Voting Information

8. What matters will be acted on at the Annual Meeting?

The matters scheduled to be acted on at the Annual Meeting are:

- (1) The election of four directors to hold office until the next Annual Meeting of Shareholders or until their respective successors have been elected and qualified;
- (2) To ratify the appointment of Whitley Penn LLP as the Company's independent registered public accounting firm for the 2025 fiscal year;
- (3) To approve the amendments to the Company's Amended and Restated Articles of Incorporation to effect a 1 for 10,000 reverse stock split of the Company Common Stock followed immediately by an amendment to the Company's Amended and Restated Articles of Incorporation to effect a 10,000 for 1 forward stock split of the Company Common Stock (the "***Reverse / Forward Stock Split Proposal***");
- (4) To approve the adjournment of the Annual Meeting, if necessary, to ensure that any necessary supplement or amendment to the proxy statement accompanying this notice is provided to the Company's shareholders a reasonable amount of time in advance of the Annual Meeting or to solicit additional proxies if there are insufficient votes at the time of the Annual Meeting to approve the Reverse / Forward Stock Split Proposal (the "***Adjournment Proposal***"); and
- (5) The transaction of such other business as may properly come before the meeting or any postponement or adjournment thereof. (See Question 17, "***What happens if additional matters are presented at the meeting?***")

9. How does the Board recommend that I vote?

Our Board recommends that you vote your shares:

- "FOR" the election of all director nominees;
- "FOR" the ratification of the independent registered public accounting firm;
- "FOR" the Reverse / Forward Stock Split Proposal; and
- "FOR" for Adjournment Proposal.

10. What shares can I vote?

Each share of the Common Stock issued and outstanding as of the close of business on October 11, 2024 (the "***Record Date***") is entitled to be voted on all items being voted on at the meeting. You may vote or direct the vote of all shares you own as of the Record Date, including (1) shares held directly in your name as the shareholder of record, and (2) shares for which you are the beneficial owner through a broker, trustee, or nominee such as a bank. On the Record Date, there were 14,154,453 shares of the Common Stock issued and outstanding.

11. How can I vote my shares in person at the meeting?

Shares held in your name as the shareholder of record may be voted in person at the meeting. Shares held beneficially in "street name" may be voted in person at the meeting only if you obtain a legal proxy from the broker, trustee, or nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.**

12. How can I vote my shares without attending the meeting?

Whether you hold shares directly as the shareholder of record or beneficially in “street name,” you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy as described below. If you hold shares beneficially in “street name,” you may vote by submitting voting instructions to your broker, trustee, or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card, or the voting instruction card provided by your broker, trustee, or nominee, as applicable.

By Mail – Shareholders of record may submit proxies by completing, signing, and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. Beneficial holders may vote by mail by completing, signing, and dating the voting instruction cards provided by their brokers, trustees, or nominees and mailing them in the accompanying pre-addressed envelopes.

By Internet – Shareholders of record with Internet access may submit proxies by following the “Vote by Internet” instructions on their proxy cards. Most shareholders who hold shares beneficially in “street name” may vote by accessing the website specified on the voting instruction cards provided by their brokers, trustees, or nominees. Please check the voting instruction card for Internet voting availability.

By Telephone – Shareholders of record who live in the United States may submit proxies by following the “Vote by Telephone” instructions on their proxy cards. Most shareholders who hold shares beneficially in “street name” and live in the United States may vote by telephone by calling the number specified on the voting instruction cards provided by their brokers, trustees, or nominees. Please check the voting instruction card for telephone voting availability.

13. What is the deadline for voting my shares?

If you hold the shares as the shareholder of record, your proxy must be received before the polls close at the meeting. If you hold shares beneficially in “street name” with a broker, trustee, or nominee, please follow the voting instructions provided by your broker, trustee, or nominee.

14. May I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are a shareholder of record, you may change your vote in one of three ways: (1) by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), (2) by providing a written notice of revocation to the Corporate Secretary at the Company’s corporate office address prior to your shares being voted, or (3) by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. For shares you hold beneficially in “street name,” you may change your vote by submitting new voting instructions to your broker, trustee, or nominee or, if you have obtained a legal proxy from your broker, trustee, or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

15. Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual shareholders are handled in a manner that protects voting privacy. Your vote will not be disclosed either within the Company or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation.

16. How are votes counted and what is the voting requirement to approve each of the proposals?

A majority of the outstanding shares entitled to vote at the meeting, represented in person or by proxy, constitutes a quorum at the meeting. If a quorum is not present, in person or by proxy, the meeting may be postponed or adjourned from time to time until a quorum is obtained. Each outstanding share of Common Stock is entitled to one vote on each matter submitted to a vote at the meeting.

In the election of directors, you may vote “FOR” all or some of the nominees or your vote may be “WITHHELD” with respect to one or more of the nominees. You may not cumulate your votes. Thus, a shareholder is not entitled to cumulate his votes and cast them all for any single nominee or to spread his votes, so cumulated, among more than one nominee.

The amendments to our Amended and Restated Articles of Incorporation contained in Proposal 3 requires the approval of holders of a majority of the Company's issued and outstanding shares of Common Stock. With respect to each other item of business, you may vote "FOR," "AGAINST" or "ABSTAIN." For these matters, the affirmative vote of the holders of a majority of the outstanding shares entitled to vote and represented in person or by proxy at the meeting will decide the question. Therefore, if you "ABSTAIN" with respect to any matter, the abstention has the same effect as a vote "AGAINST." For this purpose, shares held by a broker, trustee, or nominee who does not have discretionary authority to vote on a particular matter and who has not received voting instructions from the beneficial owner will not be deemed to be present or represented for the purpose of determining whether shareholders have approved that matter but are counted as present for the purpose of determining the existence of a quorum. If a proxy states how the shares are to be voted in the absence of instructions by the shareholder, such shares will be deemed to be represented at the meeting.

17. What happens if additional matters are presented at the meeting?

Other than the four items of business specifically described in this Proxy Statement, we are not aware of any other matter to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holders will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason one or more of our director nominees becomes unable to serve or for good cause will not serve, the persons named as proxy holders may vote your proxy for such other candidate or candidates as may be nominated.

18. Who will serve as inspector of elections?

The inspector of elections will be a representative from Broadridge Financial Solutions, Inc.

19. Who will bear the cost of soliciting votes for the meeting?

The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone, or by electronic communication by our directors, officers, and employees, who will not receive any additional compensation for such solicitation activities other than reimbursement of reasonable out-of-pocket expenses directly related to such solicitation. Arrangements may also be made with brokerage houses and other custodians, nominees, and fiduciaries for the forwarding of solicitation materials to the beneficial owners of shares held of record by such persons, and the Company may reimburse them for reasonable out-of-pocket expenses of such solicitation.

20. Where can I find voting results from the Annual Meeting?

We intend to publish the final voting results from the Annual Meeting in a Form 8-K filed with the Securities and Exchange Commission ("SEC") within four business days after the conclusion of the Annual Meeting.

Stock Ownership Information

21. What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Company shareholders may hold their shares directly in their own names or in "street name" through a broker or other nominee. As summarized below, there are several distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with the Company's transfer agent, Securities Transfer Corporation, you are the shareholder of record of such shares. As the shareholder of record, you have the right to vote in person at the meeting or to grant your proxy directly to the Company or to a third party. There is a proxy card enclosed with these materials for your use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of such shares held in "street name," and these proxy materials are being forwarded to you together with a voting instruction card on behalf of your broker, trustee, or nominee. As the beneficial owner, you have the right

to direct your broker, trustee, or nominee how to vote your shares. You are also invited to attend the meeting. Your broker, trustee, or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, trustee, or nominee how to vote your shares. Since a beneficial owner is not a shareholder of record, you may not vote these shares in person at the meeting unless you obtain a proxy from the broker, trustee, or nominee holding your shares giving you the right to vote the shares.

22. What happens if I have questions for the Company’s transfer agent?

You may contact the Company’s transfer agent at the telephone number or address listed below with questions concerning stock certificates, transfer of ownership, or other matters pertaining to your shares.

2901 Dallas Parkway, Suite 380
Plano, TX 75093

Annual Meeting Information

23. How can I attend the meeting?

You are entitled to attend the Annual Meeting if you were a Company shareholder as of the close of business on the Record Date or hold a valid proxy for the Annual Meeting. You should be prepared to offer proof of identification for admittance. If you are a shareholder of record or hold your shares through the Pizza Inn, Inc. 401(k) Plan, your ownership as of the Record Date may be verified prior to you being admitted to the meeting. If you are not a shareholder of record but hold your shares through a broker, trustee, or nominee, you should provide proof of beneficial ownership as of the Record Date, such as your most recent account statement prior to the Record Date; a copy of the voting instruction card provided by your broker, trustee, or nominee; or similar evidence of ownership. The Company may refuse admission to the Annual Meeting to anyone who does not provide proper identification upon request.

24. How many shares must be present?

A majority of the issued and outstanding shares entitled to vote at the meeting must be represented in person or by proxy to satisfy the quorum requirements for holding the meeting and transacting business. Because brokers do not have discretionary authority to vote on a particular matter and have not received voting instructions from their customers, any proxies submitted by brokers who do not vote are counted as *present* for the purpose of determining the existence of a quorum (“broker non-votes”) but *not for any other purpose*.

Shareholder Proposals and Director Recommendations

25. What is the deadline to propose actions for consideration at the next Annual Meeting of Shareholders?

If a shareholder wishes to submit a proposal for inclusion in the Company’s proxy statement and form of proxy for the Company’s next annual meeting of shareholders, the proposal must be received in proper form at the Company’s principal executive offices on or before June 28, 2025, in order to have the proposal included in the proxy materials of the Company for such meeting. If a shareholder wishes to submit a proposal at the next annual meeting of shareholders outside the processes of Rule 14a-8 promulgated under the Securities Exchange Act of 1934 (as amended, the “Exchange Act”), the shareholder must notify the Company in writing of such proposal on or before September 13, 2025, in order to have that proposal considered at such meeting.

To be in proper form, a shareholder’s notice must include information concerning the proposal. A shareholder who wishes to submit a proposal is encouraged to seek independent counsel with regard to the SEC requirements. The Company may exclude any proposal that does not meet the SEC’s requirements for submitting a proposal and reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Notices of intention to submit proposals for or at the Company's next annual meeting of shareholders should be addressed to:

Corporate Secretary
RAVE Restaurant Group, Inc.
3551 Plano Parkway
The Colony, TX 75056
Fax (469) 384-5061
E-mail: corporate_secretary@raver.com

26. How may I recommend individuals to serve as directors?

You may propose director candidates for consideration by the Board's Nominating and Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to the Corporate Secretary at the address of our principal executive offices set forth above. For additional information, see "*Corporate Governance Principles and Board Matters – Shareholder Recommendations and Nominations*" below.

PROPOSALS TO BE VOTED ON

PROPOSAL ONE: ELECTION OF DIRECTORS

Pursuant to the Company's Amended and Restated Articles of Incorporation and Amended and Restated Bylaws, the Board has determined that the board of directors be comprised of four directors, each of whom serves a one-year term and is subject to annual election. The Board has nominated four incumbent directors for re-election at the Annual Meeting. If elected, each director nominee will hold office until the next annual meeting of shareholders or until his successor has been elected and qualified. Each nominee has expressed his intention to serve the entire term for which election is sought. The Board believes that all the nominees will be available to serve as directors. If any director nominee becomes unable to serve or for good cause will not serve, the Board may recommend a substitute nominee or leave a vacancy and fill the vacancy later. The shares represented by all valid proxies may be voted for the election of a substitute nominee if one is nominated.

The Board of Directors recommends a vote "FOR" each of the director nominees.

The following is biographical information for the nominee directors.

Mark E. Schwarz, 64, became a director and Chairman of the Board of the Company in 2004. Mr. Schwarz is the Chairman, Chief Executive Officer and Portfolio Manager of Newcastle Capital Management, L.P. ("NCM"), a private investment management firm he founded in 1993. NCM is the general partner of Newcastle Partners, L.P., which is the largest shareholder of the Company. (See, "*Security Ownership of Certain Beneficial Owners, Directors and Executive Officers.*") Mr. Schwarz is also Chairman of the board of directors of Hallmark Financial Services, Inc., a specialty property and casualty insurance company, and Executive Chairman of Wilhelmina International, Inc., a model management and talent representation company. He also serves as a director of various privately held companies. The Board believes that Mr. Schwarz should serve as a director of the Company due to his extensive business and investment expertise, broad director experience, and significant direct and indirect shareholdings in the Company.

Clinton J. Coleman, 47, became a director of the Company in 2007. He has since January 2024 served as Senior Vice President, Product and Operations of SoundHound AI, Inc., a conversational AI company. He served as the President of Synq3, Inc., a company focused on providing artificial intelligence solutions for managing consumer interactions, since May 2021 until its acquisition by SoundHound in January 2024. He served as the Chairman and Chief Executive Officer of Novo Labs, Inc. from its founding in 2017 until its acquisition by Synq3, Inc. in 2021. Previously, he had since 2010 served as the Chief Executive Officer of Bell Industries, Inc., a company primarily engaged in providing information technology services. Mr. Coleman served as an investment professional with Newcastle Capital Management, L.P. from 2005 to 2017, including as a Managing Director (2012 to 2017) and Vice President (2005 to 2012). He previously served as the Company's Interim Chief Executive Officer from July 2016 until January 2017, and from June 2012 until November 2012. Mr. Coleman also served as Interim Chief Financial Officer of the Company between July 2006 and January 2007. Prior to joining Newcastle, Mr. Coleman served as a portfolio analyst with Lockhart Capital Management, L.P., an investment partnership, from 2003 to 2005. From 2002 to 2003, he served as an associate with Hunt Investment Group, L.P., a private investment group. Previously, Mr. Coleman was an associate director with the Mergers & Acquisitions Group of UBS. The Board believes that Mr. Coleman should serve as a director of the Company due to his experience in investment management and the management of publicly traded and privately held companies engaged in a wide range of industries.

William C. Hammett, Jr., 78, became a director of the Company in 2007. Mr. Hammett is semi-retired. Since 2021, Mr. Hammett has served as the acting CFO of a Whataburger franchisee. From 2010 to 2014, he served as the Chief Executive Officer of iH3, LLC, an integrated wellness and fitness company working with physicians and hospitals targeting chronic illnesses. From 1997 to 2001, Mr. Hammett was self-employed in the restaurant industry. From 1992 to 1997, Mr. Hammett was the Chief Financial Officer/Senior Vice President Accounting & Administration for La Quinta Inns, Inc., a national hotel chain.

Previously, he was employed by the accounting firm of PriceWaterhouseCoopers. The Board believes that Mr. Hammett should serve as a director of the Company due to his financial and management background and his experience in the restaurant, entertainment and hospitality industries

Mr. Page served as the Chief Executive Officer of Backyard Burgers, Inc. from 2008 to 2011. He served as the Acting Chief Executive Officer of the Company from January 2005 through March 2005. He is also a former franchisee of Shoney's, Inc., a family dining restaurant chain. From 2000 until 2002, Mr. Page was Chief Operations Officer of Gordon Biersch Brewery Restaurant Inc., a group of casual dining restaurants. From 1993 through 2000, he worked for Romacorp, Inc., which owned the Tony Roma's chain of casual dining restaurants, where he was Chief Executive Officer and a board member from 1998 through 2000, and President and Chief Operations Officer from 1993 through 1998. The Board believes that Mr. Page should serve as a director of the Company due to his management experience and his expertise in the restaurant industry.

There are no family relationships among any of our directors or executive officers. Company stock ownership for each director nominee is shown under the heading "*Security Ownership of Certain Beneficial Owners, Directors and Executive Officers*" and is based upon information furnished by the respective individuals.

**PROPOSAL TWO:
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected Whitley Penn LLP (“*Whitley Penn*”), an independent registered public accounting firm, as the independent auditors of the Company for the 2025 fiscal year. As a matter of good corporate governance, the Audit Committee has determined to submit its selection to shareholders for ratification. Shareholder ratification of the appointment is not required by our Bylaws or by any other applicable law. If our selection of auditors is not ratified by a majority of the shares of Common Stock present or represented by proxy at the Annual Meeting, the Audit Committee will reconsider whether or not to retain Whitley Penn. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

A representative of Whitley Penn is expected to be present at the Annual Meeting, to be available to respond to appropriate questions, and to have an opportunity to make a statement.

The Board of Directors recommends a vote “FOR” the ratification of the selection of Whitley Penn LLP as the Company’s independent registered public accounting firm for the 2025 fiscal year.

**PROPOSAL THREE:
REVERSE/FORWARD STOCK SPLIT PROPOSAL**

At the Annual Meeting, you will also be asked to consider and vote upon proposals to amend the Company’s Amended and Restated Articles of Incorporation (our “*Charter*”), to effect a 1-for-10,000 reverse stock split of the Company’s Common Stock (the “*Reverse Stock Split*”), followed immediately by a 10,000-for-1 forward stock split of the Company’s Common Stock (the “*Forward Stock Split*,” and, together with the Reverse Stock Split, the “*Reverse/Forward Stock Split*” and, together, the “*Reverse/Forward Stock Split Proposal*”). If the proposal is approved and the Board decides to proceed with the Reverse/Forward Stock Split, it will then direct the Company to file with the State of Missouri certificates of amendment to our Charter to effectuate the Reverse/Forward Stock Split. Each share of Company Common Stock held by a shareholder of record owning fewer than 10,000 shares of Company Common Stock immediately prior to the effective time of the Reverse Stock Split (the “effective time”) will be converted into the right to receive a payment in cash (without interest) equal to the fair value of such shares as of the time when those entitled to receive such payments are determined, which shall be an amount equal to such number of shares of Company Common Stock held multiplied by the average of the closing sales prices of the Company Common Stock on Nasdaq for the five consecutive trading days immediately preceding the effective date of the Reverse Stock Split, and each share of Company Common Stock held by a shareholder of record owning 10,000 shares or more immediately prior to the effective time of the Reverse Stock Split will be converted into a new number of shares of Company Common Stock based on a ratio of 10,000 shares of Company Common Stock for each share of Company Common Stock owned immediately following the Reverse Stock Split, including any fractional shares owned following the Reverse Stock Split.

The Board unanimously recommends that you vote “FOR” the Reverse/Forward Stock Split Proposal.

Summary

Our Board has authorized and recommends for your approval, amendments to our Charter to effect the Reverse/Forward Stock Split of our Company Common Stock. If approved by the shareholders, our Charter would be amended to reclassify the Company Common Stock by combining the outstanding shares of the Company Common Stock into a lesser number of shares at the ratio of 1-for-10,000. Immediately after the effectiveness of the Reverse Stock Split, our Charter would be further amended to reclassify the Company Common Stock by subdividing the outstanding shares of the Company Common Stock into a greater number of outstanding shares at the ratio of 10,000-for-1. As permitted by Missouri law, each holder of fewer than 10,000 shares of Company Common Stock prior to the Reverse Stock Split will not receive fractional shares in the Reverse Stock, but in lieu of such fractional share interests shall be entitled to receive a cash payment as described below. We refer to the Reverse Stock Split and the Forward Stock Split, collectively, as the “*Reverse/Forward Stock Split*”.

If approved by the shareholders, the Reverse/Forward Stock Split will become effective on such date as may be determined by our Board upon the filing and effectiveness of the necessary amendments to our Amended and Restated Articles of Incorporation with the Secretary of State of the State of Missouri (which we refer to as the “*Effective Date*”). The text of the proposed amendment to our Amended and Restated Articles of Incorporation

necessary to effect the Reverse Stock Split is attached to this proxy statement as **Annex A** and the text of the proposed amendment to our Amended and Restated Articles of Incorporation necessary to effect the Forward Stock Split immediately after the Reverse Stock Split is attached hereto as **Annex B**. Even if approved by the shareholders, our Board retains the authority to abandon the Reverse/Forward Stock Split for any reason at any time prior to the Effective Date. Thus, following shareholder approval, the Board may, at its discretion, cause the filing of the amendments to effect the Reverse/Forward Stock Split or abandon the amendments and not effect the Reverse/Forward Stock Split if it determines that any such action is or is not in the best interests of the Company and its shareholders. The Board's decision as to whether and when to effect the Reverse/Forward Stock Split will be based on a number of factors, including market conditions, existing and expected trading prices for our Company Common Stock, and the Nasdaq Rules.

Treatment of Fractional Shares

No fractional shares will be issued in connection with the Reverse/Forward Stock Split. Instead, the Company will pay cash (without interest) to any shareholder who would be entitled to receive a fractional share as a result of the Reverse/Forward Stock Split. If our shareholders approve this proposal at the Annual Meeting and the Reverse/Forward Stock Split is completed, (i) shareholders who hold fewer than 10,000 shares immediately prior to the Reverse Stock Split shall be paid in cash (without interest) an amount equal to such number of shares of Company Common Stock held multiplied by the average of the closing sales prices of the Company Common Stock on Nasdaq for the five consecutive trading days immediately preceding the Effective Date of the Reverse Stock Split (the "**Reverse Split Payment**").

The Reverse/Forward Stock Split is not a "going private" transaction and is not being proposed in anticipation of a "going private" transaction. However, no assurance can be given that the Company will not pursue a "going private" transaction in the future.

Negative Aspects of the Reverse/Forward Stock Split

Shareholders owning fewer than 10,000 shares should consider the following negative aspects of the Reverse/Forward Stock Split:

- You will no longer be entitled to vote as a shareholder of ours.
- You will no longer be entitled to share in any earnings or dividends of ours.
- You will no longer be entitled to the receipt of proxy statements or other information provided by us to our shareholders.

Structure of the Reverse/Forward Stock Split

The Reverse/Forward Stock Split includes both a reverse stock split and a forward stock split of the Company Common Stock. If the Reverse/Forward Stock Split is approved by the shareholders and implemented by our Board, the Reverse Stock Split is expected to occur immediately prior to the Forward Stock Split. Upon consummation of the Reverse Stock Split (and prior to the Forward Stock Split), every 10,000 shares of Company Common Stock held by a shareholder at that time will be combined into one share of Company Common Stock. Any shareholder who holds fewer than 10,000 shares of Company Common Stock immediately prior to the Reverse Stock Split (also referred to as a "Reverse Split Cashed-Out Shareholder") will receive a Reverse Split Payment instead of fractional shares. The amount of the Reverse Split Payment will be determined and paid as described below.

If a shareholder holds 10,000 or more shares of Company Common Stock immediately prior to the Reverse Stock Split, the total number of shares held by such holder will decrease as a result of the Reverse/Forward Stock Split and some shareholders will be entitled to Reverse Stock Split Payments if they hold shares in other than even 10,000 incremental amounts. If shareholders approve this proposal at the Annual Meeting and the Reverse/Forward Stock Split is completed, we will issue the Reverse Split Payments.

If a shareholder holding fewer than 10,000 shares of Company Common Stock wants to continue to hold Company Common Stock after the Reverse/Forward Stock Split, such shareholder may do so by taking either of the following actions far enough in advance so that it is completed by the Effective Date of the Reverse/Forward Stock Split: (A) purchase a sufficient number of shares of Company Common Stock so that such shareholder holds at least 10,000 of shares of Company Common Stock, or (B) if applicable, consolidate such shareholder's accounts so that such shareholder holds at least 10,000 of shares of Company Common Stock in one account.

Background and Purpose of the Reverse/Forward Stock Split

Management has from time to time updated our Board on the then current and anticipated costs related to administering the Company's shareholder accounts, including transfer agent and administration fees and printing and postage costs associated with the mailing of proxy materials and annual reports to each shareholder. Our Board has evaluated the appropriateness and fairness to the Company's shareholders of a transaction in the form of a Reverse/Forward Stock Split, which could create future cost savings for the Company related to the administration of its shareholder accounts.

We have a large number of shareholders that own relatively few shares. Based on the latest information we have, we believe we have over 1,800 shareholders of record holding less than 10,000 shares, which does not take into account shareholders holding in "street name" through brokerage accounts.

We expect to benefit from substantial cost savings as a result of the Reverse/Forward Stock Split. The cost of administering each registered shareholder's account is the same regardless of the number of shares held in that account. Therefore, our costs to maintain such small accounts are disproportionately high when compared to the total number of shares involved. It is expected that the total cost of administering shareholder accounts will be reduced if the Reverse/Forward Stock Split is completed.

In addition to reducing administrative costs, the Reverse/Forward Stock Split will also provide shareholders holding fewer than 10,000 shares of Company Common Stock with a cost-effective way to cash out their investments, because we will pay all transaction costs such as brokerage or service fees in connection with the Reverse/Forward Stock Split. Otherwise, shareholders with small holdings would likely incur brokerage fees which are disproportionately high relative to the market value of their shares if they wanted to sell their Company Common Stock. The Reverse/Forward Stock Split will eliminate these problems for shareholders holding fewer than 10,000 shares of Company Common Stock.

After undertaking a thorough analysis of the advisability of the Reverse/Forward Stock Split and considering the totality of the circumstances, our Board believed that it is fair to the shareholders of the Company, from a financial point of view, and in the best interests of us and our shareholders, including shareholders owning fewer than 10,000 shares of Company Common Stock who would be cashed-out in connection with the Reverse Stock Split and shareholders owning 10,000 or more shares of Company Common Stock who would continue as owners of the Company, many of whom would also receive Reverse Split Payments. Consummation of the Reverse/Forward Stock Split is conditioned on the approval of shareholders of the Company holding a majority of the issued and outstanding shares of Company Common Stock. In addition, the effectuation of the Reverse/Forward Stock Split is further conditioned on our Board's consideration of the totality of the circumstances.

Effect of the Reverse/Forward Stock Split on Our Shareholders

If you are a shareholder who would hold any fractional shares of Company Common Stock as a result of the Reverse Stock Split:

- You will not receive fractional shares of Company Common Stock as a result of the Reverse Stock Split.
- Instead of receiving fractional shares, you will receive a Reverse Split Payment.
- You will have only the right to receive cash for these shares. In addition, you will not be entitled to receive interest with respect to the period of time between the Effective Date and the date you receive your payment for the shares.
- You will not have to pay any service charges or brokerage commissions in connection with the Reverse/Forward Stock Split.
- Following the time that we effect the Reverse Stock Split, you will receive a Reverse Split Payment in accordance with the procedures described below.

- All amounts owed to you will be subject to applicable federal and state income tax and state abandoned property laws.
- You will not receive any interest on cash payments owed to you as a result of the Reverse Stock Split.

If you hold Book-Entry Shares:

Registered shareholders commonly hold their shares in book-entry form under the Direct Registration System for securities. These shareholders do not have stock certificates evidencing their ownership of Company Common Stock. They are, however, provided with a statement reflecting the number of shares registered in their accounts.

If you are a shareholder receiving a Reverse Split Payment who holds registered shares in a book-entry account, you do not need to take any action to receive your Reverse Split Payment. A check will be mailed to you at your registered address as soon as practicable after the Effective Date. By signing and cashing this check, you will warrant that you owned the shares for which you received a Reverse Split Payment.

We expect that the Reverse/Forward Stock Split will treat shareholders holding Company Common Stock in street name or through a nominee (such as a bank or broker), and those persons holding shares of Company Common Stock as nominees for others, in the same manner as shareholders whose shares are registered in their names on the books of the Company. Nominees will be advised that they may effect the Reverse/Forward Stock Split for their beneficial holders. However, nominees may have different procedures and shareholders holding shares in street name should contact their nominees to be advised of any procedures such holders may need to follow in order to obtain the same treatment as registered shareholders or rights such holders may have to retain beneficial ownership of such shares.

Effect of the Reverse/Forward Stock Split on the Company

The Reverse/Forward Stock Split will not affect the public registration of the Company Common Stock with the SEC under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Similarly, we do not expect the Reverse/Forward Stock Split will affect the continued listing of the Company Common Stock on Nasdaq.

The number of shares of authorized Company Common Stock will not change as a result of the Reverse/Forward Stock Split; however, the number of shares of outstanding Company Common Stock will decrease as a result of the Reverse/Forward Stock Split. As a result of the Reverse/Forward Stock Split, the Company will make Reverse Split Payments

The effectuation of the Reverse/Forward Stock Split would not, by itself, affect our assets or business prospects. The par value of the Company Common Stock will remain at \$0.01 per share after the Reverse/Forward Stock Split. If implemented, the Reverse/Forward Stock Split would not have any effect on our current dividend policy. We currently intend to retain earnings, if any, to support our business and do not anticipate paying cash dividends in the foreseeable future. Payment of future dividends, if any, will be at the discretion of our Board after taking into account various factors, including our financial condition, operating results, any restrictions on payment of dividends under our credit facility, current and anticipated cash needs and plans for expansion.

Determination of Payments

Shareholders who hold fewer than 10,000 shares of Company Common Stock immediately prior to the Reverse Stock Split will receive Reverse Split Payments. The amounts of the Payments shall be calculated by the Company in its sole discretion and such calculations shall be final and binding on all parties.

U.S. Federal Income Tax Consequences

The following is a summary of the U.S. federal income tax consequences of the consummation of the Reverse/Forward Stock Split generally applicable to U.S. Holders (as defined below) of the Company Common Stock and to us. This summary addresses only those U.S. Holders of Company Common Stock that have held, and will hold, their shares as capital assets. This summary does not discuss all aspects of U.S. federal income taxation which may be important to holders of Company Common Stock in light of their individual circumstances or that are subject to special rules (such as financial institutions, insurance companies, broker-dealers, tax-exempt organizations, regulated investment companies or real estate investment trusts, partnerships or other flow-through entities for U.S. federal income tax purposes and their partners or members, holders who received Company Common Stock as compensation for services or pursuant to the exercise of an employee stock option, or shareholders who have held, or will hold,

Company Common Stock as part of a straddle, hedging, or conversion transaction for U.S. federal income tax purposes, or persons subject to special tax accounting rules as a result of any item of gross income with respect to our Company Common Stock being taken into account in an applicable financial statement). Further, this summary does not address the impact of the Medicare surtax on certain net investment income or the alternative minimum tax, or the U.S. federal estate or gift tax laws. The following summary is based upon U.S. federal income tax law, as currently in effect, which is subject to differing interpretations or change, possibly on a retroactive basis. Further, no ruling from the Internal Revenue Service (the “IRS”) or opinion of counsel has been obtained in connection with the Reverse/Forward Stock Split. Tax consequences under state, local, foreign, and other laws are not addressed herein. Each holder of Company Common Stock is advised to consult his or her tax advisor as to the particular facts and circumstances which might be unique to such holder, and also to any state, local, foreign, and other tax consequences of the Reverse/Forward Stock Split, in light of his or her specific circumstances.

For purposes of the discussion below, a “U.S. Holder” is a beneficial owner of shares of our Company Common Stock that for U.S. federal income tax purposes is: (1) an individual citizen or resident of the United States; (2) a corporation (including any entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state or political subdivision thereof; (3) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or (4) a trust, the administration of which is subject to the primary supervision of a U.S. court and as to which one or more U.S. persons have the authority to control all substantial decisions of the trust, or that has a valid election in effect to be treated as a U.S. person.

U.S. Federal Income Tax Consequences for the Company

We believe that the Reverse/Forward Stock Split should be treated as a tax-free “recapitalization” for federal income tax purposes. Accordingly, we should not recognize any gain or loss as a result of the Reverse/Forward Stock Split.

U.S. Holders

U.S. Federal Income Tax Consequences to U.S. Holders Who Do Not Receive Payments in the Reverse/Forward Stock Split

If you (1) continue to hold Company Common Stock immediately after the Reverse/Forward Stock Split, and (2) receive no payment as a result of the Reverse/Forward Stock Split, you will not recognize any gain or loss in the Reverse/Forward Stock Split for U.S. federal income tax purposes, and you will have the same adjusted tax basis and holding period in your Company Common Stock as you had in such stock immediately prior to the Reverse/Forward Stock Split.

U.S. Federal Income Tax Consequences to U.S. Holders Who Receive Payments in the Reverse/Forward Stock Split

If you receive cash as a result of the Reverse/Forward Stock Split, your tax consequences will depend on whether, in addition to receiving cash, you or a person or entity related to you continues to hold Company Common Stock immediately after the Reverse/Forward Stock Split, as explained below.

U.S. Holders Who Exchange All of Their Company Common Stock for Cash as a Result of the Reverse/Forward Stock Split

If you (1) receive cash in exchange for a fractional share as a result of the Reverse/Forward Stock Split, (2) you do not continue to hold any Company Common Stock immediately after the Reverse/Forward Stock Split, and (3) you are not “related” to any person or entity that holds Company Common Stock immediately after the Reverse/Forward Stock Split, you will recognize capital gain or loss. The amount of capital gain or loss you recognize will equal the difference between the cash you receive for your Company Common Stock and your aggregate adjusted tax basis in such Company Common Stock.

If you are related to a person or entity who continues to hold Company Common Stock immediately after the Reverse/Forward Stock Split, you will recognize gain in the same manner as set forth in the previous paragraph, provided that your receipt of cash either (1) is “not essentially equivalent to a dividend,” or (2) is a “substantially disproportionate redemption of stock,” as described below.

- “Not Essentially Equivalent to a Dividend.” You will satisfy the “not essentially equivalent to a dividend” test if the reduction in your proportionate interest in the Company resulting from the Reverse/Forward Stock Split is considered a “meaningful reduction” given your particular facts and circumstances. The Internal Revenue Service has ruled that a small reduction by a minority shareholder whose relative stock interest is minimal and who exercises no control over the affairs of the corporation will satisfy this test.
- “Substantially Disproportionate Redemption of Stock.” The receipt of cash in the Reverse/Forward Stock Split will be a “substantially disproportionate redemption of stock” for you if the percentage of the outstanding shares of Company Common Stock owned by you immediately after the Reverse/Forward Stock Split is less than 80% of the percentage of shares of Company Common Stock owned by you immediately before the Reverse/Forward Stock Split and you own less than 50% of the outstanding shares of Company Common Stock after the Reverse/Forward Stock Split.

In applying these tests, you will be treated as owning shares actually or constructively owned by certain individuals and entities related to you. If the redemption of shares of Company Common Stock is not treated as capital gain under any of the tests, then the entire amount of the payment you receive for your shares will be treated first as ordinary dividend income to the extent of your ratable share of Company’s undistributed earnings and profits, then as a tax-free return of capital to the extent of your aggregate adjusted tax basis in your shares, and any remaining gain will be treated as capital gain.

Shareholders Who Both Receive Cash and Continue to Hold Company Common Stock Immediately After the Reverse/Forward Stock Split

If you receive cash as a result of the Reverse/Forward Stock Split and continue to hold Company Common Stock immediately after the Reverse/Forward Stock Split, you generally will be subject to the same rules for determining tax treatment as described above, the same as if you constructively continue to hold shares of Company Common Stock. If you meet either the “not essentially equivalent to a dividend” test or the “substantially disproportionate redemption of stock” test, then you will recognize gain, but not loss, in an amount equal to the lesser of (1) the excess of the sum of aggregate fair market value of your shares of Company Common Stock plus the cash received over your adjusted tax basis in the shares, or (2) the amount of cash received in the Reverse/Forward Stock Split. In determining whether you meet either test, you must take into account as shares you own both shares of Company Common Stock that you actually own and constructively own (i.e., shares owned by certain individuals or entities related to you) before and after the Reverse/Forward Stock Split. Your aggregate adjusted tax basis in your shares of Company Common Stock held immediately after the Reverse/Forward Stock Split will be equal to your aggregate adjusted tax basis in your shares of Company Common Stock held immediately prior to the Reverse/Forward Stock Split, increased by any gain recognized in the Reverse/Forward Stock Split, and decreased by the amount of cash received in the Reverse/Forward Stock Split.

Any gain recognized in the Reverse/Forward Stock Split will be treated, for federal income tax purposes, as long-term capital gain (assuming that your receipt of cash either (i) is “not essentially equivalent to a dividend” with respect to you, or (ii) is a “substantially disproportionate redemption of stock” with respect to you) provided that you have held your shares for more than one (1) year. If you acquired shares redeemed in the Reverse/Forward Stock Split at different times, you will be required to compute such gain and determine whether such gain is long-term or not, separately with respect to each such acquisition of shares.

In applying these tests, you may be able to take into account sales of shares of Company Common Stock that occur substantially contemporaneously with the Reverse/Forward Stock Split. If your gain is not treated as capital gain under any of these tests, the gain will be treated as ordinary dividend income to you to the extent of your ratable share of Company’s undistributed earnings and profits, then as a tax-free return of capital to the extent of your aggregate adjusted tax basis in your shares, and any remaining gain will be treated as a capital gain.

You may be subject to backup withholding on cash received pursuant to the Reverse/Forward Stock Split. Backup withholding will not apply, however, if you provide a correct taxpayer identification number or come within certain exempt categories and otherwise comply with applicable certification requirements. Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against your U.S. federal income tax liability, provided that you furnish certain required information to the Internal Revenue Service in a timely manner.

YOU SHOULD CONSULT YOUR TAX ADVISOR AS TO THE PARTICULAR FEDERAL, STATE, LOCAL, FOREIGN, AND OTHER TAX CONSEQUENCES OF THE REVERSE/FORWARD STOCK SPLIT, IN LIGHT OF YOUR SPECIFIC CIRCUMSTANCES.

Interests of Certain Persons

Certain of our executive officers and directors have an interest in this proposal as a result of their ownership of shares of Company Common Stock. However, we do not believe that our executive officers or directors have interests in this proposal that are different than or greater than those of any of our other shareholders. The relative ownership percentage of all holders of more than 10,000 shares of our Common Stock, including those held by our Executive Chairman of our Board, Mark Schwarz, will increase proportionately as a result of the Reverse/Forward Stock Split.

Reservation of Rights

We reserve the right to abandon the Reverse/Forward Stock Split without further action by our shareholders at any time before the filing of the necessary amendments to our Amended and Restated Articles of Incorporation with the Missouri Secretary of State, even if the Reverse/Forward Stock Split has been authorized by our shareholders at the Annual Meeting, and by voting in favor of the Reverse/Forward Stock Split, you are expressly also authorizing us to determine not to proceed with the Reverse/Forward Stock Split if our Board should so decide. Our Board is further authorized to determine when to file the necessary amendments to our Amended and Restated Articles of Incorporation with the Missouri Secretary of State at any time on or before the 12-month anniversary of shareholder approval thereof.

No Appraisal Rights

Shareholders do not have appraisal rights under Missouri state law or under our Amended and Restated Articles of Incorporation or bylaws in connection with the Reverse/Forward Stock Split.

Vote Required

The amendments to our Amended and Restated Articles of Incorporation contained in Proposal 3 requires the approval of holders of a majority of the Company's issued and outstanding shares of Common Stock.

The Board recommends a vote FOR approval of the Reverse/ Forward Stock Split Proposal and the corresponding Amendments of the Amended and Restated Articles of Incorporation.

PROPOSAL FOUR APPROVAL TO ADJOURN MEETING TO SOLICIT ADDITIONAL PROXIES

If at the Annual Meeting, the number of shares entitled to vote present or represented and voting in favor of Proposal 3 is insufficient to approve such proposal, the Company would like the discretionary authority from our shareholders so that the Company has the ability to move to adjourn the Annual Meeting. In that event, you will be asked to vote only upon the adjournment, postponement, or continuation proposal and not on any other proposals (the "*Adjournment Proposal*").

If our shareholders approve the Adjournment Proposal, we could adjourn, postpone, or continue the Annual Meeting, and any adjourned session of the Meeting, to use the additional time to solicit additional proxies in favor of Proposal 3 – The Reverse / Forward Stock Split Proposal. This could include the Board's solicitation of proxies from shareholders that have previously voted against such proposal. Even if proxies representing a sufficient number of votes against Proposal 1 or Proposal 2 has been received, you are authorizing us to adjourn, postpone, or continue the Annual Meeting without a vote on Proposal 1 or Proposal 2 and seek to convince the holders of those shares to change their votes to votes in favor of the approval of either proposal.

WHAT ARE WE ASKING YOU TO APPROVE?

In this proposal, we are asking you to authorize the holder of any proxy solicited by the Board of Directors the ability to call for an adjournment, postponement, or continuation of the Annual Meeting. The affirmative vote or consent of the holders of at least a majority of the votes cast at the Annual Meeting is required for the approval of any such adjournment. The Board recommends the shareholders grant this discretionary authority, if necessary, to permit it to solicit approvals of the charter amendments set forth in Proposal 3, which the Board believes will benefit the Company but which requires a higher approval threshold to pass.

The Board recommends that you vote "FOR" Proposal FOUR.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

The Company is committed to maintaining the highest standards of business conduct and corporate governance, which we believe are essential to running our business effectively, serving our shareholders well, and maintaining the Company's integrity in the marketplace. The Company has adopted a Code of Business Conduct that applies to all Company employees and directors and a Financial Code of Conduct for financial managers. These codes work in conjunction with the Company's Amended and Restated Articles of Incorporation, Amended and Restated Bylaws, and various Board committee charters, and together form the framework for governance of the Company. These documents are available at the Company's website at www.raverg.com. We will post on this website any amendments to the Code of Business Conduct or waivers of the Code of Business Conduct for directors or executive officers.

The business of the Company is managed under the direction of the Board. Each director is expected to make reasonable efforts to attend board meetings, meetings of committees of which such director is a member, and the annual meeting of shareholders. The Board intends to comply with the corporate governance requirements of the SEC and Nasdaq in order to assure that the Board will have the necessary practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management.

Board Independence and Independence Standards

Each of the Company's current directors qualifies as "independent" in accordance with published Nasdaq listing requirements, except that Mr. Schwarz is not considered independent solely with respect to requirements applicable to the Audit Committee. An independent director must not have any relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board considers all relevant facts and circumstances in assessing each director's relationship with the Company. Independent directors meet at least twice annually apart from management representatives.

Board Structure and Committee Composition

The Board has three standing committees: (1) Audit Committee, (2) Compensation Committee, and (3) Nominating and Governance Committee. Current copies of the charters for the Audit Committee, Compensation Committee, and Nominating and Governance Committee are available on the Company's website at www.raverg.com. Below is a description of the primary functions performed by each committee. Each committee has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. The Board has determined that each current member of each committee meets the applicable laws and regulations regarding "independence" and that each member is free of any relationship that would interfere with his individual exercise of independent judgment.

Audit Committee. The responsibilities of the Audit Committee include reviewing: (a) the financial reports and other financial information provided by the Company to any governmental body or the public; (b) the Company's systems of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board have established; (c) the Company's auditing, accounting, and financial reporting processes generally; and (d) the terms of transactions between the Company and related parties. The Audit Committee also performs such other functions as the Board may from time to time assign to the committee. In performing its duties, the Audit Committee seeks to maintain an effective working relationship with the Board, the independent accountants, and management of the Company. The specific duties and functions of the Audit Committee are set forth in the Audit Committee Charter. This charter is reviewed annually and updated as necessary to reflect changes in regulatory requirements, authoritative guidelines and evolving practices.

The report of the Audit Committee is included in this Proxy Statement.

Compensation Committee. The primary responsibilities of the Compensation Committee are: (a) to review and recommend to the Board the compensation of the President and other officers of the Company; (b) to review executive bonus plan allocations; (c) to oversee and advise the Board on the adoption of policies that govern the Company's compensation programs; (d) to oversee the Company's administration of its equity-based compensation and other benefit plans; and (e) to approve awards to officers and employees of the Company under its 2015 Long Term Incentive Plan (the "2015 LTIP"). The Board determines whether the Compensation Committee will take action as a committee or will make recommendations to the Board. In fiscal 2024, the Compensation Committee determined the compensation of the Company's executive officers and the President made recommendations to the Compensation Committee with regard to compensation for its other officers. The specific duties and functions of the Compensation Committee are set forth in its charter.

Nominating and Governance Committee. The primary responsibilities of the Nominating and Governance Committee are: (a) to recommend the slate of director nominees for election to the Board; (b) to identify and recommend candidates to fill vacancies occurring between annual shareholder meetings; and (c) to review, evaluate, and recommend changes to the Company's corporate governance practices. The Nominating and Governance Committee's role includes periodic review of the compensation paid to non-employee directors for annual retainers and meeting fees and making recommendations to the Board for any adjustments. The specific responsibilities and functions of the Nominating and Governance Committee are set forth in its charter.

Review and Evaluation of Director Qualifications

From time to time, the Nominating and Governance Committee reviews the Board to assess the skills and characteristics required of Board members in the context of the current composition of the Board. This assessment involves numerous facets, including diversity of background, business experience, and other factors; understanding of and achievements in the restaurant industry; board service; business, finance, and marketing expertise; and community involvement. These factors, and any other qualifications considered useful by the Nominating and Governance Committee, are reviewed in the context of an assessment of the perceived needs of the Board at any particular point. As a result, the priorities and emphasis of the Nominating and Governance Committee and of the Board may change from time to time to take into account changes in business and other trends and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Nominating and Governance Committee has not established specific minimum criteria or qualifications that a nominee must possess.

Identifying and Evaluating Candidates for Director

When Board vacancies are anticipated or otherwise arise, the Nominating and Governance Committee considers various potential candidates for director. The process followed by the Nominating and Governance Committee to identify and evaluate candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates, and interviews of selected candidates by members of the Nominating and Governance Committee and the Board. In general, candidates for nomination to the Board are suggested by Board members or by employees and may come from professional search firms or shareholders. In fiscal 2024, the Company did not employ a search firm or pay fees to third parties in connection with seeking or evaluating Board nominee candidates. Assuming that appropriate biographical and background materials are provided for candidates recommended by shareholders on a timely basis, the Nominating and Governance Committee will evaluate director candidates recommended by shareholders by following substantially the same process, and applying substantially the same criteria, as it follows for director candidates submitted by Board members.

Criteria and Diversity

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by shareholders, the Nominating and Governance Committee will apply criteria including finding candidates who bring the background, knowledge, experience, skill sets, and expertise that would strengthen and increase the diversity of the Board. The Committee does not assign specific weights to particular criteria, and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge, and abilities that will allow the Board to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, religion, national origin, gender, sexual orientation, disability, or any other basis proscribed by law.

Shareholder Recommendations and Nominations

The policy of the Nominating and Governance Committee is to consider properly submitted shareholder recommendations of candidates for membership on the Board, as described above under *“Identifying and Evaluating Candidates for Director.”* Any shareholder recommendations proposed for consideration by the Nominating and Governance Committee should include the candidate’s name and qualifications for Board membership and should be addressed to:

RAVE Restaurant Group, Inc.
3551 Plano Parkway
The Colony, TX 75056
Fax: (469) 384-5061
E-mail: corporate_secretary@raver.com

Shareholders may nominate directors for consideration at an annual shareholders meeting and solicit proxies in favor of such nominees. The Nominating and Governance Committee evaluates candidates proposed by shareholders using the same criteria as for other candidates. Leadership Structure

We separate the roles of Chief Executive Officer and Chairman of the Board. The Chief Executive Officer is responsible for setting the strategic direction for the Company, providing day-to-day leadership and achieving the performance goals of the Company. The Chairman of the Board leads the activities of the Board in providing oversight to management, provides guidance to the Chief Executive Officer, and serves as a liaison between management and the Board. The Board believes that separating the roles of the Chairman and Chief Executive Officer enhances the ability of the Board to objectively evaluate the management and operations of the Company for the benefit of shareholders.

Risk Oversight

The Board has an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity, cybersecurity,

and operations, as well as the risks associated with each. The Compensation Committee is responsible for overseeing management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of financial risks. The Nominating and Governance Committee manages risks associated with the independence of the Board and potential conflicts of interest. Through committee reports, the entire Board is regularly informed regarding the nature and management of the risks overseen by each of its committees.

Communications from Shareholders to the Board

The Board recommends that shareholders initiate any communications with the Board in writing in care of:

Corporate Secretary
RAVE Restaurant Group, Inc.
3551 Plano Parkway
The Colony, TX 75056
Fax: (469) 384-5061
E-mail: corporate_secretary@raverg.com

This centralized process assists the Board in reviewing and responding appropriately to shareholder communications. The names of specific intended Board members should be noted in the communication. The Board has instructed the Corporate Secretary to forward such correspondence only to the intended recipients. However, the Board has also instructed the Corporate Secretary to review such correspondence prior to forwarding and in their discretion not to forward items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, the correspondence may be forwarded elsewhere in the Company for review and possible response.

Director Compensation

The Chairman of the Board receives an annual retainer of \$23,000, and the other non-employee directors receive an annual retainer of \$17,000. Each non-employee director additionally receives a fee of \$1,000 for each Board meeting attended and a fee of \$250 for each committee meeting attended. Directors are also reimbursed for their reasonable expenses in connection with attending Board and committee meetings.

In addition to an annual retainer and meeting fees, each non-employee director is eligible to receive awards under the 2015 LTIP. Pursuant to the 2015 LTIP, the Compensation Committee and full Board have authorized eligible directors to automatically be granted, as of the first day of the Company's fiscal year, an option to purchase two shares of the Common Stock for each share purchased by such non-employee director during the preceding fiscal year of the Company (excluding shares purchased upon the exercise of previously granted options), up to a maximum grant of options to purchase 40,000 shares of the Common Stock. Stock options granted to non-employee directors under the 2015 LTIP have an exercise price equal to the market price of the Common Stock on the date of grant, are first exercisable one year after grant, and expire to the extent unexercised after ten years.

The following table summarizes compensation earned by and paid to each person who served as a non-employee director at any time during fiscal 2024.

It also discussed with Whitley Penn the matters required to be discussed by Auditing Standard 1301, as amended, as adopted by the Public Company Accounting Oversight Board (the "PCAOB"). In addition, the Audit Committee received the written disclosures and the letter from Whitley Penn required by applicable requirements of the PCAOB regarding Whitley Penn's communications with the Audit Committee concerning independence and the Audit Committee discussed with Whitley Penn that firm's independence. Based on the discussions with Whitley Penn concerning the audit, the financial statement review, and other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that the audited financial statements for the fiscal year ended June 30, 2024, be included in the Company's Annual Report on Form 10-K filed with the SEC on September 26, 2024.
