In its administration and periodic review of executive compensation, the Compensation Committee believes in aligning the interests of the executive officers with those of the Company's shareholders. To accomplish this, the Committee seeks to structure and maintain a compensation program that is directly and materially linked to operating performance and enhancement of shareholder value.

#### Tax Deductibility under Section 162(m)

As noted, the Company's compensation policy is primarily based upon the practice of pay-for-performance. Section 162(m) of the Internal Revenue Code imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to the Chief Executive Officer and the other most highly compensated executive officers of the Company. The Committee currently believes that the Company should be able to continue to manage its executive compensation program for these officers so as to preserve the related federal income tax deductions.

#### CHIEF EXECUTIVE OFFICER

The compensation of Ronald W. Parker, as Chief Executive Officer of the Company, is based on his employment agreement as more fully described under "Executive Employment Contracts" below.

Mr. Parker's employment agreement was approved by the then members of the Board of Directors of the Company and the Compensation Committee as constituted on December 16, 2002. The term of the employment agreement continues through December 31, 2007. Under his employment agreement, Mr. Parker's compensation is determined by the Compensation Committee, the Board of Directors of the Company, or the Stock Award Plan Committee (whose function has been assumed by the Compensation Committee), based on the recommendations of the Compensation Committee. The Compensation Committee's recommendations with respect to Mr. Parker's compensation, however, are subject to other provisions in his employment agreement, including the provisions that provide that Mr. Parker's total annual compensation may not be reduced to less than an annual salary of \$550,000 and a mandatory minimum annual bonus equal to \$275,000. Additionally, Mr. Parker is entitled to receive under his employment agreement certain defined benefits, which, in fiscal 2004, totaled approximately \$176,084. The bonus program established in Mr. Parker's employment agreement is based on the Company's performance in the areas of revenue growth, net income, new store openings, store sales, Company stock price, store closings, and Company expenses, subject to payment of the minimum bonus described above.

The current Compensation Committee has reviewed the compensation of Mr. Parker and has evaluated Mr. Parker's compensation by comparing it to the compensation of chief executive officers in the restaurant industry, and by considering the Company's current structure and performance, among other things. As a result of this review, the Compensation Committee believes the total amount of Mr. Parker's compensation to be well in excess of the compensation of chief executive officers at comparable companies and based upon the Company's performance for the last completed fiscal year. The Compensation Committee also believes that the compensation of the Chief Executive Officer, as well as other officers and employees of the Company, should be more directly tied to individual performance and the performance of the Company.

#### EXECUTIVE OFFICERS

Subject to existing employment agreements, salaries of the executive officers, excluding Mr. Parker, are reviewed annually and adjusted based on competitive practices, changes in level of responsibilities and individual

performance measured against goals. The Compensation Committee strongly believes that maintaining a competitive salary structure is in the best interest of shareholders. It believes the Company's long-term success in its marketplace is best achieved through recruitment and retention of high caliber executives who are among the most skilled and talented in the industry. The Compensation Committee also believes that compensation levels for the Company's executive officers should be tied to individual and Company performance.

Subject to existing employment agreements, salary and bonus for Mr. Olgreen, and Mr. Preator, and for Mr. Clark, prior to his resignation from the Company in July 2004, are based upon their employment agreements as more fully described under "Executive Employment Contracts" below. Mr. Meisenheimer's bonus for 2004 was based on individual performance, performance of the department within his area of responsibility, and certain goals related to Company operations for the fiscal year.

#### STOCK OPTIONS

The Company established the 1993 Employee Stock Award Plan ("Employee Option Plan") for the purpose of aligning employee and shareholder interests. Under the Employee Option Plan, stock options were granted from time to time to certain executive officers, as well as other employees, based upon their relative positions and responsibilities, as well as historical and expected contributions to Company growth. During fiscal years 2003 and 2004, the Company did not grant stock options to employees.

The term of the Employee Option Plan expired on October 13, 2003. Expiration does not affect vesting, exercise, or expiration of options previously granted pursuant to the Plan. Upon expiration of the Employee Option Plan no further option grants can be made.

The Board expects to grant stock option awards to eligible employees beginning in calendar year 2005 if the shareholders approve Proposal Three "Adoption of an Employee Incentive Stock Option Award Plan."

#### EXECUTIVE EMPLOYMENT CONTRACTS

Ronald W. Parker, B. Keith Clark, Ward T. Olgreen, and Shawn M. Preator each entered into an Employment Agreement with the Company on December 16, 2002 that contained the following provisions: (i) a term that currently extends through December 31, 2007 for Mr. Parker and December 31, 2005 for Messrs. Olgreen and Preator; (ii) the respective executive's compensation will be determined each year by the Compensation Committee; (iii) each executive may be terminated with or without cause, with cause including, but not limited to, breach of monetary obligation to the Company, violation of the employment agreement, fraud against the Company, and failure to substantially perform required duties, each as described in the agreement; (iv) each executive shall receive an annual salary not less than his current salary and a bonus for Mr. Parker of not less than fifty percent of his annual salary based on Company performance related to revenue, net income, new store openings, store sales, Company stock price, store closings, and Company expenses, and a bonus for each of Messrs. Olgreen and Preator of not less than twenty percent of their respective annual salary based on individual performance, the performance of departments within their responsibility, and certain goals related to Company operations for the fiscal year; (v) each executive is bound by obligations to the Company related to the protection of the Company's trade secrets and confidential information; and (vi) each executive is bound to arbitrate disputes related to his employment agreement.

Mr. Parker, Mr. Olgreen, or Mr. Preator may terminate his respective agreement at any time within 12 months after a "change of control" of the Company occurs. Change of control is defined as: (a) a transfer of substantially all of the assets of the Company to any person, group, or entity other than a person, group, or entity that is controlled by the executive; (b) the Company is merged with or into another corporation and the shareholders of the Company prior to such merger own less than 50% of the voting stock of the Company or other surviving corporation after the merger; (c) an unapproved change in the majority of the Company's Board of Directors; or (d) a person, entity, or group (other than (i) the Company or (ii) an employee benefit plan sponsored by the Company) acquires 50% or more of the voting stock of the Company. If the Company terminates Mr. Parker's employment without cause, or if Mr. Parker terminates his employment upon a "change of control," he will be entitled to a lump sum payment equal to four times (i) his highest annual salary over the last three years plus (ii) the highest bonus and other cash compensation received by Mr. Parker during the last three years. If the Company terminates Mr. Olgreen's or Mr. Preator's employment without cause, or if Mr. Olgreen, or Mr. Preator terminates his employment upon a "change of control," he will be entitled to a lump sum payment equal to two and one-half times the base amount of his annual compensation, as calculated according to Section 280G of the Internal Revenue Code. In addition, Mr. Parker, Mr. Olgreen, and Mr. Preator would be entitled to an additional "tax gross-up payment" as a result of any excise tax that such person is required to pay as a result of such payment being deemed to be an "excess parachute payment" under the Internal Revenue Code. Each agreement includes a noncompetition covenant that would apply for a number of years equal

to the number of years by which the respective executive's compensation is multiplied pursuant to any severance payments made to such executive.

On July 7, 2004 Mr. Clark resigned his position as Senior Vice President, Secretary, and General Counsel of the Company, citing provisions of his employment contract requiring him to give notice of his election to terminate his employment within twelve months of a "change of control" of the Company. The Company disputes that a "change of control" of the Company has occurred and, pursuant to the terms of Mr. Clark's employment contract, has initiated arbitration proceedings to resolve the dispute.

#### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On October 6, 1999, the Company loaned Ronald W. Parker, the Company's President and Chief Operating Officer, approximately \$560,000 to acquire 200,000 shares of Common Stock through the exercise of vested stock options previously granted to him by the Company. On July 7, 2000, the Company loaned Mr. Parker approximately \$302,000 to acquire an additional 200,000 shares of Common Stock through the exercise of vested stock options previously granted to him by the Company. The interest rate on the loans is the same floating interest rate the Company pays on its credit facility with Wells Fargo. As collateral for the loans, Mr. Parker granted the Company (i) a first lien on 100,000 previously purchased shares of Common Stock and certain real property, and (ii) a second lien on certain additional real property. After the July 7, 2000 loan, the principal amount outstanding was approximately \$862,000. The Board of Directors approved each loan, with the specific terms and collateral being approved by the Compensation Committee.

On October 30, 2000, Mr. Parker paid the Company approximately \$165,000 of the principal amount of the loans, and on June 10, 2004 Mr. Parker paid the remaining principal balance and accrued interest in full. The Company has released all liens on the shares of Common Stock and the real property pledged by Mr. Parker as collateral for the loans. The Company currently has no outstanding loans to its officers or directors.

Bobby L. Clairday is President and sole shareholder of Clairday Food Services, Inc. and is sole shareholder of Advance Food Services, Inc., both of which are franchisees of the Company. Mr. Clairday also holds area development rights in his own name. Mr. Clairday currently operates 11 restaurants in Arkansas, either individually or through the corporations noted above. As franchisees, the two corporations purchase a majority of their food and other supplies from the Company's distribution division. In fiscal year 2004, purchases by these franchisees made up 4.4% of the Company's food and supply sales. Royalty payments by Mr. Clairday and such franchisees were 3.2% of the Company's royalty revenues, and license fees and area development fees from Mr. Clairday and such franchisees made up 6.3% of the Company's franchise revenues.

As of October 1, 2004 Advance Food Services, Inc. and Clairday Food Services, Inc. collectively owed the Company approximately \$946,329, primarily for royalties and purchases of products from the Company's distribution division ("Clairday Debt"). Of the total amount of the Clairday Debt outstanding on that date, approximately \$556,434 represents normal and customary 30-day purchase and payment cycles for these franchisees, which often pay 1 to 15 or 16 to 30 days outside of terms. The balance of the Clairday Debt, approximately \$335,318, represents amounts incurred by Advance Foods, Inc. during a period in 1996 and 1997 following Mr. Clairday's sale of that company to unrelated third parties and prior to his reacquisition of the company in 1997 ("Advance Foods Debt"). The Company carries the Advance Foods Debt on its books as past due trade receivables, with no interest accrual. From time to time Mr. Clairday makes payments toward reduction of the Advance Foods Debt, and the Company will from time to time set off certain payments due Mr. Clairday or Advance Foods, Inc. against the Advance Foods Debt, reducing the balance owed. The last payment made by Mr. Clairday toward the Advance Foods Debt was \$5,232 in June 2000, and the last set-off applied by the Company against the Advance Foods Debt was \$1,167 in April 2001. No payment or set off was applied during fiscal 2004. At June 27, 2004, the amount of the Advance Foods Debt was \$335,318. As of the November 16, 2004 mail date of this proxy statement, Mr. Clairday was engaged in negotiations with his lenders to finance the Advance Foods Debt and pay the Company in full.

#### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 ("Act") requires the Company's executive officers and directors and the persons who own more than ten percent of the Common Stock to file initial reports of ownership of Common Stock and reports of changes of ownership with the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. and to furnish the Company with copies of such reports. The Company believes that, during the preceding fiscal year and prior fiscal years, all of the Company's executive officers, directors and holders of more than 10% of Common Stock timely filed all reports required by Section 16(a) of the Act, except as previously disclosed and except for the following filings made on behalf of the following directors: For Mr. Schwarz, a Form 4 Statement of Changes in Beneficial Ownership of Securities reflecting purchase of 7,500 shares of Common Stock on June 30, 2003 was not timely filed. A filing was made on July 14, 2003. For Mr. Phillips, a Form 4 Statement of Changes in Beneficial Ownership of Securities reflecting sale of 5,290 shares of Common Stock on April 2, 2004 was not timely filed. A filing was made on April 13, 2004.

## ADOPTION OF NON-EMPLOYEE DIRECTORS STOCK AWARD PLAN

There will be presented to the meeting a proposal to adopt the 2004 Non-Employee Directors Stock Award Plan ("2004 Plan"). The 2004 Plan will replace the 1993 Outside Directors Stock Award Plan, which expired by its terms on October 13, 2003. The Board believes that an equity-based incentive plan is an integral component of an attractive compensation program that will attract, retain, and reward qualified non-employee directors, to the benefit of the Company and its shareholders. The Board has approved the 2004 Plan and directed that it be submitted to the shareholders for approval.

## Description of the Proposed 2004 Plan

**Administration.** The 2004 Plan is administered by the Compensation Committee, which is comprised of three non-employee directors who are not employed by the Company and who satisfy the "independence" requirements under rules issued by the SEC and Nasdaq.

**Eligibility.** All non-employee directors of the Company ("Non-Employee Directors") are eligible to participate in the 2004 Plan. A Non-Employee Director is a member of the Company's Board of Directors who is not, and has not been during the immediately preceding 12-month period, an employee of the Company.

**Shares Subject to the Plan.** The total number of shares of Common Stock that may be issued to Non-Employee Directors under the 2004 Plan shall not exceed 200,000. Awards granted under the 2004 Plan that expire or terminate without being exercised may be regranted.

**Awards and Limitations.** Under the 2004 Plan, options to acquire two shares of Common Stock shall be granted on the first day of each 2004 Plan year (currently a plan year is the Company's fiscal year) for each share of Common Stock purchased by a Non-Employee Director during each preceding 2004 Plan year, up to a maximum award of 50,000 shares per Non-Employee Director per 2004 Plan year.

**Exercise Price.** The exercise price for any option granted under the 2004 Plan may not be less than the fair market value of the Common Stock on the date of grant. Fair market value is defined in the 2004 Plan as the closing price for the Common Stock on Nasdaq on the date of the option award. The fair market value of the Common Stock was \$2.85 on November 3, 2004.

**Terms of Option Awards.** For all awards under the 2004 Plan, the minimum vesting period is six months after grant and the maximum exercise period is five years after vesting. Payment for shares purchased pursuant to exercise of an option award must be made at the time of exercise in cash or other payment method approved by the Committee.

**Term of the 2004 Plan.** The 2004 Plan terminates three years from December 15, 2004 or such earlier date as the Board may determine and no awards may be granted thereafter.

**Option Exercise and Transfer.** Awards granted pursuant to the 2004 Plan may not be transferred other than as provided in the 2004 Plan and may only be exercised by the participant, or, in the event of his death, by his heirs or estate. Upon the death (or permanent disability) of a participant while serving as a Non-Employee Director, any outstanding unvested award becomes immediately vested and the option award may be exercised by the participant's heirs, estate, or guardian within one year following the participant's death (or commencement of such disability), after which any unexercised option award terminates. If a Non-Employee Director's service as a member of the Board terminates for any reason other than death or disability, all unvested and all unexercised vested option awards terminate, but under certain circumstances the Director may have three months within which to exercise vested options. In the event of a "change of control" of the Company, as defined in the 2004 Plan, all outstanding option awards will become immediately vested and exercisable.

**Plan Amendment and Modification.** The Committee may amend or terminate the 2004 Plan, including modification or waiver of terms as they apply to individual participants. However, shareholder approval is required for any amendment that would: increase the aggregate number of shares of Common Stock issuable under the 2004 Plan; materially increase the benefits accruing to participants in the 2004 Plan; or modify the eligibility requirements for, or decrease the minimum exercise price of, any options. No amendment or termination of the 2004 Plan may adversely affect the rights of any participant under any then outstanding award without the consent of the participant. The 2004 Plan provides for automatic adjustments to prevent dilution or enlargement of the participant's rights in the event of a stock split, stock dividend, or similar transaction. No adjustments or reduction of the exercise price of any outstanding award may be made in the event of a decline in the price of the Common Stock, either by reducing the exercise price of outstanding awards or by canceling outstanding awards in connection with regranted incentives at a lower price to the same Participant.

**Federal Income Tax Consequences Under the Directors Plan.** Option awards under the Plan are treated as nonqualified options.

Nonqualified Stock Options. Nonqualified stock option awards granted under the Plan do not qualify as "incentive stock options" and will not qualify for any special tax benefits to the participant. A participant generally will not recognize any taxable income at the time the nonqualified option award is granted. However, upon its exercise, the participant will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the Common Stock over the exercise price. The income realized by the participant will not be subject to income and other employee withholding taxes.

A participant's basis for determination of gain or loss upon the subsequent disposition of Common Stock acquired upon the exercise of a nonqualified option award will be the amount paid for such Common Stock plus any ordinary income recognized as a result of the exercise of such option award. Upon disposition of any Common Stock acquired pursuant to the exercise of a nonqualified option award, the difference between the sale price and the participant's basis in the Common Stock will be treated as a capital gain or loss and generally will be characterized as long-term gain or loss if the Common Stock has been held for more than one year at its disposition.

In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of a nonqualified option award or a sale or disposition of the Common Stock acquired upon the exercise of a nonqualified option award. However, upon the exercise of a nonqualified option award or a sale or disposition of the Common Stock acquired upon the exercise of a nonqualified option award, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that a participant is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Internal Revenue Code.

#### NEW PLAN BENEFITS

The following table sets forth information, as of November 3, 2004, concerning the benefits or amounts that will be received by or allocated to the non-employee directors and all non-employee directors as a group under the 2004 Plan, to the extent such benefits or amounts are determinable as of November 3, 2004:

#### 2004 PLAN

NAME AND POSITION	DOLLAR VALUE (\$)	NUMBER OF UNITS (1)
Mark E. Schwarz, Director	71,250	25,000 (2)
Steven J. Pully, Director	50,895	17,858 (3)

(1) The awards under the 2004 Plan and the shares underlying any such award may be subject to certain vesting, exercise, acceleration, and/or other rights, restrictions, and conditions, at various exercise prices, in each case, as determined by the Compensation Committee.

(2) On November 3, 2004, the Compensation Committee awarded Mark E. Schwarz an option to purchase 25,000 shares of common stock of the Company at an exercise price of \$2.85 per share. The option will vest on November 3, 2005 and will expire on November 3, 2010.

(3) On November 3, 2004, the Compensation Committee awarded Steven J. Pully an option to purchase 17,858 shares of common stock of the Company at an exercise price of \$2.85 per share. The option will vest on November 3, 2005 and will expire on November 3, 2010.

#### Recommendation of the Board of Directors

The Board believes that the adoption of the 2004 Plan will enable the Company and its shareholders, through the future grant of stock options based upon a Director's increase in equity position, to continue to secure the benefit of the incentives inherent in director stock ownership.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE THE 2004 PLAN.

#### PROPOSAL THREE:

#### APPROVAL OF AN EMPLOYEE STOCK AWARD PLAN

There will be presented to the meeting a proposal to adopt the 2004 Employee Incentive Stock Award Plan (the "Employee Plan"). The Employee Plan will replace the 1993 Employee Stock Award Plan, which expired by its terms on October 13, 2003. The Board believes stock options play an important role in attracting and retaining the services of outstanding personnel and in encouraging such employees to have a greater financial investment in the Company (although the Employee Plan does not necessarily require them to hold for investment the stock received under the Employee Plan). The Board has approved the Employee Plan and directed that it be submitted to the shareholders for approval.

#### Description of the Proposed Employee Plan

Administration. The Employee Plan is administered by the Compensation Committee ("Committee"), which is comprised of three non-employee directors who are not employed by the Company, who are not eligible to receive awards under the Employee Plan, and who satisfy the "independence" requirements under rules issued by the SEC and Nasdaq.

Eligibility. All regular, full-time employees of the Company, its operating divisions, affiliates, subsidiaries, Company-operated restaurants, and other employees designated from time to time by the Committee ("Employees or Participants") are eligible to participate in the Employee Plan. As of November 1, 2004, there were approximately 150 individuals eligible to participate in the Employee Plan.

Shares Subject to the Plan. The total number of shares of Common Stock that may be issued or transferred to Employees under the Employee Plan shall not exceed 500,000. Awards granted under the Employee Plan that expire or terminate without being exercised may be regranted.

Awards and Limitations. No Employee may receive grants under the Employee Plan in any given year that, singly or in the aggregate, cover more than 50,000 shares of Common Stock.

Exercise Price. The exercise price for any option granted under the Employee Plan may not be less than the fair market value of the Common Stock on the date of grant. Fair market value is defined in the Employee Plan as the closing price for the Common Stock on Nasdaq on the date of the option award. The fair market value of the Common Stock was \$2.85 on November 3, 2004.

Terms of Option Awards. For all awards under the Employee Plan, the minimum vesting period is six (6) months after grant and the maximum exercise period is five years after vesting. Payment for shares purchased pursuant to exercise of an option award must be made at the time of exercise in cash or other payment method approved by the Committee.

Term of the Employee Plan. The Employee Plan terminates three years from December 15, 2004 or such other date as the Board may determine, and no awards may be granted thereafter.

Option Exercise and Transfer. Awards granted pursuant to the Employee Plan may not be transferred other than as provided in the Employee Plan and may only be exercised by the participant, or, in the event of his death, by his heirs or estate. Upon the death (or permanent disability) of an Employee, any outstanding unvested award becomes immediately vested and the option award may be exercised by the Employee's heirs, estate, or guardian within one year following the Employee's death (or commencement of such disability), after which any unexercised option award terminates. If an Employee's employment terminates for any reason other than death or disability, any unvested option awards terminate, and the Employee will have thirty (30) days within which to exercise vested options. In the event of a "change of control" of the Company, as defined in the Employee Plan, all outstanding option awards will become immediately vested and exercisable.

Plan Amendment and Modification. The Committee may amend or terminate the Employee Plan, including modification or waiver of terms as they apply to individual Participants. However, shareholder approval is required for any amendment that would: increase the aggregate number of shares of Common Stock issuable under the Employee Plan; materially increase the benefits accruing to Participants in the Employee Plan; or modify the eligibility requirements for, or decrease the minimum exercise price of, any options. No amendment or termination of the Employee Plan may adversely affect the rights of any Participant under any then outstanding award without the consent of the Participant. The Employee Plan provides for automatic adjustments to prevent dilution or enlargement of the Participant's rights in the event of a stock split, stock dividend, or similar transaction. No adjustments or reduction of the exercise price of any outstanding award may be made in the event of a decline in the price of the Common Stock, either by reducing the exercise price of outstanding awards or by canceling outstanding awards in connection with regranted incentives at a lower price to the same Participant.

Federal Income Tax Consequences Under the Employee Plan. Following is an explanation of the U.S. federal income tax consequences for grantees who are subject to tax in the U.S.

Incentive Stock Options. Option awards under the Plan are treated as incentive options ("ISO"). The grant of an ISO does not result in income for the grantee or a deduction for the Company. The exercise of an ISO would not result in income for the grantee if the grantee (i) does not dispose of the shares within two (2) years after the date of grant or one (1) year after the transfer of shares upon exercise, and (ii) is an employee of the Company from the date of grant and through and until three (3) months before the exercise date. If these requirements are met, the basis of the shares upon later disposition would be the option price. Any gain will be taxed to the Employee as long-term capital gain and the Company would not be entitled to a deduction. The excess of the market value on the exercise date over the option price is an item of tax preference, potentially subject to the alternative minimum tax.

If the Employee disposes of the shares prior to the expiration of either of the holding periods, the Employee would recognize ordinary income and the Company would be entitled to a deduction equal to the lesser of the fair market

value of the shares on the exercise date minus the option price or the amount realized on disposition minus the option price. Any gain in excess of the ordinary income portion would be taxable as long-term or short-term capital gain.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE THE EMPLOYEE PLAN.

PROPOSAL FOUR:

APPROVAL OF AN AMENDMENT TO  
THE COMPANY'S RESTATED ARTICLES OF INCORPORATION  
TO DECLASSIFY THE BOARD OF DIRECTORS

On October 20, 2004, the Board of Directors approved a proposal to amend the Company's Restated Articles of Incorporation to delete Section 8.2, which currently provides that the Board be divided into two classes of Directors, Class I and Class II, with each class elected for a term expiring at the annual meeting of the Company's shareholders held in the second year following their election. The amended and substituted Section 8.2 would provide for one class of Directors beginning with the slate of Directors proposed to the shareholders at the annual meeting of the Company's shareholders in 2005. Members of the single class would be subject to re-election every year. The proposal to amend the Restated Articles of Incorporation requires the approval of holders of a majority of the shares present in person or represented by proxy and entitled to vote. The text of the existing and proposed versions of Section 8.2 is set forth below.

Current Section 8.2 of the Company's Restated Articles of Incorporation.  
-----

8.2 The directors shall be divided into two (2) classes with respect to the time for which they severally hold office, designated Class I and Class II. Class I shall be composed of four (4) directors who shall hold office until the 1994 Annual meeting and until their respective successors shall be elected and shall qualify. Class II shall be composed of three (3) directors (the initial members of this class being designated in the Plan), who shall hold office until the annual meeting of the shareholders in 1993 and until their respective successors shall be elected and shall qualify. Upon expiration of the initial terms of the office of directors as classified above, their successors shall be elected for a term expiring at the annual meeting of the Corporation's shareholders held in the second year following the year of their election. Any director elected to fill any vacancy on the Board of Directors shall hold office for the remainder of the full term of the class of directors in which such vacancy occurs.

Section 8.2 as amended to reflect the changes discussed above in Proposal  
-----

Four.  
---

8.2 Beginning with the Company's 2004 annual meeting of shareholders, if the shareholders vote to amend the Restated Articles to so provide, there shall be one (1) class of directors, who shall be elected annually. Those directors currently referred to as Class I Directors, who are nominated for election at the 2004 annual meeting of shareholders, if elected, will hold office until the 2005 annual meeting of shareholders, at which time they, or their successors, must be nominated for election as members of a single class of directors. Those directors currently referred to as Class II Directors, who were elected at the 2003 annual meeting of shareholders to hold office until the 2005 annual meeting of shareholders, will complete their terms at the 2005 annual meeting of shareholders, at which time they, or their successors, must be nominated for election as members of a single class of directors. Any director elected to fill any vacancy on the Board of Directors shall hold office for the remainder of the full term of the director whose position such newly elected director fills.

If Proposal Four is not approved by the shareholders, directors will continue to be elected by class, with the members of each class holding office for a term to expire at the annual meeting of the Company's shareholders held in the second year following the year of their election.

Recommendation of the Board of Directors

Management and the Board of Directors believes that one class of directors to be annually re-elected is consistent with good governance practices and provides greater accountability of the Board to the Company's shareholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE THIS AMENDMENT TO THE RESTATED ARTICLES OF INCORPORATION.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Our non-employee directors may benefit from the 2004 Plan as non-employee directors may be eligible to participate in the 2004 Plan and may receive benefits and awards under the 2004 Plan. Certain non-employee directors have already received awards under the 2004 Plan that are subject to shareholder

approval of the 2004 Plan. These awards are described in this Proxy Statement under the caption "NEW PLAN BENEFITS". The Board of Directors, in approving the 2004 Plan, may have different and/or conflicting interests than or with the shareholders of the Company. In addition, the Board of Directors, management of the Company, and the shareholders affiliated with the Company may have different and/or conflicting interests than or with the shareholders of the Company that are not affiliated with the Company in any capacity other than in their capacity as a shareholder of the Company.

members such administrative duties as it may deem advisable and the Committee, or any person to whom it has delegated duties, may employ one or more qualified persons to render advice with respect to any responsibility the Committee or such person may have under this Plan. The Committee may employ attorneys, consultants, accountants, or other persons and the Committee, the Company, and its officers and directors shall be entitled to rely upon the advice, opinions, or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding upon all persons who have received grants under the Plan, the Company, and all other interested persons. No member or agent of the Committee shall be personally liable for any action, determination, or interpretation made in good faith with respect to the Plan and all members and agents of the Committee shall be fully protected by the Company in respect of any such action, determination, or interpretation.

The Committee may delegate the administration of the Plan to an officer or officers of the Company, and such administrator(s) may have the authority to execute and distribute agreements or other documents evidencing or relating to Awards; to maintain records relating to the grant, vesting, exercise, forfeiture, or expiration of Awards; to process or oversee the issuance of Shares upon the exercise, vesting and/or settlement of an Award; to interpret the terms of Awards; and to take such other actions as the Committee may specify, provided that in no instance shall any such administrator be authorized to grant Awards under the Plan.

4.2 Committee Powers. Subject to the express provisions and

-----  
limitations set forth in this Plan, the Committee shall be authorized and empowered to do all things necessary or desirable, in its sole discretion, in connection with the administration of this Plan, including, without limitation, the following:

(a) to prescribe, amend, and rescind rules and regulations relating to this Plan and to define terms not otherwise defined herein;

(b) to determine which persons are Participants, to which Participants, if any, Awards shall be granted hereunder and the timing of any such Awards, and to grant Awards;

(c) to grant Awards to Participants and determine the terms and conditions thereof, including the number of Shares subject to Awards and the exercise or purchase price of such Shares (subject to limitations provided herein) and the circumstances under which Awards become exercisable or vested or are forfeited or expire;

(d) to prescribe and amend the terms of the agreements or other documents evidencing Awards made under this Plan (which may not be identical);

(e) to interpret and construe this Plan, any rules and regulations under this Plan, and the terms and conditions of any Award granted hereunder, and to make exceptions to any such provisions in good faith and for the benefit of the Company; and

(f) to make all other determinations deemed necessary or advisable for the administration of this Plan.

4.3 Limitations on the Committee. The Committee may not (i) grant

-----  
Awards at a price below Fair Market Value, (ii) reprice or reduce the exercise price of an Option without shareholder approval, or (iii) offer reload grants or grant Awards conditional upon delivery of shares to satisfy the exercise price and/or tax withholding obligation under another Award.

5. Eligibility. Each Director who is not, and has not been during the immediately preceding twelve (12) month period, an Employee is an Outside Director and is eligible to participate in the Plan. The Board has reserved discretion to determine that one or more Directors will not be eligible for a specified Plan Year or for an indefinite period.

6. Shares Subject to the Plan. Subject to adjustment as provided in Section 13, the maximum number of Shares that may be awarded and delivered under

-----  
the Plan pursuant to Awards is 200,000 subject to legal availability. Shares to be issued may be made available from authorized but unissued Shares, Shares held by the Company in its treasury, or Shares purchased by the Company on the open market or otherwise. During the term of this Plan, the Company will at all times reserve and keep available the number of Shares that shall be sufficient to satisfy the requirements of this Plan. To the extent that any Award under this Plan shall be forfeited, shall expire, or be canceled, in whole or in part, then the number of Shares covered by the Award so forfeited, expired, or canceled may again be awarded pursuant to the provisions of this Plan.

7. Limitations on Awards. Each Outside Director will be eligible to receive Awards of up to 50,000 Options during each Plan Year. An Option to acquire two (2) Shares shall be granted on the first day of each Plan Year for every one (1) Share purchased by an Outside Director during the preceding Plan Year. Notwithstanding the foregoing sentence, during the first day of the first Plan Year immediately following the day on which an Outside Director first becomes eligible to participate in the Plan, that Director shall receive an Award to acquire two (2) Shares for each Share owned by that Director on the first day of such Plan Year, regardless of the method of acquisition. Purchases shall include, without limitation, purchases on the open market as well as purchases by exercise of Awards granted under this Plan or the 1993 Plan. In addition, purchases in the preceding Plan Year shall include exercises of previously granted Awards during the first ten (10) days of the new Plan Year if such Outside Director's Options first become exercisable during that period. Awards shall be the sole benefit available to Outside Directors under this Plan.

8. Vesting, Forfeiture and Restrictions. All Awards shall be subject to a minimum six (6) month vesting period; provided, however, that the Committee may impose a longer vesting period or other restrictions on any Award, subject in any case to the terms of the Plan. An Award vesting period shall lapse in accordance with a schedule established by the Committee and set forth in the Award Agreement for the Award, except as otherwise provided below. Each such schedule may provide for pro rata vesting over several periods or full vesting at the end of a single period, and may include any other conditions upon the vesting of the Awards as the Committee shall determine. Any unvested Options shall become 100% vested upon a Change of Control. Except as otherwise expressly provided in the Participant's Award Agreement or this Plan, all unvested Options shall be forfeited on the date of a Participant's Termination of Service and all vested Options will be subject to forfeiture in accordance with the following terms:

(a) Death. If a Participant suffers a Termination of Service as a result of

-----  
his or her death, then all Awards that were vested and unexercised on the date of death, or that the Participant would have been able to exercise within the following twelve (12) months if no Termination of Service had occurred (regardless of whether such Awards were vested as of the date of death), may be exercised within the twelve (12) month period following the Participant's death by his or her estate or by the person who acquires the exercise right by bequest or inheritance. If a Participant suffers a Termination of Service prior to the date of death, and the Awards were both vested and exercisable at the time of

the Participant's death, the Award may be exercised at any time within twelve (12) months following the date of death by the Participant's estate or by a person who acquires the right to exercise the Award by bequest or inheritance, but only to the extent of that the Award was vested and exercisable as of the date of the Termination of Service.

(b) Disability. If a Participant suffers a Termination of Service as a result of the Participant's Disability, then the Participant may, within twelve (12) months after the Termination of Service, exercise all vested Awards he or she could have exercised at the date of such Termination of Service, or would have been able to exercise within the twelve (12) month period following the Termination of Service had the Termination of Service not occurred (regardless of whether such Awards were vested as of the date of Termination of Service due to Disability), provided, however, that no such Award may be exercised after expiration of the term specified in the Award Agreement.

(c) Termination of the Relationship for Other Reasons. Termination of Service for any other reason other than as set forth in paragraph 8(a) and 8(b) above, including not being nominated for re-election, not being re-elected, retirement, resignation, or discharge, will result in forfeiture of all unexercised vested Awards as of 5 p.m. on the date of the Termination of Service, unless otherwise specified in the Award Agreement. The Committee may waive the forfeiture in whole or in part. Where forfeiture is waived, the Participant may, within three (3) months after the date of such Termination of Service, exercise all Awards he or she could have exercised at the date of the Termination of Service, or would have been able to exercise within the three (3) month period following the Termination of Service had the Termination of Service not occurred (regardless if such Awards were vested as of the date of Termination of Service).

9. Terms and Conditions of Option Awards. Each grant of an Award shall be authorized by the Committee and shall be evidenced by an Award Agreement between the Company and the Participant setting forth the Award being granted, the total number of Shares subject to the Award (determined in accordance with the terms of Section 7 of the Plan), the Exercise Price, the Date of Grant, and

such other terms, provisions, limitations, and performance objectives as are approved by the Committee, but not inconsistent with the Plan. The minimum vesting period is six (6) months, and the term of an Award may be no more than five (5) years from the date of vesting. No Award may be exercised after expiration of its term.

10. Exercise Price. The Committee will determine the exercise price for the Shares underlying each Award at the time the Award is granted. The exercise price for Shares under an Award may not be less than 100% of the Fair Market Value of the common stock of the Company on the Date of Grant. No Award may be repriced, replaced, regranted through cancellation, or modified without shareholder approval (except in connection with a change in the Company's capitalization), if the effect would be to reduce the exercise price for the Shares subject to an Award.

11. Exercise of Award; Form of Consideration. Subject to the other provisions of this Plan, the Committee may, in its sole discretion, provide that an Award may not be exercised in whole or in part for any period or periods of time or beyond any date specified in the Award Agreement. Payment may be made by cash, check, or by broker assisted same day sale. The Option holder must also pay the Company, at the time of purchase, the amount of federal, state, and local withholding taxes required to be withheld by the Company.

12. Nontransferability of Awards. Unless otherwise determined by the Committee, Awards granted under this Plan are not transferable other than by will or the laws of descent and distribution and may be exercised during a Participant's lifetime only by the Participant.

13. Adjustments Upon Changes in Capitalization, Merger, or Sale of Assets. In the event that the Company's stock changes by reason of any stock split, dividend, combination, reclassification, or other similar change in the Company's capital structure effected without the receipt of consideration, appropriate adjustments shall be made in the number and class of Shares subject to this Plan, the number and class of Shares subject to any Award outstanding under this Plan, and the exercise price for Shares subject to any such outstanding Award.

In the event of a liquidation or dissolution, any unexercised Awards shall terminate. In the event of a Change of Control, the Board or the Committee, in its discretion, may provide for the assumption, substitution, or adjustment of each outstanding Award.

14. No Condition of Service. The granting of Awards under this Plan shall impose no obligation on the Company, or any of its officers, directors, or employees, to continue the service of a Participant and shall not waive or modify the right to terminate services of any such Participant.

15. Securities Laws. The Company has no obligation to register Options granted under the Plan. If Awards granted have not been registered, upon issuance of Awards to an Outside Director and upon issuance of Shares upon exercise of an Award, the Participant shall represent and warrant to the Company that the Shares are being acquired for investment purposes and shall acknowledge

transfer restrictions under applicable securities laws.

16. Federal Income Tax Consequences. The only Options that may be granted under the Plan are Nonqualified Stock Options. A Participant generally will not recognize any taxable income at the time the Award is granted. However, upon its exercise, the Participant will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the Shares over the exercise price. The income realized by the Participant will be subject to income and other employee withholding taxes.

The Participant's basis for determination of gain or loss upon the subsequent disposition of Shares acquired upon the exercise of an Award will be the amount paid for such Shares plus any ordinary income recognized as a result of the exercise of such Award. Upon disposition of any Shares acquired pursuant to the exercise of an Award, the difference between the sale price and the Participant's basis in the Shares will be treated as a capital gain or loss and generally will be characterized as long-term gain or loss if the Shares have been held for more than one year at disposition.

In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of an Award or a sale or disposition of Shares acquired upon the exercise of an Award. However, upon the exercise of an Award or a sale or disposition of the Shares acquired upon the exercise of an Award, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that a Participant is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

17. Expiration. Unless it is terminated sooner, the Plan will terminate three (3) years from the Effective Date, or such earlier date as the Board may determine. The expiration of the Committee's authority to grant Awards under the Plan will not affect the operation of the terms of the Plan or the Company's and Participant's rights and obligations with respect to Awards granted on or prior to the expiration date of the Plan.

18. Amendment. The Board may at any time terminate the Plan or make any modification that it deems advisable; provided, however, that shareholder approval will be required for any amendment that will (i) increase the total number of Shares as to which Awards may be granted under the Plan, (ii) modify the class of persons eligible to receive Awards, or (iii) otherwise require shareholder approval under applicable law or regulation. In addition, neither the Board nor the Committee will amend the Plan regarding the amount, pricing, and timing of Awards other than to comply with changes in the Code, the Employment Retirement Income Security Act of 1974, or the rules thereunder. Modification, or amendment of the Plan will not, without the consent of the Participant, affect his or her rights under a previously granted Award.

## 19. Miscellaneous

19.1 Impact on Other Benefits. At no time shall the value of any Award  
-----  
be includable as compensation or earnings for purposes of any other benefit plan, if any, offered to Directors by the Company.

19.2 Funding of Plan. Insofar as it provides for Awards the Plan shall be  
-----  
unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Company or the Committee be deemed to be a trustee of Shares to be awarded under this Plan.

19.3 Governing Law. This Plan and any agreements or other documents  
-----  
hereunder shall be interpreted and construed in accordance with the laws of the State of Missouri and applicable federal law. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Any reference in this Plan or in the agreement or other document evidencing any Award to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule, or regulation of similar effect or applicability.

19.4 Liability of Company. The Company shall not be liable to a Participant  
-----  
or other persons as to (a) the non-issuance of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance of any Shares hereunder; and (b) any tax consequence expected, but not realized, by any Participant or other person due to the receipt, exercise, or settlement of any Award granted pursuant to this Plan.

19.5 Compliance with Laws and Regulations. This Plan, the grant and  
-----  
exercise of Awards hereunder, and the obligation of the Company to issue or deliver Shares under such Awards, shall be subject to all applicable federal, state, and local laws, rules, and regulations, and to such approvals by any governmental or regulatory agency as may be required. To the extent the Company

is unable, or the Committee deems it infeasible, to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares under this Plan, the Company shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained. No Option shall be exercisable and no Shares shall be issued and/or transferable under any other Award unless a registration statement with respect to the Shares underlying such Options is effective and current or the Company or its counsel has determined that such registration is unnecessary.

4.2 Committee Powers. Subject to the express provisions and limitations set forth in this Plan, the Committee shall be authorized and empowered to do all things necessary or desirable, in its sole discretion, in connection with the administration of this Plan, including, without limitation, the following:

(a) to prescribe, amend, and rescind rules and regulations relating to this Plan and to define terms not otherwise defined herein;

(f) to make all other determinations deemed necessary or advisable for the administration of this Plan.

4.3 Limitations on the Committee. The Committee may not (i) grant

-----  
Awards at a price below Fair Market Value, (ii) reprice or reduce the exercise price of an Option without shareholder approval, or (iii) offer reload grants or grant Awards conditional upon delivery of shares to satisfy the exercise price and/or tax withholding obligation under another Award.

5. Eligibility. Each Employee who is employed full time and is not on probationary status, as defined from time to time in the Company's employee handbook, at the time of the Award Grant is eligible to participate in the Plan. The Board has reserved discretion to determine that one or more Employees will not be eligible for a specified Plan Year or for an indefinite period.

6. Shares Subject to the Plan. Subject to adjustment as provided in Section 13, the maximum number of Shares that may be awarded and delivered under

-----  
the Plan pursuant to Awards is 500,000 subject to legal availability. Shares to be issued may be made available from authorized but unissued Shares, Shares held by the Company in its treasury, or Shares purchased by the Company on the open market or otherwise. During the term of this Plan, the Company will at all times reserve and keep available the number of Shares that shall be sufficient to satisfy the requirements of this Plan. To the extent that any Award under this Plan shall be forfeited, shall expire, or be canceled, in whole or in part, then the number of Shares covered by the Award so forfeited, expired, or canceled may again be awarded pursuant to the provisions of this Plan.

7. Limitations on Awards. Each Participant will be eligible to receive Awards, singly or in the aggregate, of up to 50,000 Options during each Plan Year. Awards shall be the sole benefit available to Employees under this Plan.

8. Vesting, Forfeiture and Restrictions. All Awards shall be subject to a minimum six (6) month vesting period and the term of an Award may be no more than five (5) years from the date of vesting; provided, however, that the Committee may impose a longer vesting period or other restrictions on any Award, subject in any case to the terms of the Plan. An Award vesting period shall lapse in accordance with a schedule established by the Committee and set forth in the Award Agreement for the Award, except as otherwise provided below. Each such schedule may provide for pro rata vesting over several periods or full vesting at the end of a single period, and may include any other conditions upon the vesting of the Awards, as the Committee shall determine. Any unvested Options shall become 100% vested upon a Change of Control. Except as otherwise expressly provided in the Participant's Award Agreement or this Plan, all unvested Options shall be forfeited on the date of a Participant's Termination of Service and all vested Options will be subject to forfeiture in accordance with the following terms:

(a) Death. If a Participant suffers a Termination of Service as a result of

-----  
his or her death, then all Awards that were vested and unexercised on the date of death, or that the Participant would have been able to exercise within the following twelve (12) months if no Termination of Service had occurred (regardless of whether such Awards were vested as of the date of death), may be exercised within the twelve (12) month period following the Participant's death by his or her estate or by the person who acquires the exercise right by bequest or inheritance. If a Participant suffers a Termination of Service prior to the date of death, and the Awards were both vested and exercisable at the time of the Participant's death, the Award may be exercised at any time within twelve (12) months following the date of death by the Participant's estate or by a person who acquires the right to exercise the Award by bequest or inheritance, but only to the extent of that the Award was vested and exercisable as of the date of the Termination of Service.

(b) Disability. If a Participant suffers a Termination of Service as a

-----  
result of the Participant's Disability, then the Participant may, within twelve (12) months after the Termination of Service, exercise all vested Awards he or she could have exercised at the date of such Termination of Service, or would have been able to exercise within the twelve (12) month period following the

Termination of Service had the Termination of Service not occurred (regardless of whether such Awards were vested as of the date of Termination of Service due to Disability), provided, however, that no such Award may be exercised after expiration of the term specified in the Award Agreement.

(c) Termination of the Relationship for Other Reasons. Termination of

-----  
Service for any reason other than as set forth in paragraph 8(a) and 8(b) above, including, but not limited to, retirement, resignation, or discharge, will result in forfeiture of all unexercised vested Awards as of 5 p.m. on the date of the Termination of Service, unless otherwise specified in the Award Agreement. The Committee may waive the forfeiture in whole or in part. Where forfeiture is waived, the Participant may, within thirty (30) days after the date of such Termination of Service, exercise all Awards he or she could have exercised at the date of the Termination of Service, or would have been able to exercise within the thirty (30) day period following the Termination of Service had the Termination of Service not occurred (regardless if such Awards were vested as of the date of Termination of Service).

9. Terms and Conditions of Option Awards. Each grant of an Award shall be authorized by the Committee and shall be evidenced by an Award Agreement between the Company and the Participant setting forth the Award being granted, the total number of Shares subject to the Award (determined in accordance with the terms of Section 7 of the Plan), the Exercise Price, the Date of Grant, and such other

-----  
terms, provisions, limitations, and performance objectives as are approved by the Committee, but not inconsistent with the Plan. Any Award granted pursuant to this Plan must be granted within ten (10) years of the date of the adoption of this Plan.

10. Exercise Price. The Committee will determine the exercise price for the Shares underlying each Award at the time the Award is granted. The exercise price for Shares under an Award may not be less than 100% of the Fair Market Value of the common stock of the Company on the Date of Grant; provided, however, if an Incentive Stock Option is granted to an Employee who owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of the Company (or any parent or subsidiary), the exercise price shall be at least 110% of the Fair Market Value of the Shares of stock on the Date of Grant. No Award may be repriced, replaced, regranted through cancellation, or modified without shareholder approval (except in connection with a change in the Company's capitalization), if the effect would be to reduce the exercise price for the Shares subject to an Award.

11. Exercise of Award; Form of Consideration. Subject to the other provisions of this Plan, the Committee may, in its sole discretion, provide that an Award may not be exercised in whole or in part for any period or periods of time or beyond any date specified in the Award Agreement. Payment may be made by cash, check, or by broker assisted same day sale. The Option holder must also pay the Company, at the time of purchase, the amount of federal, state, and local withholding taxes required to be withheld by the Company.

12. Maximum ISO Grants. The Committee may not grant Incentive Stock Options under the Plan to any Employee which would permit the aggregate Fair Market Value (determined on the Date of Grant) of the Shares of stock with respect to which Incentive Stock Options (under this and any other plan of the Company and its subsidiaries) are exercisable for the first time by such Employee during any calendar year to exceed \$100,000. To the extent any Option granted under this Plan which is designated as an Incentive Stock Option exceeds this limit or otherwise fails to qualify as an Incentive Stock Option, such Option (or any such portion thereof) shall no longer be treated as an Incentive Stock Option and shall, instead, be treated as a nonqualified stock option. In such case, the Committee shall designate which stock will be treated as Incentive Stock Option stock by causing the issuance of a separate stock certificate and identifying such stock as Incentive Stock Option stock on the Company's stock transfer records.

13. Nontransferability of Awards. Unless otherwise determined by the Committee, Awards granted under this Plan are not transferable other than by will or the laws of descent and distribution and may be exercised during a Participant's lifetime only by the Participant.

14. Disqualifying Disposition of Incentive Stock Option. If Shares of stock acquired upon exercise of an Incentive Option are disposed of by a Participant prior to the expiration of either two (2) years from the Date of Grant of such Option or one (1) year from the transfer of Shares of stock to the Participant pursuant to the exercise of such Option, or in any other disqualifying disposition within the meaning of Section 422 of the Code, such Participant shall notify the Company in writing of the date and terms of such disposition. A disqualifying disposition by a Participant shall not affect the status of any other Option granted under the Plan as an Incentive Stock Option within the meaning of Section 422 of the Code.

15. Adjustments Upon Changes in Capitalization, Merger, or Sale of Assets In the event that the Company's stock changes by reason of any stock split, dividend, combination, reclassification, or other similar change in the Company's capital structure effected without the receipt of consideration, appropriate adjustments shall be made in the number and class of Shares subject

to this Plan, the number and class of Shares subject to any Award outstanding under this Plan, and the exercise price for Shares subject to any such outstanding Award.

In the event of a liquidation or dissolution, any unexercised Awards shall terminate. In the event of a Change of Control, the Board or the Committee, in its discretion, may provide for the assumption, substitution, or adjustment of each outstanding Award.

16. No Condition of Service. The granting of Awards under this Plan shall impose no obligation on the Company, or any of its officers, Employees, or employees, to continue the service of a Participant and shall not waive or modify the right to terminate services of any such Participant.

17. Securities Laws. The Company has no obligation to register Options granted under the Plan. If Awards granted have not been registered, upon issuance of Awards to an Employee and upon issuance of Shares upon exercise of an Award, the Employee shall represent and warrant to the Company that the Shares are being acquired for investment purposes and shall acknowledge transfer restrictions under applicable securities laws.

18. Federal Income Tax Consequences. The only Options that may be granted under the Plan are Incentive Stock Options. The grant of an ISO does not result in income for the grantee or a deduction for the Company. The exercise of an ISO would not result in income for the grantee if the grantee (i) does not dispose of the shares within two (2) years after the date of grant or one (1) year after the transfer of shares upon exercise, and (ii) is an employee of the Company from the date of grant and through and until three (3) months before the exercise date. If these requirements are met, the basis of the shares upon later disposition would be the option price. Any gain will be taxed to the Employee as long-term capital gain and the Company would not be entitled to a deduction. The excess of the market value on the exercise date over the option price is an item of tax preference, potentially subject to the alternative minimum tax.

If the Employee disposes of the shares prior to the expiration of either of the holding periods, the Employee would recognize ordinary income and the Company would be entitled to a deduction equal to the lesser of the fair market value of the shares on the exercise date minus the option price or the amount realized on disposition minus the option price. Any gain in excess of the ordinary income portion would be taxable as long-term or short-term capital gain.

19. Expiration. Unless it is terminated sooner, the Plan will terminate three (3) years from the Effective Date, or such earlier date as the Board may determine. The expiration of the Committee's authority to grant Awards under the Plan will not affect the operation of the terms of the Plan or the Company's and Participant's rights and obligations with respect to Awards granted on or prior to the expiration date of the Plan.

20. Amendment. The Board may at any time terminate the Plan or make any modification that it deems advisable; provided, however, that shareholder approval will be required for any amendment that will (i) increase the total number of Shares as to which Awards may be granted under the Plan, (ii) modify the class of persons eligible to receive Awards, or (iii) otherwise require shareholder approval under applicable law or regulation. In addition, neither the Board nor the Committee will amend the Plan regarding the amount, pricing, and timing of Awards other than to comply with changes in the Code, the Employment Retirement Income Security Act of 1974, or the rules thereunder. Modification, or amendment of the Plan will not, without the consent of the Participant, affect his or her rights under a previously granted Award.

21. Miscellaneous.

21.1 Impact on Other Benefits. At no time shall the value of any Award  
-----  
be includable as compensation or earnings for purposes of any other benefit plan, if any, offered to Employees by the Company.

21.2 Funding of Plan. Insofar as it provides for Awards the Plan shall be  
-----  
unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Company or the Committee be deemed to be a trustee of Shares to be awarded under this Plan.

21.3 Governing Law. This Plan and any agreements or other documents  
-----  
hereunder shall be interpreted and construed in accordance with the laws of the State of Missouri and applicable federal law. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Any reference in this Plan or in the agreement or other document evidencing any Award to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule, or regulation of similar effect or applicability.

21.4 Liability of Company. The Company shall not be liable to a Participant

-----  
or other persons as to (a) the non-issuance of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance of any Shares hereunder; and (b) any tax consequence expected, but not realized, by any Participant or other person due to the receipt, exercise, or settlement of any Award granted pursuant to this Plan.

21.5 Compliance with Laws and Regulations. This Plan, the grant and

-----  
exercise of Awards hereunder, and the obligation of the Company to issue or deliver Shares under such Awards, shall be subject to all applicable federal, state, and local laws, rules, and regulations, and to such approvals by any governmental or regulatory agency as may be required. To the extent the Company is unable, or the Committee deems it infeasible, to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares under this Plan, the Company shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained. No Option shall be exercisable and no Shares shall be issued and/or transferable under any other Award unless a registration statement with respect to the Shares underlying such Options is effective and current or the Company or its counsel has determined that such registration is unnecessary.
